MEMORANDUM

To: Programs, Projects, and Operations Subcommittee

Subject: Elkhorn River Improvement Project Area  
Operation and Maintenance Assessment

Date: February 27, 2017

From: Eric Williams, Natural Resources Planner

In February, 2011, The Board voted to reestablish the Operation and Maintenance Assessment on benefited properties in the Elkhorn River Improvement Project Area. The action is to collect the special assessments at the rate of \$ 20,000 (see attached) per year until the O&M Fund reached a balance of \$ 250,000. As of February 27, 2017, the balance in the O&M Fund was \$ 178,047.88.

In order for Douglas County to collect these assessments, a Board resolution is required each year.

- **It is recommended that the Subcommittee recommend to the Board that a special assessment for the operation and maintenance of the Elkhorn River Bank Stabilization Improvement Project Area be levied against the benefited parcels in the total amount of \$20,000 for calendar year 2017 and that the attached Resolution be adopted.**
