Written Report To
Papio-Missouri River NRD Board
December 9th, 2021
Andy Bohnenkamp, District Conservationist**

NRCS is currently busy making program payments for the EQIP and CSP programs for participants wishing to get paid in Calendar Year 2021. Field staff are still working on terrace projects and other soil erosion conservation practices thanks to the extremely nice stretch of weather, and we anticipate finishing over 90% of the planned EQIP and NRD projects this year.

Our EQIP sign-up has come-to-a-close for fiscal year 2022 applications. We have a total of 119 applications between the 4 field Offices. The breakdown is shown below:

Blair FO	58
Dakota City FO	13
Tekamah FO	28
Walthill FO	22

I do not have any staffing news or updates at this time.

I would like to wish all of you a Merry Christmas and Happy Holidays!

Sincerely,

Andy Bohnenkamp
