

MEMORANDUM

TO THE BOARD:

SUBJECT: General Manager’s Report

DATE: June 9, 2022

FROM: John Winkler, General Manager

**A. INFORMATION/EDUCATION HIGHLIGHTS:**

- 1. The education team kicked off its first ever Chalco Summer Series on June 1 and it was a huge hit! Perfect weather made the first session learning about Nebraska reptiles that much more fun. The remaining sessions, the first Wednesday of July and August, will focus on Nebraska insects and owls. It’s a free interactive learning experience for the whole family with not only great presentations by Austen and Kaylyn, but an opportunity to meet our animal ambassadors and do unique crafts.

**B. PERSONNEL/MISCELLANEOUS ITEMS:**

- 1. The Western Douglas County Trail pedestrian bridge in Valley is finally nearly complete. Crews have been hard at work placing sections of the new 450-foot pedestrian bridge directly over the Union Pacific Railroad near Highway 275. Watching the cranes in action has been quite a site, and a clear indicator that the pedestrian bridge will soon provide anxiously awaited recreation, active transportation and improved safety for Valley residents. A grand opening ceremony is in the works – date TBD.

**A. REPORT ON PURCHASES – CONSTRUCTION SERVICES, PROFESSIONAL SERVICES AND PERSONAL PROPERTY:** Pursuant to Board direction, the report indicating construction services, professional services, and personal property purchases from the month of May is attached for your review.

**B. CURRENT AND ON-GOING PROJECTS – PAPIO NRD LEGAL COUNSEL:** A copy of current and on-going projects for District Legal Counsel, Husch Blackwell as of May 16 is attached for your review.

**C. PAPILLION CREEK WATERSHED PARTNERSHIP REPORT:** The PCWP Subcommittee meeting scheduled for May 26 was cancelled. The next meeting is scheduled for June 23.
