Agenda Item: 7.

**Memorandum**

**To:** Programs, Projects and Operations Subcommittee
**From:** Paul W. Woodward PE, Groundwater Management Engineer
**Date:** May 31, 2016
**Re:** Review and Recommendation of Bids Received for the Aerial Application of Herbicide by Helicopter

District staff prepared and released bid documents for the aerial application of herbicide by helicopter in the Lower Platte, Elkhorn River and tributaries on May 9, 2016. Public notice of the invitation for bids was published in the Omaha World Herald on May 11th and May 18th.

Sealed bids were received from two qualified contractors on May 31, 2016 at 2:00 PM. The apparent low bidder is Provine Helicopters with an estimated annual cost to spray 200 acres of $62,253.75, see bid summary attached. Staff recommends that Provine Helicopters be awarded the attached contract to spray between 150 to 300 acres at the unit prices listed. The contract will be in effect for three years with provisions in the contract for the unit prices to increase every year by the Consumer Price Index.

The District is in the process of amending the current interlocal agreement with Lower Platte South NRD and Lower Platte North NRD to increase the combined annual funding for this work from $60,000 to $90,000.

Management recommends that the Subcommittee recommend to the Board that the General Manager be authorized to execute the proposed contract with Provine Helicopters for the aerial application of herbicide by helicopter in the Lower Platte and Elkhorn Rivers and Tributaries, subject to changes deemed necessary by the General Manager and approval as to form by District Legal Counsel.

WHEREAS, to advance the inter-jurisdictional plan, the PMRNRD desires to employ a qualified contractor to perform the aerial application of herbicide by helicopter upon infestations of the Target Vegetation in the aforementioned channels,

NOW, THEREFORE, the PMRNRD and the CONTRACTOR, in consideration of their mutual promises hereinafter set forth, do hereby agree as follows:

d) "General Manager" shall mean the General Manager of the PMRN RD or, in his or her absence, the Assistant General Manager of the PMRN RD. The General Manager shall have authority to designate the locations of infestations of the Target Vegetation in the Project Reaches and communicate the same to the CONTRACTOR, transmit the PMRN RD'S notices and instructions under this Contract, receive information, interpret and define the PMRN RD'S policies, and make decisions with respect thereto.

e) "Target Vegetation" shall mean vegetation that the PMRN RD or its General Manager has designated for the aerial application of herbicide by helicopter pursuant to this Contract.

f) "Contract Season" shall mean the period from August 15 to October 15 of each year during the Term of this Contract.

The CONTRACTOR, at the CONTRACTOR’S own expense, shall obtain, and continuously during the term of this Contract shall possess and exhibit to the PMRNRD on request, all Federal and Nebraska State permits and licenses as may be required by law to enable the CONTRACTOR to lawfully carry out all of the CONTRACTOR’S obligations under this Contract.    a)Unit costs as specified in the CONTRACTOR’s Bid Form, hereby attached as Exhibit “A”, necessary for the aerial application of herbicide by helicopter on the Target Vegetation designated by the General Manager during such Contract Season, subject to the following:

    i) Prior to the commencement of each Contract Season, the CONTRACTOR shall equip the CONTRACTOR’S helicopter with a global positioning satellite-based device, accepted by the PMRN RD in writing prior to its use, that accurately and graphically records the coordinates and course of each spray run in which herbicide is sprayed, and the rate of application. On each such spray run the CONTRACTOR shall actuate the recording function of such device at the commencement of such spraying and shall terminate such recording function when such spraying has ceased during such spray run. When submitting the CONTRACTOR’S invoice for claimed per acre compensation, the CONTRACTOR also shall produce for the PMRN RD’S inspection and copying the aforesaid GPS course and coordinate data, as so recorded, and the CONTRACTOR’S computations of per-acre compensation based thereon, together with such other and further data and information concerning such claim as the PMRN RD may reasonably request.

12. INVOICES. Invoices for compensation due to the CONTRACTOR under this Contract will be submitted by the CONTRACTOR to the PMRN RD, and shall be accompanied by Releases of Liens and Claims (Attachment 4) executed by any and all
subcontractors engaged by CONTRACTOR for performance under this Contract. Unpaid balances shall be subject to an additional interest charge at the rate of five percent (5%) per annum after 45 days from date of submission of invoice. In addition, if payment by the PMRN RD is not received within 45 days after the date of invoice submission, the CONTRACTOR may suspend services without liability until the PMRN RD has paid in full all amounts due the CONTRACTOR.

13. RETAINAGE. The PMRN RD shall withhold five percent (5%) from each invoice for work completed during the Contract Season until July 1st of the following year or until the CONTRACTOR has completed, at the CONTRACTOR’S sole cost and expense, a second application of herbicide by helicopter on any area determined to be unsuccessfully treated by the General Manager, whichever is the later.

14. INSURANCE. The CONTRACTOR shall not commence work under this Contract until the CONTRACTOR has obtained all insurance required under this Contract, and until written proof of such insurance has been obtained by the CONTRACTOR, submitted to the PMRN RD, and approved by the PMRN RD in writing, such approval not to be withheld or delayed unreasonably. Nor shall the CONTRACTOR allow any subcontractor to commence work on any subcontract until the same insurance requirements have been complied with by each such subcontractor.

15. INSURANCE REQUIREMENTS. At all times during the Contract Seasons provided by this Contract the CONTRACTOR shall provide and maintain the following types of occurrence-based insurance protecting the interest of the PMRN RD and the CONTRACTOR, with limits of liability of not less than those set forth below. Such insurance policies and the policy-issuing companies shall be subject to approval by the PMRN RD.

Endorsement, waiving the carrier’s right of recovery under subrogation or otherwise,
from the PMRNRD. This insurance shall also include “Other States” and “Voluntary

       exclusions deleted;
   iii) Employees as additional insureds;
   iv) Incidental Malpractice;
   v) Extended Bodily Injury; and,

covering all owned, non-owned and hired helicopters and other aircraft used by the
CONTRACTOR, or any of the CONTRACTOR’S subcontractors, for purposes of or in
connection with the CONTRACTOR’S work under this Contract.

e) Limits of Liability for the Liability Insurance described in the subparagraphs (b)
through (d), above, shall be not less than $2,000,000 and limits of liability for all
Subcontractors shall be $2,000,000.
f) All policies of insurance required by this Contract must contain endorsed provisions obligating the respective insurance companies to give not less than thirty (30) days' written notice by certified mail to the PMRNRD prior to the effective date of any cancellation or change which would negate or diminish coverage or limits of such policies, regardless whether such cancellation or change is initiated by the insurance company or by instructions of the insured.

g) All insurance policies obtained by the CONTRACTOR in compliance with the requirements, above, shall name the PMRNRD as a named insured.

h) Within 14 days after this Contract has been executed by the parties, or before the CONTRACTOR commences services under this Contract, whichever is sooner, the CONTRACTOR and all Subcontractors shall furnish Certificates of Insurance satisfactory to the PMRNRD from each carrier evidencing that insurance as required by this Contract is in force. Such certificate shall state the policy number(s), dates of expiration and limits of liability, and shall certify the cancellation or change notice provisions required above. On request of the PMRNRD, the CONTRACTOR shall provide copies of the insurance policies certified on such certificates.

i) The CONTRACTOR shall incorporate the provisions of this paragraph as contractual requirements of any subcontract let by the CONTRACTOR in connection with this Contract, in such manner as to require the same to be done in all tiers of contracts thereunder.

j) Nothing contained in this paragraph shall be construed as limiting the extent of the CONTRACTOR'S responsibility for payment of damages resulting from the CONTRACTOR'S operations under this Contract.

16. INDEMNIFICATIONS. The CONTRACTOR shall defend the PMRNRD and indemnify and hold the PMRNRD harmless from and against all claims and causes of action for damages, losses and expenses arising out of or resulting from the CONTRACTOR'S acts, errors or omissions in performance of work under this Contract.
17. TERMINATION. This Contract may be terminated by the PMRN RD without cause after ninety (90) days' written notice to the CONTRACTOR; or may be terminated by either party upon forty-five (45) days' written notice in the event of a substantial failure of the other party to perform its obligations under this Contract through no fault of the terminating party.

18. GRATUITIES. The CONTRACTOR represents that no gratuities (in the form of entertainment, gifts or otherwise) were offered or given to any officer, agent, employee or representative of the PMRN RD with a view towards securing a contract or securing favorable treatment with respect to the wording, amending or the making of any determination with respect to the performance of this Contract.

19. GOVERNING LAW. This Contract is to be governed by and construed in accordance with the laws of the State of Nebraska.

20. WAIVER OF BREACH. Failure of either party to insist upon strict performance of any of the terms of this Contract or to exercise any right or option conferred herein shall not be construed as a waiver of any such terms, rights or options, but the same shall remain in full force and effect.

21. ASSIGNMENT. This Contract is binding on successors and assigns of both parties, and neither party shall assign any rights under or interest in this Contract without the consent of the other party. The CONTRACTOR may, with the PMRN RD'S consent, employ Subcontractors in the performance of its obligations under this Contract.

22. NONDISCRIMINATION. During the performance of this Contract, the CONTRACTOR shall not discriminate against any employee or applicant for employment because of race, religion, color, sex, national origin or disability.

23. SOVEREIGN IMMUNITY. Nothing in this Contract or in any of the other Contract Documents shall be construed as a waiver of all or any part of, or as in way limiting, the sovereign immunity afforded to Owner pursuant to law.
