RESOLUTION

SERIES 2018 (REFUNDING OF SERIES 2013 BONDS)

BE IT RESOLVED BY THE BOARD OF DIRECTORS (THE "BOARD") OF PAPIO-MISSOURI RIVER NATURAL RESOURCES DISTRICT (THE "DISTRICT"), IN THE STATE OF NEBRASKA, as follows:

Section 1. Findings and Determinations. The Board hereby finds and determines:

(a) That this District is duly organized as a natural resources district under Chapter 2, Article 32, Reissue Revised Statutes of Nebraska, 2012, as amended (the "Act") encompassing a city of the metropolitan class;

(b) The District is permitted, pursuant to 2-3226.10 of the Act ("Section 2-3226.10"), to levy a tax of not to exceed 1 cent per one hundred dollars of taxable valuation on all the taxable property of the District for the purposes of paying principal and interest on the bonds herein authorized and that such tax, when collected, will be sufficient to pay the principal of and interest on the bonds of this issue, as well as all other bonds issued pursuant to Section 2-3226.10, as and when the same become due. The 2017-2018 assessed valuation of all taxable property located in the District is \$62,772,761,403. A levy of one cents (\$0.01) per one hundred dollars of such taxable valuation is \$6,277,276.14.

(c) Pursuant to and in accordance with all of the requirements and limitations of the Act, particularly including Sections 2-3226.10 and 2-3226.11 thereof, the District previously issued its Flood Protection and Water Quality Enhancement Bonds, Series 2013, presently outstanding in the principal amount of \$7,780,000 (the "Outstanding 2013 Bonds") under a Resolution adopted by the Board on December 13, 2012 (the "2013 Resolution") and such Outstanding 2013 Bonds were issued to pay for the design, rights-of-way acquisition, and construction of multipurpose projects and practices for storm water management within the District, including flood control and water quality, and specifically for the various Projects as set forth in the 2013 Resolution;

(d) The Outstanding 2013 Bonds have been authorized to be called for redemption on such date and in such amounts as determined by an authorized officer of the District (the "Redemption Date"); that a portion of the Outstanding 2013 Bonds as determined by an authorized officer of the District pursuant to the call resolution (such portions, the "Refunded Bonds") approved in connection herewith (the "Call Resolution") have been authorized to be irrevocably called for redemption on the Redemption Date;

(e) since the issuance of the Refunded Bonds, the interest rates in the bond markets have declined and the District can effect a savings in interest costs by issuing refunding bonds to refund the Refunded Bonds and it is necessary and advisable for the District to issue its Flood Protection and Water Quality Enhancement Refunding Bonds, Series 2018 in the principal amount of not to exceed \$8,000,000 (the "Bonds")

for the purpose of refunding the Refunded Bonds, pursuant to the Act and Section 10-142, R.R.S. Neb. 2012, as amended.

Section 2. Authorization of Bonds. There shall be and there are hereby ordered issued the negotiable bonds of this District of the principal amount of not to exceed Eight Million Dollars (\$8,000,000) (the "Bonds"). The Bonds are to be issued as tax-exempt interest bearing obligations of the District and designated as the District's "Flood Protection and Water Quality Enhancement Refunding Bonds, Series 2018", with said Bonds to bear interest at the rates per annum and mature in such amounts and on such dates as shall be determined in a written designation (the "Designation") signed by the Chairperson, Vice Chairperson, Treasurer or the General Manager (each, an "Authorized Officer") on behalf of the Board and which may be agreed to by D.A. Davidson & Co. (the "Underwriter"), which Designation may also determine or modify the principal amount for each maturity of the Bonds, redemption provisions (if any), and pricing terms as set forth in Section 8 below, all within the following limitations:

- (a) the aggregate principal amount of the Bonds shall not exceed \$8,000,000;
- (b) the maximum true interest cost on the Bonds shall not exceed two and nine tenths percent (2.9%) per annum;
- (c) the Bonds shall bear interest at such rates per annum so that debt service payable on the Bonds provides at least a net present value savings to the District over the debt service payable on the Refunded Bonds in an amount satisfactory to the Board (the execution of the Designation by an Authorized Officer shall be conclusive evidence that such net present value savings is satisfactory to the Board);
- (d) the longest maturity of the Bonds may not be later than December 31, 2032;
- (e) two or more of the principal maturities of the Bonds may be combined and issued as "term bonds" and the Authorized Officer may determine the mandatory sinking fund payments and mandatory redemption amounts; provided that any Bonds issued as "term bonds" shall be redeemed at a redemption price equal to 100% of the principal amount thereof plus accrued interest thereon to the date of redemption and may be selected for redemption by any random method of selection determined appropriate by the Registrar (as hereinafter designated) or by the Depository (as hereinafter designated).

The Authorized Officers (or any one of them) are hereby authorized to make such determinations on behalf of the Board and to evidence the same by execution and delivery of the Designation and such determinations, when made and agreed to by the Underwriter, shall constitute the action of the Board without further action of the Board.

The Bonds shall be issued in fully registered form in the denomination of \$5,000 or any integral multiple thereof. The date of original issue for the Bonds shall be the date of delivery thereof (the "Date of Delivery"). Interest on the Bonds shall be payable semiannually on June 15 and December 15 of each year, commencing June 15, 2018 (or such other date or dates as may be

determined in the Designation each an “Interest Payment Date”) and the Bonds shall bear such interest from the date of original issue or the most recent Interest Payment Date for which interest has been paid or provided for, whichever is later. The interest due on each Interest Payment Date shall be payable to the registered owners of record as of the fifteenth day immediately preceding the Interest Payment Date (or such other record date as may be determined in the Designation, the “Record Date”), subject to the provisions of Section 4 hereof. The Bonds shall be numbered from 1 upwards in the order of their issuance. No Bond shall be issued originally or upon transfer or partial redemption having more than one principal maturity for each interest rate. The initial bond numbering and principal amounts for each of the Bonds issued shall be as directed by the initial purchaser thereof. Payments of interest due on the Bonds prior to maturity or earlier redemption shall be made by the Paying Agent and Registrar, as designated pursuant to Section 3 hereof, by mailing a check or draft in the amount due for such interest on each Interest Payment Date to the registered owner of each Bond, as of the Record Date for such Interest Payment Date, to such owner’s registered address as shown on the books of registration as required to be maintained in Section 3 hereof. Payments of principal due at maturity or at any date fixed for redemption prior to maturity, together with accrued but unpaid interest then due, shall be made by said Paying Agent and Registrar to the registered owners upon presentation and surrender of the Bonds to said Paying Agent and Registrar. The District and said Paying Agent and Registrar may treat the registered owner of any Bond as the absolute owner of such Bond for the purpose of making payments thereon and for all other purposes and neither the District nor the Paying Agent and Registrar shall be affected by any notice or knowledge to the contrary, whether such Bond or any installment of interest due thereon shall be overdue or not. All payments on account of interest or principal made to the registered owner of any Bond in accordance with the terms of this Resolution shall be valid and effectual and shall be a discharge of the District and said Paying Agent and Registrar, in respect of the liability upon the Bonds or claims for interest to the extent of the sum or sums so paid.

Section 3. Paying Agent and Registrar; Registration and Transfer of Bonds. Wells Fargo Bank, National Association (or such other entity as appointed by the District in the Designation, the “Paying Agent and Registrar”) is hereby designated as Paying Agent and Registrar for the Bonds. Said Paying Agent and Registrar shall serve in such capacities with respect to such Bonds under the terms of an agreement entitled “Paying Agent and Registrar’s Agreement” (the “Paying Agent and Registrar’s Agreement”) between the District and said Paying Agent and Registrar, the form of which is hereby approved. The Chairperson and Secretary are hereby authorized to execute the Paying Agent and Registrar’s Agreement in substantially the form presented to the Board with such changes as they shall deem appropriate or necessary. The Paying Agent and Registrar shall keep and maintain for the District books for the registration and transfer of the Bonds at its designated corporate trust office (located initially as provided in the Paying Agent and Registrar’s Agreement, but subject to change upon written notice in advance from the Paying Agent and Registrar to the District and all registered owners of the Bonds, the “Designated Office”). The names and registered addresses of the registered owner or owners of the Bonds shall at all times be recorded in such books. Any Bond may be transferred pursuant to its provisions at the Designated Office of said Paying Agent and Registrar by surrender of such Bond for cancellation, accompanied by a written instrument of transfer, in form satisfactory to said Paying Agent and Registrar, duly executed by the registered owner in person or by such owner’s duly authorized agent, and thereupon the Paying Agent and Registrar on behalf of the District will deliver at its Designated Office (or send by registered mail to the transferee owner or owners thereof at such transferee owner’s or owners’ risk and expense), registered in the name of the transferee owner or owners, a new Bond or Bonds of the same interest rate, aggregate principal

amount and maturity. To the extent of the denominations authorized for the Bonds by this Resolution and pursuant to the Designation, one Bond may be transferred for several such Bonds of the same interest rate and maturity, and for a like aggregate principal amount, and several such Bonds may be transferred for one or several such Bonds, respectively, of the same interest rate and maturity and for a like aggregate principal amount. In every case of transfer of a Bond, the surrendered Bond shall be canceled and destroyed. All Bonds issued upon transfer of the Bonds so surrendered shall be valid obligations of the District evidencing the same obligations as the Bonds surrendered and shall be entitled to all the benefits and protection of this Resolution to the same extent as the Bonds upon transfer of which they were delivered. The District and said Paying Agent and Registrar shall not be required to transfer any Bond during any period from any Record Date until its immediately following Interest Payment Date or to transfer any Bond called for redemption for a period of thirty (30) days next preceding the date fixed for redemption.

Section 4. Special Record Date. In the event that payments of interest due on the Bonds on an Interest Payment Date are not timely made, such interest shall cease to be payable to the registered owners as of the Record Date for such Interest Payment Date and shall be payable to the registered owners of the Bonds as of a special date of record for payment of such defaulted interest as shall be designated by the Paying Agent and Registrar whenever monies for the purpose of paying such defaulted interest become available.

Section 5. Redemption of Bonds. The Bonds shall be subject to redemption, in whole or in part, prior to maturity at any time on or after the fifth anniversary of the Date of Delivery (or such other date as provided in the Designation) at par plus the interest accrued on the principal amount being redeemed to the date fixed for redemption. The District may select the Bonds to be redeemed for such optional redemption in its sole discretion. The Bonds designated as term bonds in the Designation may be subject to mandatory sinking fund redemption as and to the extent provided in the Designation. Bonds shall be redeemed only in amounts of \$5,000 or integral multiples thereof. Any Bond redeemed in part only shall be surrendered to the Paying Agent and Registrar in exchange for a new Bond, of the same maturity and interest rate, evidencing the unredeemed principal thereof. Notice of redemption of any Bond called for redemption shall be given, at the direction of the District in the case of optional redemptions and without further direction in the case of mandatory redemptions, by said Paying Agent and Registrar by mail not less than 30 days prior to the date fixed for redemption, first class, postage prepaid, sent to the registered owner of such Bond at said owner's registered address. Such notice shall designate the Bond or Bonds to be redeemed by maturity or otherwise, the date of original issue and the date fixed for redemption and shall state that such Bond or Bonds are to be presented for prepayment at the Designated Office of said Paying Agent and Registrar. In case of any Bond partially redeemed, such notice shall specify the portion of the principal amount of such Bond to be redeemed. No defect in the mailing of notice for any Bond shall affect the sufficiency of the proceedings of the District designating the Bonds called for redemption or the effectiveness of such call for Bonds for which notice by mail has been properly given and the District shall have the right to direct further notice of redemption for any such Bond for which defective notice has been given. The Paying Agent and Registrar shall select Term Bonds, if any, for early redemption using any random method of selection determined appropriate by such Paying Agent and Registrar, subject to the terms of Section 8 of this Resolution. In the event term maturities and mandatory redemption amounts are determined in the Designation, the provisions of this Section 5 shall apply generally to mandatory redemptions.

Section 6. Payment on Non-Business Days. If the date for payment of the principal of or interest on the Bonds shall be a Saturday, Sunday, legal holiday or a day on which banking institutions in the city where the Designated Office of the Paying Agent and Registrar is located are authorized by law or executive order to close, then the date for such payment shall be the next succeeding day which is not a Saturday, Sunday, legal holiday or a day on which such banking institutions are authorized to close, and payment on such day shall have the same force and effect as if made on the nominal date of payment.

Section 7. Form of Bonds. The Bonds shall be in substantially the following form:

Section 8. Book-Entry System; Issuance and Sale of Bonds. Each of the Bonds shall be executed on behalf of the District with the manual or facsimile signatures of the Chairperson and Secretary of the Board of District. The Bonds shall be issued initially as “book-entry-only” bonds using the services of The Depository Trust Company (the “Depository”), with one typewritten bond per interest rate for each maturity being issued to the Depository. In such connection said officers are authorized to execute and deliver a letter of representations (the “Letter of Representations”) in the form required by the Depository, for and on behalf of the District (which may be in the form of a blanket letter, including any “blanket” letter previously executed and delivered by the District), which shall thereafter govern matters with respect to registration, transfer, payment and redemption of the Bonds. Upon the issuance of the Bonds as “book-entry-only” bonds, the following provisions shall apply:

(a) The District and the Paying Agent and Registrar shall have no responsibility or obligation to any broker-dealer, bank or other financial institution for which the Depository holds Bonds as securities depository (each, a “Bond Participant”) or to any person who is an actual purchaser of a Bond from a Bond Participant while the Bonds are in book-entry form (each, a “Beneficial Owner”) with respect to the following:

(i) the accuracy of the records of the Depository, any nominees of the Depository or any Bond Participant with respect to any ownership interest in the Bonds,

(ii) the delivery to any Bond Participant, any Beneficial Owner or any other person, other than the Depository, of any notice with respect to the Bonds, including any notice of redemption, or

(iii) the payment to any Bond Participant, any Beneficial Owner or any other person, other than the Depository, of any amount with respect to the Bonds.

The Paying Agent and Registrar shall make payments with respect to the Bonds only to or upon the order of the Depository or its nominee, and all such payments shall be valid and effective fully to satisfy and discharge the obligations with respect to such Bonds to the extent of the sum or sums so paid. No person other than the Depository shall receive an authenticated Bond, except as provided in (e) below.

(b) Upon receipt by the Paying Agent and Registrar of written notice from the Depository to the effect that the Depository is unable or unwilling to discharge its responsibilities, the Paying Agent and Registrar shall issue, transfer and exchange Bonds requested by the Depository in appropriate amounts. Whenever the Depository requests the Paying Agent and Registrar to do so, the Paying Agent and Registrar will cooperate with the Depository in taking appropriate action after reasonable notice (i) to arrange, with the prior written consent of the District, for a substitute depository willing and able upon reasonable and customary terms to maintain custody of the Bonds or (ii) to make available Bonds registered in whatever name or names the Beneficial Owners transferring or exchanging such Bonds shall designate.

(c) If the District determines that it is desirable that certificates representing the Bonds be delivered to the Bond Participants and/or Beneficial Owners of the Bonds and so notifies the Paying Agent and Registrar in writing, the Paying Agent and Registrar shall so notify the Depository, whereupon the Depository will notify the Bond Participants of the availability through the Depository of bond certificates representing the Bonds. In such event, the Paying Agent and Registrar shall issue, transfer and exchange bond certificates representing the Bonds as requested by the Depository in appropriate amounts and in authorized denominations.

(d) Notwithstanding any other provision of this Resolution to the contrary, so long as any Bond is registered in the name of the Depository or any nominee thereof, all payments with respect to such Bond and all notices with respect to such Bond shall be made and given, respectively, to the Depository as provided in the Letter of Representations.

(e) Registered ownership of the Bonds may be transferred on the books of registration maintained by the Paying Agent and Registrar, and the Bonds may be delivered in physical form to the following:

(i) any successor securities depository or its nominee; or

(ii) any person, upon (A) the resignation of the Depository from its functions as depository or (B) termination of the use of the Depository pursuant to this Section and the Paying Agent and Registrar's Agreement.

(f) In the event of any partial redemption of a Bond unless and until such partially redeemed Bond has been replaced in accordance with the provisions of this Resolution, the books and records of the Paying Agent and Registrar shall govern and establish the principal amount of such Bond as is then outstanding and all of the Bonds issued to the Depository or its nominee shall contain a legend to such effect.

If for any reason the Depository resigns and is not replaced, the District shall immediately provide a supply of printed bond certificates for issuance upon the transfers from the Depository and subsequent transfers or in the event of partial redemption. In the event that such supply of certificates shall be insufficient to meet the requirements of the Paying Agent and Registrar for issuance of replacement Bonds upon transfer or partial redemption, the District agrees to order printed an additional supply of certificates and to direct their execution by manual or facsimile signature of its then duly qualified and acting Chairperson and Secretary of such Board. In case any officer whose signature or facsimile thereof shall appear on any Bond shall cease to be such officer before the delivery of such Bond (including any bond certificates delivered to the Paying Agent and Registrar for issuance upon transfer or partial redemption), such signature or such facsimile signature shall nevertheless be valid and sufficient for all purposes the same as if such officer or officers had remained in office until the delivery of such Bond. The Bonds shall not be valid and binding on the District until authenticated by the Paying Agent and Registrar. The District's Treasurer shall maintain a record of information with respect to the Bonds as required under Section 10-140, R.R.S. Neb. 2012, as amended, and shall cause the same to be filed in the office of the Auditor of

Public Accounts of the State of Nebraska. The Bonds shall be delivered to the Paying Agent and Registrar for registration and authentication. Upon execution, registration and authentication of the Bonds, Bonds shall be delivered to D.A. Davidson & Co., as the initial purchaser thereof, upon receipt of not less than 98.9% of the principal amount of the Bonds actually issued plus accrued interest thereon to date of payment of the Bonds (or such other price as set forth in the Designation, and such purchase price may be modified by the terms of the Designation to provide for original issue premium and original issue discount). The District's Treasurer is authorized to deliver the Bonds to the Underwriter upon receipt of such purchase price plus accrued interest to date of payment. The Underwriter shall have the right to direct the registration of the Bonds and the denominations thereof within each maturity, subject to the restrictions of this resolution. The Underwriter and its agents, representatives and counsel (including Baird Holm LLP as the Underwriter's bond counsel) are hereby authorized to take such actions on behalf of the District as are necessary to effectuate the closing of the issuance and sale of the Bonds, including, without limitation, authorizing the release of the Bonds by the Depository at closing. The Authorized Officers are individually authorized to execute and deliver an agreement for the purchase and sale of the Bonds to the Underwriter substantially in the form presented herewith, with such changes, modifications and completions as such Authorized Officer may approve.

Section 9. Secretary Certification. The Secretary of the District is directed to make and certify a transcript or transcripts of the proceedings of the District precedent to the issuance of said Bonds, one of which transcripts shall be delivered to the purchaser of said Bonds.

Section 10. Special Tax Levy. The Board shall cause to be levied and collected annually a special levy of taxes, pursuant to and within the limitations set forth in Section 2-3226.10 on all the taxable property in this District for the purpose of paying and sufficient to pay the principal of and interest on the Bonds and all other obligations issued under Section 2-3226.10 as and when such principal and interest becomes due. In accordance with the determinations set forth in Section 1 of this Resolution and Section 2-3226.10, such tax shall not exceed 1 cent per one hundred dollars of valuation on all the taxable property of the District in each such year.

Section 11. Tax Covenants. (a) The District hereby covenants to the purchaser and registered owners of the Bonds hereby authorized that it will make no use of the proceeds of said bond issue, including tax levy monies intended to be used to pay principal and interest on said Bonds, which would cause said Bonds to be arbitrage bonds within the meaning of Sections 103(b) and 148 of the Code and further covenants to comply with said Sections 103(b) and 148 and all applicable regulations thereunder throughout the term of said bond issue. The District hereby covenants with the registered owners from time to time of any Bonds hereby authorized and issued hereunder that it shall comply with all applicable provisions of the Code and with all applicable provisions of any other tax laws, and any regulations, published rulings and court decisions pursuant thereto, which relate to the exclusion from gross income of interest on the Bonds for federal income tax purposes, to the extent necessary to comply with such Code, laws, regulations, published rulings and court decisions or otherwise to preserve such exclusion, including specifically, but without limitation, all arbitrage rebate and information reporting requirements required by the Code.

(b) In accordance with Section 148(f)(4)(C) of the Code, the District covenants that it is a governmental unit with general taxing powers; and that the Bonds are not private activity bonds as defined in Section 141 of the Code; and that ninety-five percent (95%) or more of the net

proceeds of the Bonds are to be used for local governmental activities of the District. In the event the District fails or ceases to meet the foregoing covenant, the District shall take or retain experts to take all actions with respect to rebate deposits and payments required by the Code and regulations promulgated thereunder. The District hereby establishes a Rebate Fund, containing a rebate account and an earnings account, to hold funds required to be rebated to the United States pursuant to the Code and regulations.

(c) It is not expected that the proceeds of any Bonds will be used in a manner that will cause the Bonds to become “arbitrage bonds” within the meaning of the Code. The General Manager and/or Secretary of the District are authorized and directed to give an appropriate certificate on behalf of the District, on the Date of Delivery, and for inclusion in the transcript of proceedings relating thereto, setting forth the facts, estimates, circumstances, and reasonable expectations pertaining to the use of the proceeds thereof and the provisions of said Section 148 of the Code and the regulations thereunder.

(d) The District hereby designates the Bonds as its “qualified tax-exempt obligations” pursuant to Section 265(b)(3)(B)(i)(III) of the Code and covenants and warrants that it does not reasonably expect to issue tax-exempt bonds or other tax-exempt interest bearing obligations aggregating in principal amount more than \$10,000,000 during the calendar year that the Bonds are issued (taking into consideration the exception for current refunding issues), provided that the amount of the Bonds hereby designated shall be reduced as and to the extent that a portion of the Bonds may be determined to be “deemed designated” in accordance with the provisions of Section 265(b)(3)(D) of the Code.

Section 12. Refunding Bonds. The District reserves the right to issue refunding bonds and provide for the investment of the proceeds thereof for purposes of providing for the payment of principal of and interest on the Bonds in such manner as may be prescribed by law from time to time but specifically including the provisions of Section 10-142, R.R.S. Neb. 2012.

Section 13. Use of Bond Proceeds; Escrow Account. The net sale proceeds of the Bonds (along with funds of the District on hand, to the extent necessary) shall be applied to the payment and satisfaction of all of the principal of and the interest on the Refunded Bonds as called for redemption on the Redemption Date. Accrued interest received from the sale of the Bonds, if any, shall be applied to pay interest first falling due on the Bonds. Expenses of issuance of the Bonds may be paid from the proceeds of the Bonds. In order to satisfy the District's obligation on the Refunded Bonds, such proceeds of the Bonds (along with funds of the District on hand as may be necessary for such purpose) shall be set aside and held and invested in a special trust account which is hereby ordered established. Wells Fargo Bank, National Association (or such other party as provided in the Designation), is hereby designated to serve as the escrow agent ("Escrow Agent"), to have custody and safekeeping of the funds and investments which are to be set aside for the payment of the Refunded Bonds as called for redemption. For purposes of governing such escrow account and the holding and application of such funds and investments, the District shall enter into a contract entitled "Escrow Agreement" (or similarly titled agreement) with the Escrow Agent. Each of the Authorized Officers are hereby authorized and directed to execute and deliver on behalf of the District said Escrow Agreement, including necessary counterparts, in substantially the form and content as presented to the meeting at which this resolution is adopted, but with such

changes and modifications therein as to them seem necessary, desirable, or appropriate for and on behalf of the District. Each of said Authorized Officers is further authorized to approve the investments provided for in said Escrow Agreement, and to make any necessary subscriptions for United States Treasury Securities, State and Local Government Series, or to contract for the purchase of securities in the open market. Said proceeds shall be invested in obligations of the United States Government, direct or guaranteed, including but not limited to United States Treasury Securities, State and Local Government Series or held as cash in a bank depository account. To the extent that such proceeds are held in a bank depository account, such deposits shall be insured by insurance of the Federal Deposit Insurance Corporation or, to the extent not fully insured, fully collateralized in the same manner as is required for deposit of public funds. Any investment from the proceeds of the Bonds herein authorized shall mature not later than the Redemption Date. As provided in said Escrow Agreement, the proceeds of the Bonds herein authorized (and other contributed funds of the District, if any) and investment earnings thereon shall be applied to the payment of the principal of and interest on the Refunded Bonds as the same become due on and prior to the Redemption Date, and as called for redemption on the Redemption Date. The District agrees that on the date of original issue of the Bonds, or as soon thereafter as practicable, it shall deposit or otherwise have on hand with the Escrow Agent, from tax levy or other available sources, funds sufficient after taking into consideration available proceeds of the Bonds and investment earnings to provide funds for all payments due on the Refunded Bonds on or before the Redemption Date, and as called for redemption on the Redemption Date.

Section 14. Continuing Disclosure Undertaking. In accordance with the requirements of Rule 15c2-12 of the Securities Exchange Act of 1934 (the “Rule”) promulgated by the Securities and Exchange Commission, the District, being the only “obligated person” with respect to the Bonds, agrees that it will provide the following continuing disclosure information to the Municipal Securities Rulemaking Board (the “MSRB”):

(a) not later than seven (7) months after the end of each fiscal year of the District (the “Delivery Date”), commencing with the fiscal year ending June 30, 2017, financial and operating information generally consistent with the information set forth under the heading “MANAGEMENT’S DISCUSSION AND ANALYSIS” as shown in the District’s audited financial statements (“Annual Financial Information”);

(b) when and if available, audited financial statements for the District; audited financial information shall be provided in conformity with generally accepted accounting principles as presently in effect, including those applicable to governmental organizations, provided that the Board reserves the right to change accounting methods as may be determined appropriate by such Board from time to time; and

(c) in a timely manner not in excess of ten (10) business days after the occurrence of the event, notice of the occurrence of any of the following events with respect to the Bonds:

- (1) principal and interest payment delinquencies;
- (2) non-payment related defaults, if material;

(3) unscheduled draws on debt service reserves reflecting financial difficulties;

(4) unscheduled draws on credit enhancements reflecting financial difficulties;

(5) substitution of credit or liquidity providers, or their failure to perform;

(6) adverse tax opinions, the issuance by the Internal Revenue Service of proposed or final determinations of taxability, Notices of Proposed Issue (IRS Form 5701-TEB) or other material notices or determinations with respect to the tax status of the Bonds, or other material events affecting the tax status of the Bonds;

(7) modifications to rights of the holders of the Bonds, if material;

(8) bond calls, if material, and tender offers;

(9) defeasances;

(10) release, substitution, or sale of property securing repayment of the Bonds, if material;

(11) rating changes;

(12) bankruptcy, insolvency, receivership or similar events of the District (this event is considered to occur when any of the following occur: the appointment of a receiver, fiscal agent or similar officer for the District in a proceeding under the U.S. Bankruptcy Code or in any other proceeding under state or federal law in which a court or governmental authority has assumed jurisdiction over substantially all of the assets or business of the District, or if such jurisdiction has been assumed by leaving the existing governing body and officials or officers in possession but subject to the supervision and orders of a court or governmental authority, or the entry of an order confirming a plan of reorganization, arrangement or liquidation by a court or governmental authority having supervision or jurisdiction over substantially all of the assets or business of the District);

(13) the consummation of a merger, consolidation, or acquisition involving the District or the sale of all or substantially all of the assets of the District, other than in the ordinary course of business, the entry into a definitive agreement to undertake such an action or the termination of a definitive agreement relating to any such actions, other than pursuant to its terms, if material; or

(14) appointment of a successor or additional trustee or the change of name of a trustee, if material.

(d) in a timely manner, notice of any failure on the part of the District to provide Annual Financial Information and the audited financial statements to the extent available not later than the Delivery Date.

The District has not undertaken to provide notice of the occurrence of any other event, except the events listed above.

The District agrees that all documents provided to the MSRB under the terms of this continuing disclosure undertaking shall be in such electronic format and accompanied by such identifying information as shall be prescribed by the MSRB. The District reserves the right to modify from time to time the specific types of information provided or the format of the presentation of such information or the accounting methods in accordance with which such information is presented, to the extent necessary or appropriate in the judgment of the District, consistent with the Rule. The District agrees that such covenants are for the benefit of the registered owners of the Bonds (including Beneficial Owners) and that such covenants may be enforced by any registered owner or Beneficial Owner, provided that any such right to enforcement shall be limited to specific enforcement of such undertaking and any failure shall not constitute an event of default under the Resolution. The continuing disclosure obligations of the District, as described above, shall cease when none of the Bonds remain outstanding. The officers of the District, or any one or more of them, including the Chairperson and Vice Chairperson of the Board and the General Manager are hereby authorized to enter into a Dissemination Agreement with the Paying Agent and Registrar, in standard form, in order to promote the District's compliance with such undertaking.

Section 15. Bonds No Longer Outstanding. The District's obligations under this Resolution shall be fully discharged and satisfied as to the Bonds authorized and issued hereunder, and said Bonds shall no longer be deemed outstanding hereunder when payment of the principal thereof plus interest thereon to the date of maturity or redemption thereof (a) shall have been made or caused to have been made in accordance with the terms thereof and hereof, or (b) shall have been provided for by depositing with the Paying Agent and Registrar, or in escrow with a national or state bank having trust powers in trust solely for such payment (i) sufficient moneys to make such payment and/or (ii) direct general obligations of, or obligations the principal and interest of which are unconditionally guaranteed by, the United States of America (herein referred to as "Government Obligations"), in such amount and with such maturities as to principal and interest as will insure the availability of sufficient moneys to make such payment, and thereupon such Bonds shall cease to draw interest from the date of their redemption or maturity and, except for the purposes of such payment, shall no longer be entitled to the benefits of this Resolution; provided that, with respect to any Bonds called or to be called for redemption prior to the stated maturity thereof, notice of redemption shall have been duly given or provided for. If moneys shall have been deposited in accordance with the terms hereof with the Paying Agent and Registrar or escrow agent in trust for that purpose sufficient to pay the principal of such Bonds and all interest due thereon to the due date thereof or to the date fixed for the redemption thereof, all liability of the District for such payment, except for payment from such deposit, shall forthwith cease, determine and be completely discharged, and all such Bonds shall no longer be considered outstanding under this Resolution.

Section 16. Official Statement Approval; General Authority. Each Authorized Officer is hereby authorized to approve and deem final a Preliminary Official Statement pertaining to the issuance of the Bonds. Each Authorized Officer is further hereby authorized to approve a final Official Statement on behalf of the District. The District agrees to deliver to the Underwriter as many copies of the Official Statement as the Underwriter shall reasonably request as necessary to comply with paragraph (b)(3) of Rule. Each of the Authorized Officers is hereby authorized to

execute and deliver any and all certificates and documents and to take any and all actions determined appropriate in connection with the issuance and sale of the Bonds.

Section 17. Post-Issuance Compliance Policies. In order to promote compliance with certain federal tax and securities laws relating to the bonds herein authorized (as well as other outstanding bonds) the policy and procedures attached hereto as Exhibit A (the “Post-Issuance Compliance Policy and Procedures”) are hereby adopted and approved in all respects. To the extent that there is any inconsistency between the attached Post-Issuance Compliance Policy and Procedures and any similar policy or procedures previously adopted and approved, the Post-Issuance Compliance Policy and Procedures shall control.

Section 18. Effectiveness. This Resolution shall be in force and take effect as provided by law.

ADOPTED this 12th day of October, 2017.

POST ISSUANCE COMPLIANCE POLICY AND PROCEDURES

**Policy and Procedures
Federal Tax Law and Disclosure Requirements for
Tax-Exempt Bonds and other Federally Tax-Advantaged Bonds**

ISSUER NAME: PAPIO-MISSOURI RIVER NATURAL RESOURCES DISTRICT

COMPLIANCE OFFICER (BY TITLE): General Manager

POLICY

It is the policy of the Issuer identified above (the “Issuer”) to comply with all Federal tax requirements and securities law continuing disclosure obligations for its obligations issued as tax-exempt bonds and other federally tax-advantaged bonds.

PROCEDURES

Compliance Officer. Review of compliance with Federal tax requirements and securities law continuing disclosure obligations as generally outlined below shall be conducted by the Compliance Officer identified above (the “Compliance Officer”). To the extent more than one person has been delegated specific responsibilities, the Compliance Officer shall be responsible for ensuring coordination of all compliance review efforts.

Training. The Compliance Officer shall evaluate and review educational resources regarding post-issuance compliance with Federal tax and securities laws, including periodic review of resources published for issuers of tax-exempt obligations by the Internal Revenue Service (either on its website at <http://www.irs.gov/taxexemptbond>, or elsewhere) and the Municipal Securities Rulemaking Board (either on its Electronic Municipal Market Access website [“EMMA”] at <http://www.emma.msrb.org>, or elsewhere).

Compliance Review. A compliance review shall be conducted at least annually by or at the direction of the Compliance Officer. The review shall occur at the time the Issuer’s annual audit takes place, unless the Compliance Officer otherwise specifically determines a different time period or frequency of review would be more appropriate.

Scope of Review.

Document Review. At the compliance review, the following documents (the “Bond Documents”) shall be reviewed for general compliance with covenants and agreements and applicable regulations with respect to each outstanding bond issue:

- (a) the resolution(s) and/or ordinance(s), as applicable, adopted by the governing body of the Issuer authorizing the issuance of its outstanding bonds, together with any documents setting the final rates and terms of such bonds (the “Authorizing Proceedings”),
- (b) the tax documentation associated with each bond issue, which may include some or all of the following (the “Tax Documents”):

- (i) covenants, certifications and expectations regarding Federal tax requirements which are described in the Authorizing Proceedings;
 - (ii) Form 8038 series filed with the Internal Revenue Service;
 - (iii) tax certificates, tax compliance agreements, tax regulatory agreement or similar documents;
 - (iv) covenants, agreements, instructions or memoranda with respect to rebate or private use;
 - (v) any reports from rebate analysts received as a result of prior compliance review or evaluation efforts; and
 - (vi) any and all other agreements, certificates and documents contained in the transcript associated with the Authorizing Proceedings relating to federal tax matters.
- (c) the Issuer's continuing disclosure obligations, if any, contained in the Authorizing Proceedings or in a separate agreement (the "Continuing Disclosure Obligations"), and
- (d) any communications or other materials received by the Issuer or its counsel, from bond counsel, the underwriter or placement agent or its counsel, the IRS, or any other material correspondence relating to the tax-exempt status of the Issuer's bonds or relating to the Issuer's Continuing Disclosure Obligations.

Use and Timely Expenditure of Bond Proceeds. Expenditure of bond proceeds shall be reviewed by the Compliance Officer to ensure (a) such proceeds are spent for the purpose stated in the Authorizing Proceedings and as described in the Tax Documents and (b) that the proceeds, together with investment earnings on such proceeds, are spent within the timeframes described in the Tax Documents, and (c) that any mandatory redemptions from excess bond proceeds are timely made if required under the Authorizing Proceedings and Tax Documents.

Arbitrage Yield Restrictions and Rebate Matters. The Tax Documents shall be reviewed by the Compliance Officer to ensure compliance with any applicable yield restriction requirements under Section 148(a) of the Internal Revenue Code (the "Code") and timely calculation and payment of any rebate and the filing of any associated returns pursuant to Section 148(f) of the Code. A qualified rebate analyst shall be engaged as appropriate or as may be required under the Tax Documents.

Use of Bond Financed Property. Expectations and covenants contained in the Bond Documents regarding private use shall be reviewed by the Compliance Officer to ensure compliance. Bond-financed properties shall be clearly identified (by mapping or other reasonable means). Prior to execution, the Compliance Officer (and bond counsel, if deemed appropriate by the Compliance Officer) shall review (a) all proposed leases, contracts related to operation or management of bond-financed property, sponsored research agreements, take-or-pay contracts or other agreements or arrangements or proposed uses which have the potential to give any entity any special legal entitlement to the bond-financed property, (b) all proposed agreements which would result in disposal of any bond-financed property, and (c) all proposed uses of bond-financed property which were not anticipated at the time the bonds were issued. Such actions could be prohibited by the Authorizing Proceedings, the Tax Documents or Federal tax law.

Continuing Disclosure. Compliance with the Continuing Disclosure Obligations with respect to each bond issue shall be evaluated (a) to ensure timely compliance with any annual disclosure requirement, and (b) to ensure that any material events have been properly disclosed as required by the Continuing Disclosure Obligation.

Record Keeping. If not otherwise specified in the Bond Documents, all records related to each bond issue shall be kept for the life of the indebtedness associated with such bond issue (including all tax-exempt refundings) plus six (6) years.

Incorporation of Tax Documents. The requirements, agreements and procedures set forth in the Tax Documents, now or hereafter in existence, are hereby incorporated into these procedures by this reference and are adopted as procedures of the Issuer with respect to the series of bonds to which such Tax Documents relate.

Consultation Regarding Questions or Concerns. Any questions or concerns which arise as a result of any review by the Compliance Officer shall be raised by the Compliance Officer with the Issuer's counsel or with bond counsel to determine whether non-compliance exists and what measures should be taken with respect to any non-compliance.

VCAP and Remedial Actions. The Issuer is aware of (a) the Voluntary Closing Agreement Program (known as "VCAP") operated by the Internal Revenue Service which allows issuers under certain circumstances to voluntarily enter into a closing agreement in the event of certain non-compliance with Federal tax requirements and (b) the remedial actions available to issuers of certain bonds under Section 1.141-12 of the Income Tax Regulations for private use of bond financed property which was not expected at the time the bonds were issued.
