

**PAPIO-MISSOURI RIVER NATURAL RESOURCES DISTRICT  
OMAHA, NEBRASKA**

**Washington County Rural Water System Pump Station Upgrade Project**

**ADVERTISEMENT FOR BIDS**

Sealed Bids for the construction of the Washington County Rural Water System Pump Station Upgrade Project will be received, by Papio-Missouri River Natural Resources District (P-MRNRD) at the office of the P-MRNRD 8901 South 154<sup>th</sup> Street, Omaha, NE 68138 until 2:00 pm CST local time on July 2, 2018, at which time the Bids received will be publicly opened and read. The Project consists of installing an additional pump, control panel, and generator at the District's Washington County Rural Water System Pump Station located at 11660 N 60<sup>th</sup> Street Omaha, NE 68152.

The Issuing Office for the Bidding Documents is: [the District's headquarters located 8901 S. 154<sup>th</sup> Street Omaha, NE 68138. Contact Zach Nelson at 402-315-1706, [znelson@papionrd.org](mailto:znelson@papionrd.org) for bid documents. Prospective Bidders may examine the Bidding Documents at the Issuing Office on Mondays through Fridays between the hours of 8:00 AM to 4:30 PM, and may obtain copies of the Bidding Documents from the Issuing Office as described below.

Bidding Documents may be obtained from the Issuing Office during the hours indicated above. Bidding Documents are available on compact disc (as portable document format (PDF) files) for a non-refundable charge of \$10.00, including shipping via overnight express service. Alternatively, printed Bidding Documents may be obtained from the Issuing Office either via in-person pick-up or via mail, upon Issuing Office's receipt of payment for the Bidding Documents. The non-refundable cost of printed Bidding Documents is \$20.00 per set, payable to "Washington County Rural Water System", plus a non-refundable shipping charge. Upon Issuing Office's receipt of payment, printed Bidding Documents will be sent via the prospective Bidder's delivery method of choice; the shipping charge will depend on the shipping method chosen. The date that the Bidding Documents are transmitted by the Issuing Office will be considered the prospective Bidder's date of receipt of the Bidding Documents. Partial sets of Bidding Documents will not be available from the Issuing Office. Neither Owner nor Engineer will be responsible for full or partial sets of Bidding Documents, including Addenda if any, obtained from sources other than the Issuing Office.

Contractors and subcontractors on USEPA federally assisted construction projects are required to pay their laborers and mechanics wages not less than those established by the U.S. Department of Labor. A current wage decision containing the appropriate building and/or heavy type rates is included in the specifications for bidding purposes.

The prospective participants must certify by submittal of EPA Form 5700-49, Certification Regarding Debarment, Suspension and Other Responsibility Matters, that to the best of its knowledge and belief that it and its principals are not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from covered transactions by any federal department or agency.

Bidders on this work will be required to comply with the President's Executive Order No. 11246. Requirements for bidders and contractors under this order are explained in the specifications.

EJCDC® C-111, Suggested Advertisement for Bids for Construction Contracts. Published 2013.

Prepared by the Engineers Joint Contract Documents Committee. Those portions of the text that originated in the copyrighted documents remain subject to the copyright. A redline comparison copy highlighting the modifications will be made available upon request if you have not already received one.

Each bidder must fully comply with the requirements, terms and conditions of the U.S. Environmental Protection Agency, Disadvantaged Business Enterprise (DBE) requirements, including the fair share objectives for disadvantaged business participation during the performance of this contract. The bidder commits itself to the fair share objective for disadvantaged business participation contained herein and all other requirements, terms and conditions of these bid conditions by submitting a properly signed bid.

On January 17, 2014, H.R. 3547, "Consolidated Appropriations Act, 2014," was enacted. Section 436 of the Act requires that none of the appropriated funds may be used for the construction, alteration, maintenance, or repair of a public water system or treatment works unless all of the iron and steel products used in the project are produced in the United States, unless a waiver is provided to the recipient by EPA. Conditions for the waiver are found under the Information for Bidders. The term "iron and steel products" means the following products made primarily of iron or steel: lined or unlined pipes and fittings, manhole covers and other municipal castings, hydrants, tanks, flanges, pipe clamps and restraints, valves, structural steel, reinforced precast concrete, and construction materials.

A pre-bid conference will be held at 10:00 AM CST local time on June 25, 2018 at the Washington County Rural Water System Pump Station located 11660 N 60<sup>th</sup> Street Omaha, NE 68152. Attendance at the pre-bid conference is highly encouraged but is not mandatory.

Bid security shall be furnished in accordance with the Instructions to Bidders.
