Written Report To
Papio-Missouri River NRD Board
November 12, 2020
Andy Bohnenkamp, District Conservationist**

My report for this month is very brief. With harvest nearly 85-90% complete our field work season is underway in full force. We have been busy making EQIP and CSP payments and promoting conservation in the run-up to the EQIP and CSP application deadline of Friday November 20th.

So far, our Field Offices have been operating as normally as possible through the Covid-19 situation. We have not reported any positive cases with NRCS staff in the NRD so far which is part of the reason we have been able to operate fairly normal. All of our office front doors are still locked; however, we are able to open our doors by appointment only for our customers to provide a reasonable level of in-person service as needed.

I have no new staffing changes to report at this time either.

Respectfully Submitted,

Andy Bohnenkamp
District Conservationist
