

## GRANTS AVAILABLE

The Papio-Missouri River NRD, one of the competition's main sponsors, will be **offering \$200 grants per team (up to 5) to ALL schools that compete.** The grants can be used for resource materials or any natural resource projects. In addition, money is also made available for qualifying teams to help defray costs of competing at state and nationals.

# METRO REGIONAL ENVIROTHON

MARCH 1, 2022  
9:00AM OR 12:30PM TESTING  
CHALCO HILLS RECREATION  
AREA

# BACKGROUND

Envirothon is one of the fastest growing regional, state, and national competitions for high school students. Five-member high school teams are tested on their knowledge of wildlife, soils, forestry, environmental policy, aquatics, and range management, plus there's a special focus on current environmental issues (Agriculture and the Environment). The Metro Regional Competition is open for all high schools in Douglas or Sarpy County.

**WHERE:** Chalco Hills Rec. Area  
8901 S. 154th St.  
Omaha, NE 68138

**WHEN:** March 1, 2022  
Testing available at  
9:00am or 12:30pm

**HOW:** Fill out the enclosed  
registration form and  
send it to Kaylyn via  
kkelley@papionrd.org  
or by mail.

**Registration forms are due  
by February 18, 2022.**

*\*Multiple teams from each school  
are allowed to participate.\**

***Metro students were awarded 1st  
place for their Oral Presentation at  
the State Competition in 2021!***

## STATE COMPETITION

The top teams from the regional competition qualify for the state competition on April 27th, 2022 in Cozad, NE.

***Preparing students for Envirothon is easier than you may think! Focused study guides have been developed to give students a resource for each subject tested on! Access these on <https://www.nrdnet.org/nebraska-envirothon>***
