Beginning in 2016, the District has partnered with Omaha and La Vista for design of an extension to the West Papio Trail. This connection will continue from the end of the recently completed project at 108th & Giles in La Vista, and continue along the former railroad corridor up to the intersection of Harry Andersen Ave at Q Street in Omaha.

Design work is now complete, with plans, permits, and bidding documents being prepared for expected bidding this fall and construction to begin in early 2018. Through the attached Interlocal Agreement for construction of this project, it is proposed that the maximum total construction costs would be $3,750,000 to be shared between the three agencies as follows:
