Written Report To
Papio-Missouri River NRD Board
Thursday September 9, 2021
Andy Bohnenkamp, District Conservationist**

Staff is currently busy writing CRP contracts for FY2022. They are also gearing up for the fall terrace layout season. We currently have a handful of summer terrace jobs started which will keep technical staff somewhat busy until the fall season is underway.

All of our Field offices are also still accepting applications for EQIP. The sign-up for FY 2022 will continue through Friday November 19th, 2021 to get in on the first round of funding.

Staffing update: I have still not received official word on our Soil Conservationist selection for the Tekamah FO. My understanding is that it is still being worked through our HR office.

I regret that I am not able to provide a more detailed or in-person report this month, I am currently sick at home with Covid and have been since last Wednesday. I plan to return to the office and back to full strength September 13th.

That's it until next Month! Thank you for your time!

Respectfully Submitted
