TO THE BOARD:

SUBJECT: General Manager's Report

DATE: August 2, 2018

FROM: John Winkler, General Manager

A. INFORMATION/EDUCATION HIGHLIGHTS:

1. In continued celebration of the grand opening of Flanagan Lake, the District has been holding a "Dam Fun Contest" for the public to win some incredible donated prizes. We are approaching 250 entries in the contest, which ends August 16th.
2. The I&E team is in the process of re-evaluating the department's current programs, activities, and overall direction. The primary goal is to determine how we can best educate our community about natural resources and do so in the most efficient and relevant manner. It's an exciting and much over-due process. Stay tuned for updates!
