Absent: Fowler, Leahy, Tesar

2. **Review and Recommendation on Big Papio Creek Levee Project Culverts Repair Interlocal Agreement with City of Omaha – Martin Cleveland:**

Martin Cleveland briefed the Subcommittee on four culverts needing repair that are located in the Big Papio Creek System that were originally installed by the City of Omaha. The City has acknowledged responsibility for the culverts and agreed to reimburse the District for engineering, rights-of-way, permits, utility relocations, and construction arising out of the repairs. The proposed Interlocal Agreement provides for reimbursement by the City to a maximum amount of $350,000.

- It was moved by Director F. Conley and seconded by Director Thompson that the Subcommittee recommends to the Board of Directors that the General Manager be authorized to execute the Big Papio Creek Levee Channel Project Drainage Structure Interlocal Cooperative Agreement with the City of Omaha, subject to form as approved by District Legal Counsel.
