TRAIL MARKING HAS ENHANCED SAFETY FOR TRAIL USERS

To commemorate Rotary's Centennial, the 11 Rotary Clubs of Omaha and Council Bluffs accepted the challenge of marking 105 miles of recreational trails to improve safety for trail users. The project, completed in 2005, placed 8" round markers at each mile of the trail and 5" markers every tenth of a mile.

These markers aid emergency response personnel in locating injured or distressed trail users more quickly. Thank you, Rotary Club members, Lamp, Ryneason and Associates, Omaha Peddlars, Papio-Missouri River Natural Resources District, Peter Kiewit Foundation, Iowa West Foundation and countless contributors and volunteers for making this remarkable trail enhancement possible!

LIED PLATTE RIVER BRIDGE

Featuring one of the most scenic views found anywhere in Nebraska, the Lied Platte River Bridge is the first in the eastern part of the state solely dedicated for recreation on the Platte River. Originally an abandoned railroad crossing, the Papio-Missouri River and Lower Platte South NRDs collaborated with trails organizations to revitalize the area. The bridge plus trails on each side of the river total 1.5 miles. Ultimately, the span will link trails in the Omaha / Council Bluffs area with the city of Lincoln.
