Hello John and Mr. Chairman,

This email was sent to me yesterday by an applicant for Kevin's seat. He called to introduce himself and told me he talked to you already but I'm forwarding this to you and just making sure you've received his email too. It says "ladies and gentlemen" but I couldn't tell if everyone received it or if it was just me. Please add him to the list.

Thank you,

Patrick

Ladies and gentleman of the Papio NRD Board,

Let me introduce myself. I am Jeff Salberg a lifelong resident of Sarpy County.. I grew up in Springfield Nebraska where I worked on the local farms bailing hay, shelling corn and walking beans. I am an avid hunter and conservationist who has spent a great deal of time on the local lakes and state properties. In 1974 I attended Peru State College on a football scholarship. I graduated with two degrees a Bachelor of Science and Bachelor of Arts. I earned a Master's degree at Creighton University in . I taught 2 years at Fairmont Nebraska then spent the next 38 years teaching at Millard North High School Administration.

My wife and I have lived in Gretna since 1992 where we purchased an acreage Southwest of town where we currently reside. I retired from education in 2019 and have become interested in local politics. I want to give back to the community that has so much to me. I am applying for the open seat on the Papio NRD Board in the hope I can make a worthwhile contribution to the residents of the district.

Thank you for your time and attention in this matter

Jeff Salberg
