June 9, 2015

TO: NRD Managers & NARD Board

FROM: Dean E. Edson

RE: NARD 414 (h) Retirement Plan Restatement

In 2015, the NARD 414(h) Retirement Plan will need to be amended and restated. Attached are resolutions related to restating the NARD 414 (h) Plan (the “Plan”). The Plan is being restated to incorporate all language from the three “tag on” amendments that were adopted separately. The NARD Board will act on the resolution on June 15, 2015. Each district will need to subsequently approve their attached resolution to amend and restate the plan.

While we are required to rewrite the document, there are no changes to the plan itself. The rewrite will incorporate the existing document and the three interim amendments that have already been adopted by the Districts. These amendments were adopted between 2008 and 2012 and are as follows:

1. 415 Amendment
2. Pension Protection Act Amendment (PPA)

The re-written documents will include a Plan amendment summary and the Plan trust document with all three amendments included. No additional amendments or changes were made. Also, there have been no required legislative or regulatory changes either. Copies will be provided to you later after all districts and NARD have approved the resolutions to amend and restate.

Once the Plan is approved and adopted by the NARD Board and all Districts, it will be sent to the IRS for continued approval.
RESOLVED, that the District Office, as a Participating Employer in the Plan, hereby consents to the adoption of The Amendment and Restatement of the Nebraska Association of Resources Districts 414(h) Plan (the "Amendment and Restatement") to bring the Plan into compliance with the Pension Protection Act of 2006, other applicable law and guidance and to make certain other adjustments, is hereby authorized and approved;

RESOLVED FURTHER, that the officers and management of the District office be, and they hereby are, authorized and directed to take whatever actions may be necessary to effectuate the foregoing Resolutions including, but not limited to, execution of the restated Plan and the Consent to the Amendment and Restatement, notification of employees and participants of the Plan, and the preparation and distribution of explanatory booklets and materials as necessary; and

RESOLVED FURTHER, that any and all action taken and documentation executed by management or the officers of the District Office to effectuate the foregoing Resolutions and the transactions described therein be, and they hereby are, approved and ratified.

Dated this _______ day of ________________, 2015

NEBRASKA ASSOCIATION OF RESOURCES DISTRICTS
414(H) PLAN

THIS AGREEMENT, hereby made and entered into on the date specified on the signature page by and between Nebraska Association of Resources Districts (herein referred to as the "Employer") and Nebraska Association of Resources Districts (herein referred to as the "Trustee").

WITNESSETH:

WHEREAS, the Employer heretofore established a Money Purchase Pension Plan and Trust effective January 1, 1998, (hereinafter called the "Effective Date") known as Nebraska Association of Resources Districts 414(h) Plan (herein referred to as the "Plan") in recognition of the contribution made to its successful operation by its Employees and for the exclusive benefit of its Eligible Employees; and

WHEREAS, under the terms of the Plan, the Employer has the ability to amend the Plan, provided the Trustee joins in such amendment if the provisions of the Plan affecting the Trustee are amended;

NOW, THEREFORE, effective January 1, 2015, except as otherwise provided herein, the Employer and the Trustee in accordance with the provisions of the Plan pertaining to amendments thereof, hereby amend and restate the Plan and Trust to provide as follows:

ARTICLE I
DEFINITIONS

1.1 "Account" means any separate notational account established and maintained by the Administrator for each Participant under the Plan. The term "Participant's Account" or "Participant's Account Balance" generally means the sum of all Accounts being maintained for the Participant, which represents the Participant's total interest in the Plan. Section 6.8 contains a definition of "Participant's Account Balance" for purposes of that Section. To the extent applicable, a Participant may have any (or all) of the following notational Accounts:

(a) the Employer Contribution Account
(b) the Employee Contribution Account
(c) the Rollover Account
(d) the Transfer Account

1.2 "Administrator" means the Employer unless another person or entity has been designated by the Employer pursuant to Section 2.2 to administer the Plan on behalf of the Employer.

1.3 "Affiliated Employer" means any corporation which is a member of a controlled group of corporations (as defined in Code §414(b)) which includes the Employer; any trade or business (whether or not incorporated) which is under common control (as defined in Code §414(c)) with the Employer; any organization (whether or not incorporated) which is a member of an affiliated service group (as defined in Code §414(m)) which includes the Employer; and any other entity required to be aggregated with the Employer pursuant to Regulations under Code §414(o).

1.4 "Alternate Payee" means an alternate payee pursuant to a qualified domestic relations order that meets the requirements of Code §414(p).

1.5 "Anniversary Date" means the last day of the Plan Year.

1.6 "Annual Additions" means, for purposes of applying the limitations of Code §415, the sum credited to a Participant's Accounts for any Limitation Year of (1) Employer contributions, (2) Employer after-tax contributions, (3) Forfeitures, (4) amounts allocated to an individual medical account, as defined in Code §415(3)(2) which is part of a pension or annuity plan maintained by the Employer, (5) amounts derived from contributions paid or accrued which are attributable to post-retirement medical benefits allocated to the separate account of a key employee (as defined in Code §419A(d)(3)) under a welfare benefit plan (as defined in Code §419(e)) maintained by the Employer and (6) allocations under a simplified employee pension plan.

Annual Additions shall not include restorative payments. A restorative payment is a payment made to restore losses to a Plan resulting from actions by a fiduciary for which there is reasonable risk of liability for breach of a fiduciary duty under applicable federal or state law, where Participants who are similarly situated are treated similarly with respect to the payments. Generally, payments are restorative payments only if the payments are made in order to restore some or all of the Plan's losses due to an action (or a failure to act) that creates a reasonable risk of liability for such a breach of fiduciary duty (other than a breach of fiduciary duty arising from failure to remit contributions to the Plan). This includes payments to the Plan made pursuant to a court-approved settlement, to restore losses to the Plan on account of the breach of fiduciary duty (other than a breach of fiduciary duty arising from failure to remit contributions to the Plan). Payments made to the Plan to make up for losses due merely to market fluctuations and other payments that are not made on account of a reasonable risk of liability for breach of a fiduciary duty are not restorative payments and generally constitute contributions that are considered Annual Additions.
Annual Additions shall not include: (1) The direct transfer of a benefit or employee contributions from a qualified plan to this Plan (unless required by an applicable regulation); (2) rollover contributions (as described in Code §§401(a)(31), 402(c)(1), 403(a)(4), 403(b)(8), 408(d)(3), and 457(c)(16)); (3) repayments of loans made to a Participant from the Plan; or (4) repayments of amounts described in Code §411(a)(7)(B) (in accordance with Code §§411(a)(7)(C)) and 411(a)(3)(D).

1.7 "Annuity Starting Date" means, with respect to any Participant, the first day of the first period for which an amount is paid as an annuity, or, in the case of a benefit not payable in the form of an annuity, the first day on which all events have occurred which entitles the Participant to such benefit.

1.8 "Basic Compensation" means, with respect to any Participant and except as otherwise provided herein, such Participant's wages, salaries, fees for professional services and other amounts (without regard to whether or not an amount is paid in cash) for personal services actually rendered in the course of employment with the Employer maintaining the Plan to the extent that the amounts are includible in gross income as well as amounts that would have been received and includible in taxable compensation but for an election under Code §125(a), Code §132(f)(4), Code §402(e)(3), Code §402(h)(1)(B), Code §402(k), or Code §457(b), plus, effective for Compensation Computation Periods beginning on or after January 1, 2009, Military Differential Pay. Compensation shall also include amounts commissions paid salesmen, compensation for services on the basis of a percentage of profits, commissions on insurance premiums, tips, bonuses, fringe benefits, and reimbursements or other expense allowances under a nonaccountable plan as described in Regulation §1.62-2(c)).

Basic Compensation shall exclude: (1) contributions made by the Employer to a plan of deferred compensation (other than elective contributions described in Code §402(e)(3), Code §408(c)(6), Code §408(p)(2)(A)(i), or Code §457(b)) to the extent that the contributions are not includible in the gross income of the Participant for the taxable year in which contributed; (2) Employer contributions made on behalf of an Employee to a simplified employee pension plan described in Code §408(k), to the extent such contributions are excludable from the Employee's gross income; (3) any distributions from a plan of deferred compensation; (4) amounts realized from the exercise of a non-qualified stock option, or when restricted stock (or property) held by an Employee either becomes freely transferable or is no longer subject to a substantial risk of forfeiture; (5) amounts realized from the sale, exchange or other disposition of stock acquired under a qualified stock option; and (6) other amounts which receive special tax benefits, or contributions made by the Employer (whether or not under a salary deferral agreement) towards the purchase of any annuity contract described in Code §403(b) (whether or not the contributions are actually excludable from the gross income of the Employee).

Basic Compensation for any Self-Employed Individual (with respect to the Employer maintaining the Plan) shall be equal to such individual's Earned Income.

Basic Compensation shall not include amounts paid as Compensation to a nonresident alien, as defined in Code §7701(b)(1)(B), who is not a Participant in the Plan to the extent the compensation is excludable from gross income and is not effectively connected with the conduct of a trade or business within the United States.

1.9 "Beneficiary" means the person (or entity) to whom the share of a deceased Participant's interest in the Plan is payable. In addition, Section 6.8 ("Minimum Required Distributions") contains a definition of "designated Beneficiary" for purposes of that Section.

1.10 "Code" means the Internal Revenue Code of 1986, as amended or replaced from time to time.

1.11 "Compensation" means a Participant's Basic Compensation, adjusted by this Section, actually paid during the Compensation Computation Period, adjusted as follows:

(a) excluding (even if includible in gross income) reimbursements or other expense allowances, fringe benefits (cash or noncash), moving expenses, deferred compensation, and welfare benefits.

(b) excluding Compensation paid before becoming a Participant.

(c) effective for Plan Years beginning on or after July 1, 2007, including the following adjustments for amounts that are paid after a Participant's severance from employment with the Employer.

(1) Regular pay. Compensation shall include regular pay after severance of employment if paid by the later of 2 1/2 months after a Participant's severance from employment with the Employer or the end of the Limitation Year that includes the date of the Participant's severance from employment with the Employer, and if:

(i) The payment is regular compensation for services during the Participant's regular working hours, or compensation for services outside the Participant's regular working hours (such as overtime or shift differential), commissions, bonuses, or other similar payments; and

(ii) The payment would have been paid to the Participant prior to a severance from employment if the Participant had continued in employment with the Employer.

(2) Leave cashouts. Compensation shall include post-severance leave cash-outs paid by the later of 2 1/2 months after a Participant's severance from employment with the Employer or the end of the Limitation Year that includes the date of the Participant's severance from employment with the Employer if those amounts would have been included in the definition of
Compensation if they were paid prior to the Participant's severance from employment with the Employer, and the amounts are for unused accrued bona fide sick, vacation, or other leave, but only if the Participant would have been able to use the leave if employment had continued.

(3) **Deferred Compensation.** Compensation shall include post-severance deferred compensation paid by the later of 2 1/2 months after a Participant's severance from employment with the Employer or the end of the Limitation Year that includes the date of the Participant's severance from employment with the Employer if those amounts would have been included in the definition of Compensation if they were paid prior to the Participant's severance from employment with the Employer maintaining the Plan, and the amounts are received pursuant to a nonqualified unfunded deferred compensation plan, but only if the payment would have been paid if the Participant had continued in employment with the Employer and only to the extent that the payment is includible in the Participant's gross income.

(d) **Dollar Limitation.** Compensation in excess of $200,000 (or such other amount provided in the Code) shall be disregarded for all purposes. Such amount shall be adjusted for increases in the cost-of-living in accordance with Code §401(a)(17)(B), except that the dollar increase in effect on January 1 of any calendar year shall be effective for the Compensation Computation Period beginning with or within such calendar year. For any "determination period" of less than twelve (12) months, the Compensation Limit shall be an amount equal to the Compensation Limit for the calendar year in which the "determination period" begins multiplied by the ratio obtained by dividing the number of full months in the short "determination period" by twelve (12). A "determination period" is not less than twelve (12) months solely because a Participant's Compensation does not include Compensation paid during a "determination period" while the Participant was not a Participant in the Plan.

For purposes of determining allocations in a Plan Year beginning after December 31, 2001, Compensation for any prior determination period shall be limited to.

(e) **Non-eligible Employee.** If any Employees are excluded from the Plan, then Compensation for any such Employees who become eligible or cease to be eligible to participate in the Plan during a Plan Year shall only include Compensation while such Employees are Eligible Employees of the Plan.

(f) **Amendment.** If, in connection with the adoption of any amendment, the definition of Compensation has been modified, then, except as otherwise provided herein, for Plan Years prior to the Plan Year which includes the adoption date of such amendment, Compensation means compensation determined pursuant to the terms of the Plan then in effect.

1.12 "Compensation Computation Period" means the Plan Year.

1.13 "Contract" or "Policy" means any life insurance policy, retirement income policy or annuity contract (group or individual) issued pursuant to the terms of the Plan. In the event of any conflict between the terms of this Plan and the terms of any contract purchased hereunder, the Plan provisions shall control.

1.14 "Custodian" means a person or entity that has custody of all or any portion of the Plan assets.

1.15 "Directed Account" means that portion of a Participant's interest in the Plan with respect to which the Participant has directed the investment in accordance with the Participant Direction Procedures.

1.16 "Disability" means a physical or mental condition of a Participant resulting from bodily injury, disease, or mental disorder which renders such Participant incapable of continuing any gainful occupation and which condition constitutes total disability under the federal Social Security Acts.

1.17 "Early Retirement Date" means the first day of the month (prior to the Normal Retirement Date) coinciding with or next following the date on which a Participant attains age 55, and has completed at least five (5) Periods of Service for eligibility with the Employer ("early retirement age"). A Participant shall become fully Vested upon satisfying this requirement if still employed at "early retirement age."

A Participant who separates from service after satisfying any service requirement but before satisfying the age requirement for "early retirement age" and who thereafter reaches the age requirement contained herein shall be entitled to receive benefits under this Plan (other than any accelerated vesting and allocations of Employer contributions) as though the requirements for "early retirement age" had been satisfied.

1.18 "Earned Income" means with respect to a Self-Employed Individual, the net earnings from self-employment in the trade or business with respect to which the Plan is established, for which the personal services of the individual are a material income-producing factor. For this purpose, a self-employed individual means a sole proprietor who owns the entire interest in the Employer or a partner (or member in the case of a limited liability company treated as a partnership or sole proprietorship for federal income tax purposes) who owns more than ten percent (10%) of either the capital interest or the profits interest in the Employer and who receives income for personal services from the Employer. Net earnings will be determined without regard to items not included in gross income and the deductions allocable to such items. Net earnings are reduced by contributions by the Self-Employed Individual to a qualified Plan to the extent deductible under Code §401. In addition, net earnings shall be determined with regard to the deduction allowed to the Self-Employed Individual by Code §164(f).
However, to the extent that the amount of "includible compensation" for "common law participants" includes any amount which is contributed by the Employer at the election of the Participant pursuant to a salary deferral agreement and which is not includible in the gross income of the Participant by reason of Code §125, Code §132(d)(4), Code §402(e)(3), Code §402(b)(1)(B), Code §402(k) or Code §457(h), and employee contributions described in Code §414(b)(2) that are treated as Employer contributions, then those amounts shall be added back to Earned Income after making the adjustment described in the preceding paragraph.

1.20 "Eligible Employee" means any Employee, except as provided below, and except as provided in any other particular provision for the limited purposes of such provision. The following Employees shall not be eligible to participate in this Plan:

(a) Employees of Affiliated Employers, unless such Affiliated Employers have specifically adopted this Plan in writing.

(b) An individual shall not be an Eligible Employee if such individual is not reported on the payroll records of the Employer as a common law employee. In particular, it is expressly intended that individuals not treated as common law employees by the Employer on its payroll records and out-sourced workers, are neither Employees nor Eligible Employees, and are excluded from Plan participation even if a court or administrative agency determines that such individuals are common law employees and not independent contractors. However, this paragraph shall not apply to partners or other Self-Employed Individuals unless the Employer treats them as independent contractors.

(c) Unless or until otherwise provided, Employees who become Employees as the result of a "Code §410(b)(6)(C) transaction" will not be Eligible Employees until the expiration of the transition period beginning on the date of the transaction and ending on the last day of the first Plan Year beginning after the date of the transaction. A Code §410(b)(6)(C) transaction is an asset or stock acquisition, merger, or similar transaction involving a change in the Employer of the Employees of a trade or business that is subject to the special rules set forth in Code §410(b)(6)(C).

(d) Employees who are not classified as regular full-time employee or regular part-time employee scheduled to work a minimum of 20 hours each week.

1.21 "Employee" means any common law employee, Self-Employed Individual, Leased Employee or other person to the extent that the Code treats such an individual as an employee of the Employer for purposes of the Plan, such as (for certain purposes) any person who is employed by an Affiliated Employer.

1.21A "Employee Contribution" means the annual Employee contribution described in Section 4.1.

1.21B "Employee Contribution Account" means the separate account established and maintained by the Administrator for each Participant with respect to the Participant’s total interest in the Plan resulting from Employee Contributions.

1.22 "Employer" means Nebraska Association of Resources Districts (also known as the signatory Employer) and any successor which shall maintain this Plan; and any predecessor which has maintained this Plan. The Employer is an entity, with principal offices in the State of Nebraska. In addition, where appropriate, the term Employer shall include any Participating Employer.

1.22A "Employer Contribution" means the annual Employer contribution described in Section 4.1.

1.22B "Employer Contribution Account" means the separate account established and maintained by the Administrator for each Participant with respect to the Participant’s total interest in the Plan resulting from Employer Contributions.

1.23 "Fiduciary" means any person who (a) exercises any discretionary authority or discretionary control respecting management of the Plan or exercises any authority or control respecting management or disposition of its assets, (b) renders investment advice for a fee or other compensation, direct or indirect, with respect to any monies or other property of the Plan or has any authority or responsibility to do so, or (c) has any discretionary authority or discretionary responsibility in the administration of the Plan.

1.24 "Fiscal Year" means the Employer’s accounting year.

1.25 "Forfeiture" means that portion of a Participant’s Account that is not Vested, and which becomes a Forfeiture at the time described below:

The earlier of:

(a) the distribution of the entire Vested portion of the Participant’s Account of a Participant who has severed employment with the Employer. For purposes of this provision, if the Participant has a Vested benefit of zero (determined without regard to the Participant’s Rollover Account), then such Participant shall be deemed to have received a distribution of such Vested benefit as of the date on which the severance of employment occurs, or

(b) the last day of the Plan Year in which a Participant who has severed employment with the Employer incurs five (5) consecutive 1-Year Breaks in Service.
In addition, the term "Forfeiture" shall also include amounts deemed to be Forfeitures pursuant to any other provisions of this Plan.

Regardless of the preceding provisions, if a Participant is eligible to share in the allocation of Forfeitures in the year in which the Forfeiture would otherwise occur, then the Forfeiture will not occur until the end of the subsequent Plan Year.

For purposes of this Plan, any Forfeiture will be disposed of not later than the end of the Plan Year following the Plan Year in which the Forfeiture occurred.

1.26 "Former Employee" means an Employee who has severed employment with the Employer or an Affiliated Employer.

1.27 "415 Compensation" means the Participant's Basic Compensation during the Compensation Computation Period as adjusted by this Section.

(a) Post-Severance Pay. Effective for Limitation Years beginning on or after July 1, 2007, 415 Compensation shall include payments paid after severance from employment that, absent a severance from employment, would have been paid to the Employee had the Employee continued in employment with the Employer to the extent that such amounts are described below:

(1) Post-severance regular pay. 415 Compensation shall include regular pay after severance of employment if the payment is regular compensation for services during the Participant's regular working hours, or compensation for services outside the Participant's regular working hours (such as overtime or shift differential), commissions, bonuses, or other similar payments, and such amounts are paid by the later of 2 1/2 months after severance from employment or by the end of the Limitation Year that includes the date of such severance from employment.

(2) Post-severance leave cash-outs. Leave cash-outs shall be included in 415 Compensation if those amounts would have been included in the definition of 415 Compensation if they were paid prior to the Participant's severance from employment, and the amounts are payment for unused accrued bona fide sick, vacation, or other leave, but only if the Participant would have been able to use the leave if employment had continued, and such amounts are paid by the later of 2 1/2 months after severance from employment or by the end of the Limitation Year that includes the date of such severance from employment.

(3) Post-severance deferred compensation. In addition, deferred compensation shall be included in 415 Compensation if the compensation would have been included in the definition of 415 Compensation if it had been paid prior to the Participant's severance from employment, and the compensation is received pursuant to a nonqualified unfunded deferred compensation plan, but only if the payment would have been paid at the same time if the Participant had continued in employment with the Employer and only to the extent that the payment is includible in the Participant's gross income, and such amounts are paid by the later of 2 1/2 months after severance from employment or by the end of the Limitation Year that includes the date of such severance from employment.

1.28 "414(s) Compensation" means 415 Compensation or any other definition of compensation that satisfies the nondiscrimination requirements of Code §414(s) and the Regulations thereunder. The period for determining 414(s) Compensation must be the Plan Year or some other uniform 12-month period ending in the Plan Year. An Employer may further limit the period taken into account to that part of the Plan Year (or other 12-month period described in the preceding sentence) in which an Employee was a Participant. The period used to determine 414(s) Compensation must be applied uniformly to all Participants for the Plan Year.

1.29 RESERVED.

1.30 RESERVED.

1.31 "Hour of Service" means (1) each hour for which an Employee is directly or indirectly compensated or entitled to Compensation by the Employer for the performance of duties (these hours will be credited to the Employee for the computation period in which the duties are performed); (2) each hour for which an Employee is directly or indirectly compensated or entitled to compensation by the Employer (irrespective of whether the employment relationship has terminated) for reasons other than performance of duties (such as vacation, holidays, sickness, jury duty, disability, lay-off, military duty or leave of absence) during the applicable computation period (these hours will be calculated and credited pursuant to Department of Labor regulation §2530.200b-2, which is incorporated herein by reference); (3) each hour for which back pay is awarded or agreed to by the Employer without regard to mitigation of damages (these hours will be credited to the Employee for the computation period or periods to which the award or agreement pertains rather than the computation period in which the award, agreement or payment is made). The same Hours of Service shall not be credited both under (1) or (2), as the case may be, and under (3).

Notwithstanding (2) above, (i) no more than 501 Hours of Service will be credited to an Employee on account of any single continuous period during which the Employee performs no duties (whether or not such period occurs in a single computation period); (ii) an hour for which an Employee is directly or indirectly paid, or entitled to payment, on account of a period during which no duties are performed is not required to be credited to the Employee if such payment is made or due under a plan maintained solely for the purpose of complying with applicable worker's compensation, or unemployment compensation or disability insurance laws; and (iii) Hours of Service are not required to be credited for a payment which solely reimburses an Employee for medical or medically related expenses incurred by the Employee.
For purposes of (2) above, a payment shall be deemed to be made by or due from the Employer regardless of whether such payment is made by or due from the Employer directly, or indirectly through, among others, a trust fund, or insurer, to which the Employer contributes or pays premiums and regardless of whether contributions made or due to the trust fund, insurer, or other entity are for the benefit of particular Employees or are on behalf of a group of Employees in the aggregate.

For purposes of this Section, Hours of Service will be credited for employment with any Affiliated Employers. The provisions of Department of Labor regulations §§2530.200b-2(b) and (c) are incorporated herein by reference.

1.32 "Investment Manager" means any Fiduciary described in Section 2.1(b).

1.33 "Late Retirement Date" means the first day of the month coinciding with or next following a Participant's actual Retirement Date after having reached Normal Retirement Date.

1.34 "Leased Employee" means any person (other than an Employee of the recipient Employer) who, pursuant to an agreement between the recipient Employer and any other person or entity ("leasing organization"), has performed services for the recipient (or for the recipient and related persons determined in accordance with Code §414(n)(5)) on a substantially full time basis for a period of at least one year, and such services are performed under primary direction or control by the recipient Employer. Contributions or benefits provided a Leased Employee by the leasing organization which are attributable to services performed for the recipient Employer shall be treated as provided by the recipient Employer. Furthermore, Compensation for a Leased Employee shall only include Compensation from the leasing organization that is attributable to services performed for the recipient Employer.

1.35 "Limitation Year" means the Plan Year. All qualified plans maintained by the Employer must use the same Limitation Year. Furthermore, unless there is a change to a new Limitation Year, the Limitation Year will be a twelve (12) consecutive month period. In the case of an initial Limitation Year, the Limitation Year will be the twelve (12) consecutive month period ending on the last day of the Initial Plan Year. If the Limitation Year is amended to a different twelve (12) consecutive month period, the new Limitation Year must begin on a date within the Limitation Year in which the amendment is made. For Limitation Years beginning on and after July 1, 2007, the Limitation Year may only be changed by a Plan amendment. Furthermore, if the Plan is terminated effective as of a date other than the last day of the Plan's Limitation Year, then the Plan is treated as if the Plan had been amended to change its Limitation Year (to end on the date of plan termination).

1.36 "Military Differential Pay" means, for any Plan or Limitation Year beginning after June 30, 2007, any differential wage payments made to an individual that represents an amount which, when added to the individual's military pay, approximates the amount of compensation that was paid to the individual while working for the Employer. Notwithstanding the preceding sentence, for years beginning after December 31, 2008, an individual receiving a differential wage payment, as defined by Code §3401(h)(2), is treated as an Employee of the Employer making the payment.

The Plan is not treated as failing to meet the requirements of any provision described in Code §414(u)(1)(C) (or corresponding plan provisions) by reason of any contribution or benefit which is based on the differential wage payment. The preceding sentence applies only if all Employees of the Employer performing service in the uniformed services described in Code §3401(h)(2)(A) are entitled to receive differential wage payments (as defined in Code §3401(h)(2)) on reasonably equivalent terms and, if eligible to participate in a retirement plan maintained by the Employer, to make contributions based on the payments on reasonably equivalent terms (taking into account Code §§410(b)(3), (4), and (5)).

1.37 RESERVED.

1.38 RESERVED.

1.39 RESERVED.

1.40 RESERVED.

1.41 "Normal Retirement Age" means the Participant's 59 1/2 birthday. A Participant shall become fully Vested in the Participant's Account upon attaining Normal Retirement Age (if the Participant is still employed by the Employer on or after that date).

1.42 "Normal Retirement Date" means the first day of the month coinciding with or next following the Participant's Normal Retirement Age.

1.43 "1-Year Break in Service" means a Period of Severance of at least 12 consecutive months.

1.44 "Participant" means any Employee or Former Employee who has satisfied the requirements of Sections 3.1 and 3.2 and entered the Plan and is eligible to accrue benefits under the Plan. In addition, the term "Participant" also includes any individual who was a Participant (as defined in the preceding sentence) and who must continue to be taken into account under a particular provision of the Plan (e.g., because the individual has an Account Balance in the Plan).

1.45 "Participant Directed Procedures" means such instructions, guidelines or policies, the terms of which are incorporated herein, as shall be established pursuant to Section 4.7 and observed by the Administrator and applied to Participants who have Participant Directed Accounts.
"Participating Employer" means an Employer who adopts the Plan pursuant to Section 10.1.

"Period of Service" means the aggregate of all periods of service commencing with the Employee's first day of employment or reemployment with the Employer or Affiliated Employer and ending on the date a 1-Year Break in Service begins. The first day of employment or reemployment is the first day the Employee performs an Hour of Service. An Employee who incurs a Period of Severance of twelve (12) months or less will also receive service-spanning credit by treating any such period as a Period of Service for purposes of eligibility and vesting (but not benefit accrual). For purposes of benefit accrual, a Participant's whole year Periods of Service is equal to the sum of all full and partial periods of service, whether or not such service is continuous or contiguous, expressed in the number of whole years represented by such sum, and for this purpose, fractional periods of a year will be expressed in terms of days.

Periods of Service with any Affiliated Employer shall be recognized. Furthermore, Periods of Service with any predecessor employer that maintained this Plan shall be recognized.

In the event the method of crediting service is amended from the hour-of-service method to the elapsed-time method, an Employee will receive credit for a Period of Service consisting of:

(a) A number of years equal to the number of Years of Service credited to the Employee before the computation period during which the amendment occurs; and

(b) The greater of (1) the Periods of Service that would be credited to the Employee under the elapsed-time method for service during the entire computation period in which the amendment occurs or (2) the service taken into account under the hour-of-service method as of the date of the amendment.

In addition, the Employee will receive credit for service subsequent to the amendment commencing on the day after the last day of the computation period in which the amendment occurs.

"Period of Severance" means a continuous period of time during which an Employee is not employed by the Employer. Such period begins on the date the Employee retires, quits or is discharged, or if earlier, the twelve (12) month anniversary of the date on which the Employee was otherwise first absent from service.

In the case of an individual who is absent from work for maternity or paternity reasons, the twelve (12) consecutive month period beginning on the first anniversary of the first day of such absence shall not constitute a 1-Year Break in Service. For purposes of this paragraph, an absence from work for maternity or paternity reasons means an absence (a) by reason of the pregnancy of the individual, (b) by reason of the birth of a child of the individual, (c) by reason of the placement of a child with the individual in connection with the adoption of such child by such individual, or (d) for purposes of caring for such child for a period beginning immediately following such birth or placement.

"Plan" means this instrument, including all amendments thereto.

"Plan Year" means the Plan's accounting year of twelve (12) months commencing on January 1 of each year and ending the following December 31.

"Pre-Retirement Survivor Annuity (Account)" means an immediate annuity for the life of the Participant's Spouse, the payments under which must be equal to the benefit which can be purchased with the accounts of a Participant. The Pre-Retirement Survivor Annuity Account shall be that portion of the Participant's Account that is subject to the annuity requirements described in the preceding sentence.

"Qualified Military Service" means military service described by Code §414(u). Notwithstanding any provision of this Plan to the contrary, contributions, benefits and service will be provided in accordance with Code §414(u).

"Regulation" means the Income Tax Regulations as promulgated by the Secretary of the Treasury or a delegate of the Secretary of the Treasury, and as amended from time to time.

"Retirement Date" means the date as of which a Participant retires for reasons other than Disability, whether such retirement occurs on a Participant's Normal Retirement Date, Early or Late Retirement Date.

"Rollover Account" means the separate account established and maintained by the Administrator for each Participant with respect to such Participant's interest in the Plan resulting from amounts that are rolled over from a qualified plan (including this Plan) or Individual Retirement Account in accordance with Section 4.6. Amounts in the Rollover Account are nonforfeitable when made.

"Self-Employed Individual" means an individual who has Earned Income for the taxable year from the trade or business for which the Plan is established, and, also, an individual who would have had Earned Income but for the fact that the trade or business had no net profits for the taxable year. A Self-Employed Individual shall be treated as an Employee.

"Spouse" means, a spouse as determined under federal tax law.
1.58 "Terminated Participant" means a person who has been a Participant, but whose employment has been terminated other than by death, Disability or retirement.

1.59 "Total Vested Benefit" means the total Participant's Vested Account balances derived from Employer and Employee Contributions, including rollover contributions, whether Vested before or upon death.

1.60 "Transfer Account" means the separate account established and maintained by the Administrator for each Participant with respect to the Participant's total interest in the Plan resulting from amounts transferred to or merged into this Plan from a direct plan-to-plan transfer in accordance with Section 4.5.

1.61 "Trustee" means the person or entity named as trustee herein or in any separate trust forming a part of this Plan, and any successors, effective upon the written acceptance of such person or entity to serve as Trustee.

1.62 "Trust Fund" means the assets of the Plan and Trust as the same shall exist from time to time.

1.63 "Valuation Date" means the Anniversary Date and may include any other date or dates deemed necessary or appropriate by the Administrator for the valuation of the Participants' Accounts during the Plan Year, which may include any day that the Trustee, any transfer agent appointed by the Trustee or the Employer or any stock exchange used by such agent, is open for business. Nothing in this Plan requires or implies a uniform Valuation Date for all Accounts; thus certain valuation provisions that apply to an Account that is not valued on each business day will have no application, in operation, to an Account that is valued on each business day.

1.64 "Vested" means the nonforfeitable portion of any account maintained on behalf of a Participant.

ARTICLE II
ADMINISTRATION

2.1 POWERS AND RESPONSIBILITIES OF THE EMPLOYER

(a) Appointment of Trustee and Administrator. In addition to the general powers and responsibilities otherwise provided for in this Plan, the Employer shall be empowered to appoint and remove the Trustee and/or the Administrator from time to time as it deems necessary for the proper administration of the Plan to ensure that the Plan is being operated for the exclusive benefit of the Participants and their Beneficiaries in accordance with the terms of the Plan and the Code. The Employer may appoint counsel, specialists, advisers, agents (including any nonfiduciary agent) and other persons as the Employer deems necessary or desirable in connection with the exercise of its fiduciary duties under this Plan. The Employer may compensate such agents or advisers from the assets of the Plan as fiduciary expenses (but not including any business (settlor) expenses of the Employer), to the extent not paid by the Employer.

(b) Appointment of Investment Manager. The Employer may appoint, at its option, an Investment Manager (qualified under the Investment Company Act of 1940 as amended), investment adviser, or other agent to provide investment direction to the Trustee with respect to any or all of the Plan assets. Such appointment shall be given by the Employer in writing in a form acceptable to the Trustee and shall specifically identify the Plan assets with respect to which the Investment Manager or other agent shall have authority to direct the investment.

2.2 DESIGNATION OF ADMINISTRATIVE AUTHORITY

The Employer may appoint any person, including, but not limited to, the Employees of the Employer, to perform the duties of the Administrator. Any person so appointed shall signify acceptance by filing written acceptance with the Employer. Upon the resignation or removal of any individual performing the duties of the Administrator, the Employer may designate a successor.

2.3 ALLOCATION AND DELEGATION OF RESPONSIBILITIES

If more than one person is serving as Administrator, the responsibilities of each Administrator may be specified by the Employer and accepted in writing by each Administrator. In the event that no such delegation is made by the Employer, the Administrators may allocate the responsibilities among themselves, in which event the Administrators shall notify the Employer and the Trustee in writing of such action and specify the responsibilities of each Administrator. The Trustee thereafter shall accept and rely upon any documents executed by the appropriate Administrator until such time as the Employer or the Administrators file with the Trustee a written revocation of such designation.

2.4 POWERS AND DUTIES OF THE ADMINISTRATOR

The primary responsibility of the Administrator is to administer the Plan for the exclusive benefit of the Participants and their Beneficiaries, subject to the specific terms of the Plan. The Administrator shall administer the Plan in accordance with its terms and shall have the power and discretion to construe the terms of the Plan and to determine all questions arising in connection with the administration, interpretation, and application of the Plan. Benefits under this Plan will be paid only if the Administrator decides in its discretion that the applicant is entitled to them. Any such determination by the Administrator shall be conclusive and binding upon all persons. The Administrator may establish procedures, correct any defect, supply any information, or reconcile any inconsistency in such manner and to such extent as shall be deemed necessary or advisable to carry out the purpose of the Plan; provided, however, that any procedure, discretionary act, interpretation or construction shall be done in a nondiscriminatory manner based upon uniform principles consistently
applied and shall be consistent with the intent that the Plan shall continue to be deemed a qualified plan under the terms of Code §401(a). The Administrator shall have all powers necessary or appropriate to accomplish the Administrator’s duties under the Plan.

The Administrator shall be charged with the duties of the general administration of the Plan as set forth under the terms of the Plan, including, but not limited to, the following:

(a) the discretion to determine all questions relating to the eligibility of Employees to participate or remain a Participant hereunder and to receive benefits under the Plan;

(b) the authority to review and settle all claims against the Plan, including claims where the settlement amount cannot be calculated or is not calculated in accordance with the Plan’s contribution or allocation formula. This authority specifically permits the Administrator to settle disputed claims for benefits and any other disputed claims made against the Plan;

(c) to compute, certify, and direct the Trustee with respect to the amount and the kind of benefits to which any Participant shall be entitled hereunder;

(d) to authorize and direct the Trustee with respect to all discretionary or otherwise directed disbursements from the Trust Fund;

(e) to maintain all necessary records for the administration of the Plan;

(f) to interpret the provisions of the Plan and to make and publish such rules for regulation of the Plan as are consistent with the terms hereof;

(g) to determine the size and type of any Contract to be purchased from any insurer, and to designate the insurer from which such Contract shall be purchased;

(h) to compute and certify to the Employer and to the Trustee from time to time the sums of money necessary or desirable to be contributed to the Plan;

(i) to consult with the Employer and the Trustee regarding the short and long-term liquidity needs of the Plan in order that the Trustee can exercise any investment discretion (if the Trustee has such discretion) in a manner designed to accomplish specific objectives;

(j) to prepare and implement a procedure for notifying Participants and Beneficiaries of their rights, if any, to elect joint and survivor annuities and pre-retirement survivor annuities as required by the Plan, Code and Regulations thereunder;

(k) to determine the validity of, and take appropriate action with respect to, any qualified domestic relations order received by it; and

(l) to assist any Participant regarding the Participant’s rights, benefits, or elections available under the Plan.

2.5 RECORDS AND REPORTS

The Administrator shall keep a record of all actions taken and shall keep all other books of account, records, policies, and other data that may be necessary for proper administration of the Plan and shall be responsible for supplying all information and reports to the Internal Revenue Service, Participants, Beneficiaries and others as required by law.

2.6 APPOINTMENT OF ADVISERS

The Administrator, or the Trustee with the consent of the Administrator, may appoint counsel, specialists, advisers, agents (including nonfiduciary agents) and other persons as the Administrator or the Trustee deems necessary or desirable in connection with the administration of this Plan, including but not limited to agents and advisers to assist with the administration and management of the Plan, and thereby to provide, among such other duties as the Administrator may appoint, assistance with maintaining Plan records and the providing of investment information to the Plan’s investment fiduciaries and to Plan Participants.

2.7 INFORMATION FROM EMPLOYER

The Employer shall supply full and timely information to the Administrator on all pertinent facts as the Administrator may require in order to perform its function hereunder and the Administrator shall advise the Trustee of such of the foregoing facts as may be pertinent to the Trustee’s duties under the Plan. The Administrator may rely upon such information as is supplied by the Employer and shall have no duty or responsibility to verify such information.

2.8 PAYMENT OF EXPENSES

All reasonable expenses of administration may be paid out of the Plan assets unless paid by the Employer. Such expenses shall include any expenses incident to the functioning of the Administrator, or any person or persons retained or appointed by any named Fiduciary incident to the exercise of their duties under the Plan, including, but not limited to, fees of accountants, counsel, Investment Managers, agents (including nonfiduciary agents) appointed for the purpose of assisting the Administrator or the Trustee in carrying out the
instructions of Participants as to the directed investment of their accounts (if permitted) and other specialists and their agents, and other costs of administering the Plan. Until paid, the expenses shall constitute a liability of the Trust Fund. In addition, unless specifically prohibited under statute, regulation or other guidance of general applicability, the Administrator may charge to the Account of an individual Participant a reasonable charge to offset the cost of making a distribution to the Participant, Beneficiary, or Alternate Payee. If liquid assets of the Plan are insufficient to cover the fees of the Trustee or the Administrator, then Plan assets shall be liquidated to the extent necessary for such fees. In the event any part of the Plan assets becomes subject to tax, all taxes incurred will be paid from the Plan assets. Until paid, the expenses shall constitute a liability of the Trust Fund.

2.9 MAJORITY ACTIONS

Except where there has been an allocation and delegation of administrative authority pursuant to Section 2.3, if there is more than one Administrator, then they shall act by a majority of their number, but may authorize one or more of them to sign all papers on their behalf. Alternatively, the Administrators may allocate authority amongst themselves in a written document signed by all Administrators.

ARTICLE III
ELIGIBILITY

3.1 CONDITIONS OF ELIGIBILITY

(a) **Eligibility.** Any Eligible Employee who has completed a six (6) month Period of Service and has attained age 19 shall be eligible to participate hereunder as of the date such Employee has satisfied such requirements. However, any Employee who was a Participant in the Plan prior to the Effective Date of the Restatement shall continue to participate in the Plan provided such Employee is an Eligible Employee.

3.2 EFFECTIVE DATE OF PARTICIPATION

(a) **Effective date of participation.** An Eligible Employee shall become a Participant effective as of the first day of the month (or if sooner, the first day of the Plan Year) coinciding with or next following the date on which such Employee met the eligibility requirements of Section 3.1, provided said Employee is still employed as of such date. If an Eligible Employee is not employed as of such date, the Eligible Employee's Effective Date of Participation shall be determined in accordance with Section 3.2(e).

(b) **Latest effective date of participation.** Notwithstanding any provision in the Plan to the contrary, an Eligible Employee who has satisfied the minimum age and service requirements of Code §410(a)(1)(A) (including the rule at Code §410(a)(1)(B)(i)) and who is otherwise entitled to participate, will become a Participant no later than the earlier of (1) six (6) months after such requirements are satisfied, or (2) the first day of the first Plan Year after such requirements are satisfied, unless the Employee separates from service before such participation date.

(c) **Ineligible to eligible classification.** If an Employee, who has satisfied the Plan's eligibility requirements and would otherwise have become a Participant of the Plan, shall go from a classification of an ineligible Employee to an Eligible Employee, such Employee shall become a Participant of the Plan on the date such Employee becomes an Eligible Employee or, if later, the date that the Employee would have otherwise entered the Plan had the Employee always been an Eligible Employee.

(d) **Eligible to ineligible classification.** If an Employee who has satisfied the Plan's eligibility requirements and would otherwise become a Participant of the Plan shall go from a classification of an Eligible Employee to an ineligible class of Employees, such Employee shall become a Participant of the Plan on the date such Employee again becomes an Eligible Employee, or, if later, the date that the Employee would have otherwise entered the Plan had the Employee always been an Eligible Employee. However, if such Employee incurs five (5) consecutive 1-Year Breaks in Service, eligibility will be determined under the Break in Service rules set forth in Section 3.5(d).

(e) **Effective date of participation upon reemployment.** If an Eligible Employee is not employed on the Effective Date of Participation as described in the preceding provisions of this Section 3.2, but is reemployed before a 5-Year Break in Service, then such Eligible Employee shall become a Participant on the date of reemployment, or, if later, the date that the Employee would have otherwise entered the Plan had the Employee not terminated employment. If such Employee incurs five (5) consecutive 1-Year Breaks in Service, eligibility will be determined under the Break in Service rules set forth in Section 3.5(d).

3.3 DETERMINATION OF ELIGIBILITY

The Administrator shall determine the eligibility of each Employee for participation in the Plan based upon information furnished by the Employer. Such determination shall be conclusive and binding upon all persons, as long as the same is made pursuant to the Plan.

3.4 CESSATION OF ELIGIBILITY

In the event a Participant shall go from a classification of an Eligible Employee to an ineligible Employee, then such Participant shall continue to Vest for each Period of Service completed while an ineligible Employee, until such time as the Participant's Account is forfeited or distributed pursuant to the terms of the Plan. Additionally, the Participant's interest in the Plan shall continue to share in the earnings of the Trust Fund.
3.5 REHIRED EMPLOYEES AND BREAKS IN SERVICE

(a) Rehired Participant/immediate re-entry. If any Former Employee who had been a Participant is reemployed by the Employer, then the Employee shall become a Participant as of the reemployment date, unless the Employee is not an Eligible Employee, or the Employee does not satisfy the eligibility conditions taking into account prior service to the extent such prior service is not disregarded pursuant to Section 3.5(d) below. If all such prior service is disregarded, then the rehired Eligible Employee shall be treated as a new hire.

(b) Rehired Eligible Employee who satisfied eligibility. If any Eligible Employee had satisfied the Plan's eligibility requirements but, due to a severance of employment, did not become a Participant, then such Eligible Employee shall become a Participant as of the later of (1) the entry date on which he or she would have entered the Plan had there been no severance of employment, or (2) the date of his or her re-employment. Notwithstanding the preceding, if the rehired Eligible Employee's prior service is disregarded pursuant to Section 3.5(d) below, then the rehired Eligible Employee shall be treated as a new hire.

(c) Rehired Eligible Employee who had not satisfied eligibility. If any Eligible Employee who had not satisfied the Plan's eligibility requirements is rehired after a severance from employment, then such Eligible Employee shall become a Participant in the Plan in accordance with the eligibility requirements set forth in Section 3.1 and the entry date requirement set forth in Section 3.2. However, in applying any shift in an eligibility computation period, the Eligible Employee is not treated as a new hire unless prior service is disregarded in accordance with Section 3.5(d) below.

(d) Rule of parity for eligibility and vesting. In the case of a Former Employee who under the Plan does not have a nonforfeitable right to any interest in the Plan resulting from Employer contributions, Periods of Service before a period of consecutive 1-Year Breaks in Service will not be taken into account if the number of consecutive 1-Year Breaks in Service equal or exceed the greater of (A) five (5) or (B) the aggregate number of pre-break Periods of Service. Such aggregate number of Periods of Service will not include any Periods of Service disregarded under the preceding sentence by reason of a prior period of five (5) consecutive 1-Year Breaks in Service.

A Former Employee shall participate in the Plan as of the date of reemployment, or if later, as of the date that the Former Employee would otherwise enter the Plan pursuant to Section 3.1 and Section 3.2 taking into account all service not disregarded in this subsection.

(e) Vesting after five (5) consecutive 1-Year Breaks in Service. If a Participant incurs five (5) consecutive 1-Year Breaks in Service, the Vested portion of said Participant's Account attributable to pre-break service shall not be increased as a result of post-break service. In such case, separate accounts will be maintained as follows:

1. one account for nonforfeitable benefits attributable to pre-break service; and
2. one account representing the Participant's Employer derived account balance in the Plan attributable to post-break service.

(f) Buyback provisions. If any Participant severes employment with the Employer and is reemployed by the Employer before five (5) consecutive 1-Year Breaks in Service, and such Participant had received a distribution of the entire Vested interest prior to reemployment, then the forfeited account shall be reinstated only if the Participant repays the full amount which had been distributed. The Employer may, on a uniform and nondiscriminatory basis, only require the Participant to repay amounts that relate to the forfeited account. Such repayment must be made before the earlier of five (5) years after the first date on which the Participant is subsequently reemployed by the Employer or the close of the first period of five (5) consecutive 1-Year Breaks in Service commencing after the distribution. If a distribution occurs for any reason other than a severance of employment, the time for repayment may not end earlier than five (5) years after the date of distribution. In the event the Participant does repay the amount distributed, the undistributed forfeited portion of the Participant's Account must be restored in full, unadjusted by any gains or losses occurring subsequent to the Valuation Date preceding the distribution. The source for such reinstatement may be Forfeitures occurring during the Plan Year. If such source is insufficient, then the Employer will contribute an amount which is sufficient to restore any such forfeited Accounts.

If a non-Vested Participant was deemed to have received a distribution and such Participant is reemployed by the Employer before five (5) consecutive 1-Year Breaks in Service, then such Participant will be deemed to have repaid the deemed distribution as of the date of reemployment.

3.6 RESERVED.

3.7 OMISSION OF ELIGIBLE EMPLOYEE; INCLUSION OF INELIGIBLE EMPLOYEE

If, in any Plan Year, any Employee who should be included as a Participant in the Plan is erroneously omitted and discovery of such omission is not made until after a contribution by the Employer for the year has been made and allocated, or any person who should not have been included as a Participant in the Plan is erroneously included, then the Employer shall apply the principles described by, and take corrective actions consistent with, the IRS Employee Plans Compliance Resolution System ("EPCRS") (see Section 9.12).
ARTICLE IV
CONTRIBUTION AND ALLOCATION

4.1 FORMULA FOR DETERMINING EMPLOYER CONTRIBUTION

For each Plan Year, the Employer shall contribute to the Plan:

(a) Employee Contribution. For each Plan Year, the Employer shall contribute 5.5% of the total salary reduction elections of all Participants, which amount shall be deemed “Pick-Up” contributions under Code Section 414(h) and made from a reduction in Participant’s Compensation. These Contributions are not available to the Participant as current income, and the Participant has no discretion to receive them as such.

(b) Employer Contribution. For each Plan Year, the Employer shall contribute 6% of the Compensation of each Participant eligible to share in allocations.

(c) Form of contribution. All contributions by the Employer shall be made in cash or in such property as is acceptable to the Trustee. The Employer may make its contribution to the Plan in the form of property only if such contribution does not constitute a prohibited transaction under the Code.

4.2 TIME OF PAYMENT OF EMPLOYER CONTRIBUTION

Unless otherwise provided by a particular provision of the Plan, or by contract or law, the Employer may make its contribution to the Plan for a particular Plan Year at such time as the Employer, in its sole discretion, determines. If the Employer makes a contribution for a particular Plan Year after the close of that Plan Year, then the Employer will designate to the Administrator the Plan Year for which the Employer is making its contribution.

4.3 ALLOCATIONS

(a) Separate accounting. The Administrator shall establish and maintain an account in the name of each Participant to which the Administrator shall credit as of each Anniversary Date, or other Valuation Date, all amounts allocated to a particular Account of each such Participant as set forth herein.

(b) Allocation of contributions. The Employer shall provide the Administrator with all information required by the Administrator to make a proper allocation of the Employer contributions for each Plan Year. Within a reasonable period of time after the date of receipt by the Administrator of such information, the Administrator shall allocate such contribution as follows:

(1) Employee and Employer Contributions. The Employer shall allocate the contribution made on behalf of each Participant according to the formula described in Section 4.1(a).

(2) Entitlement to Employer Contribution. Any Participant employed during the Plan Year shall be eligible to share in the Employer Contribution for the year.

(c) Usage of Forfeitures. On or before each Anniversary Date, any Forfeitures may be made available to reinstate previously forfeited Account balances of Participants, if any, in accordance with Section 3.5(b), and any remaining Forfeitures may be used to satisfy any contribution that may be required pursuant to Section 3.7 or 6.10, or be used to pay any administrative expenses of the Plan. The remaining Forfeitures, if any, shall be allocated in the following manner (except that effective for Plan Years beginning after the Plan Year in which this Plan document is adopted, Forfeitures may not be used to reduce Employer contributions which are required pursuant to the Code to be fully vested when contributed to the Plan, such as Qualified Nonelective Contributions):

(1) Forfeitures shall be treated as Employer Contributions and shall be allocated among the Employer Contribution Accounts of Participants who are eligible to share in the allocation of Employer Contributions for the year, in the same proportion that the Compensation of each such Participant for the year bears to the total Compensation of all such Participants for the year.

(d) Allocation of earnings. As of each Valuation Date before the current valuation period allocation of Employer contributions and Forfeitures, any earnings or losses (net appreciation or net depreciation) of the Trust Fund shall be allocated in the same proportion that each Participant's nonsegregated accounts bear to the total of all Participants' nonsegregated accounts as of such date. Earnings or losses with respect to a Participant's Directed Account shall be allocated in accordance with Section 4.7.

(e) Incoming transfers. Participants' transfers from other qualified plans deposited in the general Trust Fund shall share in any earnings and losses (net appreciation or net depreciation) of the Trust Fund in the same manner provided above. Each segregated account maintained on behalf of a Participant shall be credited or charged with its separate earnings and losses.

(f) Incoming rollovers. Participants' Rollover Contributions deposited in the general Trust Fund shall share in any earnings and losses (net appreciation or net depreciation) of the Trust Fund in the same manner provided above. Each segregated account maintained on behalf of a Participant shall be credited or charged with its separate earnings and losses.
(g) Delay in processing transactions. Notwithstanding anything in this Section to the contrary, all information necessary to properly reflect a given transaction may not be available until after the date specified herein for processing such transaction, in which case the transaction will be reflected when such information is received and processed. Subject to express limits that may be imposed under the Code, the processing of any contribution, distribution or other transaction may be delayed for any legitimate business reason or force majeure (including, but not limited to, failure of systems or computer programs, failure of the means of the transmission of data, the failure of a service provider to timely receive values or prices, and the correction for errors or omissions of the errors or omissions of any service provider). The processing date of a transaction will be binding for all purposes of the Plan.

(b) Recapture account. The Administrator in its discretion may use a "recapture Account" to pay non-settlor Plan expenses and may allocate funds in the Account (or excess funds therein after payment of Plan expenses) as earnings or as otherwise permitted by applicable law. The Administrator will exercise its discretion in a reasonable, uniform and nondiscriminatory manner. A "recapture Account" is an account designated to receive amounts which a Plan service provider receives in the form of 12b-1 fees, sub-transfer agency fees, shareholder servicing fees or similar amounts (also known as "revenue sharing"), which are received by the service provider from a source other than the Plan and which the service provider may remit to the Plan.

(i) Late trading and market timing settlement. In the event the Plan becomes entitled to a settlement from a mutual fund or other investment relating to late trading, market timing or other activities, the Administrator will allocate the settlement proceeds to Participants and Beneficiaries in accordance with Department of Labor Field Assistance Bulletin 2006-01 or other applicable law.

4.4 MAXIMUM ANNUAL ADDITIONS

(a) Maximum permissible amount. Notwithstanding the foregoing, the maximum Annual Additions credited to a Participant's Accounts for any Limitation Year shall equal the lesser of:

1. $40,000 adjusted annually as provided in Code §415(d) pursuant to the Regulations, or
2. one-hundred percent (100%) of the Participant's 415 Compensation for such Limitation Year.

The percentage limitation in paragraph (2) above shall not apply to: (1) any contribution for medical benefits (within the meaning of Code §419A(3)(2)) after separation from service which is otherwise treated as an annual addition, or (2) any amount otherwise treated as an annual addition under Code §415(3)(1).

For any short Limitation Year, the dollar limitation in paragraph (1) above shall be reduced by a fraction, the numerator of which is the number of full months in the short Limitation Year and the denominator of which is twelve (12).

(b) Excess Annual Additions defined. For purposes of this Article, the term "Excess Annual Additions" for any Participant for a Limitation Year means a Participant's Annual Additions under this Plan and such other plans of the Employer or Affiliated Employer that are in excess of the maximum permissible amount of this Section 4.4 for a Limitation Year. The Excess Annual Additions will be deemed to consist of the Annual Additions last allocated, except that Annual Additions attributable to a simplified employee pension plan will be deemed to have been allocated first, followed by Annual Additions to a welfare benefit fund or individual medical account, and then by Annual Additions to a plan subject to Code §412, regardless of the actual allocation date.

(c) Annual Additions can cease when maximum permissible amount reached. If the Employer contribution that would otherwise be contributed or allocated to the Participant's Accounts would cause the Annual Additions for the Limitation Year to exceed the maximum permissible amount, then the amount that would otherwise be contributed or allocated will be reduced so that the Annual Additions for the Limitation Year will equal the maximum permissible amount, and any such amounts which would have been allocated to such Participant may be allocated to other Participants.

(d) Multiple Plans. The following provisions apply if a Participant is covered by more than one qualified plan maintained by the Employer.

1. If a Participant participates in more than one defined contribution plan maintained by the Employer that have different Anniversary Dates, then the maximum permissible amount under this Plan shall equal the maximum permissible amount for the Limitation Year minus any Annual Additions previously credited to such Participant's Accounts under all such plans during the Plan's Limitation Year.

2. If a Participant participates in both a defined contribution plan subject to Code §412 and a defined contribution plan not subject to Code §412 maintained by the Employer which have the same Anniversary Date, then Annual Additions will be credited to the Participant's Accounts under the defined contribution plan subject to Code §412 prior to crediting Annual Additions to the Participant's Accounts under the defined contribution plan not subject to Code §412.

3. If a Participant participates in more than one defined contribution plan not subject to Code §412 maintained by the Employer which have the same Anniversary Date, then the maximum permissible amount under this Plan shall equal the product of (A) the maximum permissible amount for the Limitation Year minus any Annual Additions previously credited under subsections (1) or (2) above, multiplied by (B) a fraction (i) the numerator of which is the Annual Additions which would be credited to such Participant's Accounts under this Plan without regard to the limitations of Code §415 and (ii) the denominator of which is such Annual Additions for all plans described in this subsection.
(e) Aggregation of Plans. For purposes of applying the limitations of Code §415, all defined contribution plans (without regard to whether a plan has been terminated) ever maintained by the Employer (or a "predecessor employer") under which the Participant receives Annual Additions are treated as one defined contribution plan. The "Employer" means the Employer that adopts this Plan and all members of a controlled group or an affiliated service group that includes the Employer (within the meaning of Code §414(b), Code §414(c), Code §414(m) or Code §414(o)), except that for purposes of this subsection, the determination shall be made by applying Code §415(b), and shall take into account tax-exempt organizations under Regulation §1.414(c)-5, as modified by Regulation §1.415(a)-1(f)(1). For purposes of this paragraph:

(1) A former employer is a "predecessor employer" with respect to a Participant in a plan maintained by an Employer if the Employer maintains a plan under which the Participant had accrued a benefit while performing services for the former Employer, but only if that benefit is provided under the plan maintained by the Employer. For this purpose, the formerly affiliated plan rules in Regulation §1.415(f)-1(h)(2) apply as if the Employer and predecessor Employer constituted a single employer under the rules described in Regulation §§1.415(a)-1(f)(1) and (2) immediately prior to the cessation of affiliation (and as if they constituted two, unrelated employers under the rules described in Regulation §§1.415(a)-1(f)(1) and (2) immediately after the cessation of affiliation) and cessation of affiliation was the event that gives rise to the predecessor employer relationship, such as a transfer of benefits or plan sponsorship.

(2) With respect to an Employer of a Participant, a former entity that antedates the Employer is a "predecessor employer" with respect to the Participant if, under the facts and circumstances, the employer constitutes a continuation of all or a portion of the trade or business of the former entity.

(f) Break-up of an affiliated employer or an affiliated service group. For purposes of aggregating plans for Code §415, a "formerly affiliated plan" of an employer is taken into account for purposes of applying the Code §415 limitations to the Employer, but the formerly affiliated plan is treated as if it had terminated immediately prior to the "cessation of affiliation." For purposes of this paragraph, a "formerly affiliated plan" of an Employer is a plan that, immediately prior to the cessation of affiliation, was actually maintained by one or more of the entities that constitute the Employer (as determined under the employer affiliation rules described in Regulation §§1.415(a)-1(f)(1) and (2)), and immediately after the cessation of affiliation, is not actually maintained by any of the entities that constitute the Employer (as determined under the employer affiliation rules described in Regulation §§1.415(a)-1(f)(1) and (2)). For purposes of this paragraph, a "cessation of affiliation" means the event that causes an entity to no longer be aggregated with one or more other entities as a single employer under the employer affiliation rules described in Regulation §§1.415(a)-1(f)(1) and (2) (such as the sale of a subsidiary outside a controlled group), or that causes a plan to not actually be maintained by any of the entities that constitute the Employer under the employer affiliation rules of Regulation §§1.415(a)-1(f)(1) and (2) (such as a transfer of plan sponsorship outside of a controlled group).

(g) Mid-year aggregation. Two or more defined contribution plans that are not required to be aggregated pursuant to Code §415(f) and the Regulations thereunder as of the first day of a Limitation Year do not fail to satisfy the requirements of Code §415 with respect to a Participant for the Limitation Year merely because they are aggregated later in that Limitation Year, provided that no Annual Additions are credited to the Participant's Account after the date on which the plans are required to be aggregated.

(h) Correction of Excess Annual Additions. Notwithstanding any provision of the Plan to the contrary, if Annual Additions exceed the limit on Annual Additions for any Participant, then the Plan may only correct such excess in accordance with the Employee Plans Compliance Resolution System ("EPCRS") (see Section 9.12).

(i) Time when Annual Additions credited. An Annual Addition is credited to the account of a Participant for a particular Limitation Year if it is allocated to the Participant's account under the Plan as of any date within that Limitation Year. However, an amount is not deemed allocated as of any date within a Limitation Year if such allocation is dependent upon participation in the Plan as of any date subsequent to such date.

For purposes of this subsection, Employer contributions are not deemed credited to a Participant's Account for a particular Limitation Year unless the contributions are actually made to the Plan no later than thirty (30) days after the end of the period described in Code §404(a)(6) applicable to the taxable year with or within which the particular Limitation Year ends. In the case of an Employer that is exempt from federal income tax (including a governmental employer), Employer contributions are treated as credited to a Participant's Account for a particular Limitation Year only if the contributions are actually made to the Plan no later than the 15th day of the tenth calendar month following the end of the calendar year or Fiscal Year with or within which the particular Limitation Year ends.

4.5 PLAN-TO-PLAN TRANSFERS (OTHER THAN ROLLOVERS) FROM DEFINED CONTRIBUTION QUALIFIED PLANS

(a) Transfers into this Plan. With the consent of the Administrator (such consent must be exercised in a nondiscriminatory manner and applied uniformly to all Participants), amounts may be transferred (within the meaning of Code §414(q)) to this Plan from other tax qualified plans under Code §401(a), provided that the plan from which such funds are transferred permits the transfer to be made and the transfer will not jeopardize the tax exempt status of the Plan or Trust or create adverse tax consequences for the Employer (e.g., the transfer conforms to the provisions of Regulation §1.411(d)-4). Prior to accepting any transfers to which this Section applies, the Administrator may require satisfactory evidence that the amounts to be transferred meet the requirements of this Section. The transferred amounts shall be allocated to the Transfer Account of the Participant.
At the time of the transfer, the nonforfeitable percentage of the funds under the transferor plan shall apply, but thereafter shall increase (if applicable) for each Period of Service that the Participant completes after such transfer in accordance with the Vesting provisions of this Plan applicable to the type of Account represented by the transferred funds (e.g., transferred Employer funds will be subject to the vesting schedule applicable to Non elective Contributions under this Plan). If the vesting schedule applicable to a Transferred Account changes as a result of this paragraph, such change will be treated as an amendment to the vesting schedule for each affected Participant.

(b) Accounting of transfers. The Transfer Account of a Participant shall be held by the Trustee pursuant to the provisions of this Plan and may not be withdrawn by, or distributed to the Participant, in whole or in part, except as provided in paragraph (d) of this Section. The Trustee shall have no duty or responsibility to inquire as to the propriety of the amount, value or type of assets transferred, nor to conduct any due diligence with respect to such assets provided, however, that such assets are otherwise eligible to be held by the Trustee under the terms of this Plan.

(c) Restrictions on elective deferrals. Except as permitted by regulations (including Regulation §1.411(d)-4), amounts attributable to elective deferrals (as defined in Regulation §1.401(k)-6) that are transferred from another qualified plan in a plan-to-plan transfer (other than a direct rollover) shall be subject to the distribution limitations provided for in Code §401(k)(2) and the Regulations.

(d) Distribution of Transfer Account. At Normal Retirement Date, or such other date when the Participant or the Participant's Beneficiary shall be entitled to receive benefits, the Transfer Account of a Participant shall be used to provide additional benefits to the Participant or the Participant's Beneficiary. Any distributions of amounts held in the Transfer Account shall be made in a manner which is consistent with and satisfies the provisions of Sections 6.5 and 6.6, including, but not limited to, all notice and consent requirements of Code §§417 and 411(a)(11) and the Regulations thereunder. Furthermore, the Transfer Account shall be considered as part of a Participant's benefit in determining whether an involuntary cash-out of benefits may be made without Participant consent.

(e) Segregation. The Administrator may direct that Employee transfers made after a Valuation Date be segregated into a separate account for each Participant until such time as the allocations pursuant to this Plan have been made, at which time they may remain segregated or be invested as part of the general Trust Fund or be directed by the Participant pursuant to Section 4.7.

(f) Protected benefits. Notwithstanding anything herein to the contrary, a transfer directly to this Plan from another qualified plan (or a transaction having the effect of such a transfer) may not result in the impermissible elimination or reduction of any "Section 411(d)(6) protected benefit" (as described in Section 8.1(c)).

(g) Separate Accounts. With respect to each Participant's Transfer Account, separate sub-accounts shall be maintained to the extent necessary to carry out the provisions of this Plan.

4.6 ROLLOVERS FROM OTHER PLANS

(a) Acceptance of rollovers into the Plan. With the consent of the Administrator (such consent must be exercised in a nondiscriminatory manner and applied uniformly to all Participants), the Plan may accept a rollover by Participants, excluding Participants who are no longer employed as an Employee, provided the rollover will not jeopardize the tax-exempt status of the Plan or create adverse tax consequences for the Employer. The rollover amounts shall be allocated to the Rollover Account of the Participant. The Rollover Account of a Participant shall be 100% Vested at all times and shall not be subject to Forfeiture for any reason. The Plan does not accept rollovers of after-tax employee contributions.

(b) Treatment of Rollover Account in the Plan. The Rollover Account shall be held by the Trustee pursuant to the provisions of this Plan and may not be withdrawn by, or distributed to the Participant, in whole or in part, except as provided in paragraph (c) of this Section. The Trustee shall have no duty or responsibility to inquire as to the propriety of the amount, value or type of assets transferred, nor to conduct any due diligence with respect to such assets provided, however, that such assets are otherwise eligible to be held by the Trustee under the terms of this Plan.

(c) Distribution of rollovers. The Administrator, at the election of the Participant, shall direct the Trustee to distribute all or a portion of the amount credited to the Participant's Rollover Account at any time. Furthermore, amounts in the Participant's Rollover Account shall not be considered as part of a Participant's benefit in determining whether the $5,000 threshold has been exceeded for purposes of the timing or form of payments under the Plan as well as for the Participant consent requirements. Any distributions of amounts that are held in the Rollover Account shall be made in a manner which is consistent with and satisfies the provisions of Sections 6.5 and 6.6, including, but not limited to, all notice and consent requirements of Code §§417 and 411(a)(11) and the Regulations thereunder.

(d) Limits on accepting rollovers. Prior to accepting any rollovers to which this Section applies, the Administrator may (but need not) require the Employee to provide evidence that the amounts to be rolled over to this Plan meet the requirements of this Section. The Employer may instruct the Administrator, operationally and on a nondiscriminatory basis, to limit the source of rollovers that may be accepted by the Plan.

(e) Rollovers maintained in a separate account. The Administrator may direct that rollovers received after a Valuation Date be segregated into a separate account for each Participant until such time as the allocations pursuant to this Plan have been made, at
which time they may remain segregated or be invested as part of the general Trust Fund or be directed by the Participant pursuant to Section 4.7.

(f) Definitions. For purposes of this Section, the following definitions shall apply:

(1) The term "rollover" means: (i) amounts transferred to this Plan directly from another "eligible retirement plan," (ii) distributions received by an Employee from other "eligible retirement plans" which are eligible for tax-free rollover to an "eligible retirement plan" and which are transferred by the Employee to this Plan within sixty (60) days following receipt thereof; and (iii) any other amounts which are eligible to be rolled over to this Plan pursuant to the Code.

(2) The term "eligible retirement plan" means an individual retirement account described in Code §408(a), an individual retirement annuity described in Code §408(b) (other than an endowment contract), a qualified trust (an employees' trust described in Code §401(a) which is exempt from tax under Code §501(a)), an annuity plan described in Code §403(a), an eligible deferred compensation plan described in Code §457(b) which is maintained by an eligible employer described in Code §457(c)(1)(A), and an annuity contract described in Code §403(b).

4.7 PARTICIPANT DIRECTED INVESTMENTS

(a) Directed Investments allowed. Participants may, subject to a procedure established by the Administrator (the Participant Direction Procedures) and applied in a uniform nondiscriminatory manner, direct the Trustee, in writing (or in such other form which is acceptable to the Trustee), to invest their entire Accounts in specific assets, specific funds or other investments permitted under the Plan and the Participant Direction Procedures. That portion of the interest of any Participant so directing will thereupon be considered a Participant's Directed Account.

(b) Establishment of Participant Direction Procedures. The Administrator will establish Participant Direction Procedures, to be applied in a uniform and nondiscriminatory manner, setting forth the permissible investment options under this Section, how often changes between investments may be made, and any other limitations and provisions that the Administrator may impose on a Participant's right to direct investments.

(c) Administrative discretion. The Administrator may, in its discretion, include or exclude by amendment or other action from the Participant Direction Procedures such instructions, guidelines or policies as it deems necessary or appropriate to ensure proper administration of the Plan, and may interpret the same accordingly.

(d) Allocation of earnings. As of each Valuation Date, all Participant Directed Accounts shall be charged or credited with the net earnings, gains, losses and expenses as well as any appreciation or depreciation in the market value using publicly listed fair market values when available or appropriate as follows:

(1) to the extent that the assets in a Participant's Directed Account are accounted for as pooled assets or investments, the allocation of earnings, gains and losses of each Participant's Directed Account shall be based upon the total amount of funds so invested in a manner proportionate to the Participant's share of such pooled investment; and

(2) to the extent that the assets in the Participant's Directed Account are accounted for as segregated assets, the allocation of earnings, gains and losses from such assets shall be made on a separate and distinct basis.

(e) Plan will follow investment directions. Investment directions will be processed as soon as administratively practicable after proper investment directions are received from the Participant. No guarantee is made by the Plan, Employer, Administrator or Trustee that investment directions will be processed on a daily basis, and no guarantee is made in any respect regarding the processing time of an investment direction. Notwithstanding any other provision of the Plan, the Employer, Administrator or any discretionary Trustee reserves the right to not value an investment option on any given Valuation Date for any reason deemed appropriate by the Employer, Administrator or discretionary Trustee. Furthermore, the processing of any investment transaction may be delayed for any legitimate business reason or force majeure (including, but not limited to, failure of systems or computer programs, failure of the means of the transmission of data, the failure of a service provider to timely receive values or prices, and correction for errors or omissions of any service provider). The processing date of a transaction will be binding for all purposes of the Plan and considered the applicable Valuation Date for an investment transaction.

(f) Other documents. Any information regarding investments available under the Plan, to the extent not required to be described in the Participant Direction Procedures, may be provided to the Participant in one or more written documents (or in any other form including, but not limited to, electronic media) which are separate from the Participant Direction Procedures and are not thereby incorporated by reference into this Plan.
ARTICLE V
VALUATIONS

5.1 VALUATION OF THE TRUST FUND

The Administrator shall direct the Trustee, as of each Valuation Date, to determine the net worth of the assets comprising the Trust Fund as it exists on the Valuation Date. In determining such net worth, the Trustee shall value the assets comprising the Trust Fund at their fair market value as of the Valuation Date and may deduct (when applicable) all expenses for which the Trustee has not yet been paid by the Employer or the Trust Fund. The Trustee may update the value of any shares held in the Participant Directed Account by reference to the number of shares held by that Participant, priced at the market value as of the Valuation Date.

5.2 METHOD OF VALUATION

In determining the fair market value of securities held in the Trust Fund which are listed on a registered stock exchange, the Administrator shall direct the Trustee to value the same at the prices they were last traded on such exchange preceding the close of business on the Valuation Date. If such securities were not traded on the Valuation Date, or if the exchange on which they are traded was not open for business on the Valuation Date, then the securities shall be valued at the prices at which they were last traded prior to the Valuation Date. Any unlisted security held in the Trust Fund shall be valued at its bid price next preceding the close of business on the Valuation Date, which bid price shall be obtained from a registered broker or an investment banker. In determining the fair market value of assets other than securities for which trading or bid prices can be obtained, the Trustee, if a discretionary Trustee, may appraise such assets itself, or in its discretion, employ one or more appraisers for that purpose and rely on the values established by such appraiser or appraisers.

ARTICLE VI
DETERMINATION AND DISTRIBUTION OF BENEFITS

6.1 DETERMINATION OF BENEFITS UPON RETIREMENT

(a) Normal Retirement. Every Participant may terminate employment with the Employer and retire for the purposes hereof on the Participant's Normal Retirement Date or Early Retirement Date. However, a Participant may postpone the termination of employment with the Employer to a later date, in which event the participation of such Participant in the Plan shall continue until such Participant's Late Retirement Date. Upon a Participant's Retirement Date or attainment of Normal Retirement Date without termination of employment with the Employer, or as soon thereafter as is practicable, the Administrator shall direct the distribution, at the election of the Participant, of the Participant's interest in the Plan (or any portion thereof), in accordance with Section 6.5.

(b) 100% Vesting upon early retirement. Upon the termination of employment at any time after attaining the Participant's Early Retirement Date, all amounts credited to such Participant's Account shall become fully Vested.

6.2 DETERMINATION OF BENEFITS UPON DEATH

(a) 100% Vesting upon death. Upon the death of a Participant before the Participant's Retirement Date or other termination of employment, all amounts credited to such Participant's Account shall become fully Vested.

(b) Distribution upon death. Upon the death of a Participant before the Participant's Retirement Date or other termination of employment, the Administrator shall direct, in accordance with the provisions of Sections 6.6 and 6.7, the distribution of all amounts credited to such Participant's Account to the Participant's Beneficiary.

(c) Determination of death benefit by Administrator. The Administrator may require such proper proof of death and such evidence of the right of any person to receive payment of the value of the account of a deceased Participant as the Administrator may deem desirable. The Administrator's determination of death and of the right of any person to receive payment shall be conclusive.

(d) Beneficiary designation. Unless otherwise elected in the manner prescribed in Section 6.6, the Beneficiary of the death benefit shall be the Participant's surviving Spouse, who shall receive such benefit in the form of a Pre-Retirement Survivor Annuity pursuant to Section 6.6. Except, however, the Participant may designate a Beneficiary other than the Spouse if:

1. the Participant and the Participant's Spouse have validly waived the Pre-Retirement Survivor Annuity in the manner prescribed in Section 6.6, and the Spouse has waived the right to be the Participant's Beneficiary, or

2. the Participant is legally separated or has been abandoned (within the meaning of local law) and the Participant has a court order to such effect (and there is no qualified domestic relations order as defined in Code §414(p) which provides otherwise), or

3. the Participant has no Spouse, or

4. the Spouse cannot be located.

In such event, the designation of a Beneficiary shall be made on a form satisfactory to the Administrator. A Participant may at any time revoke a designation of a Beneficiary or change a Beneficiary by filing written notice (or in such other form as permitted by the Internal Revenue Service) of such revocation or change with the Administrator. However, the Participant's Spouse must again
consent in writing (or in such other form as permitted by the Internal Revenue Service) to any change in Beneficiary unless the original consent acknowledged that the Spouse had the right to limit consent only to a specific Beneficiary and that the Spouse voluntarily elected to relinquish such right.

(c) **Beneficiary if no beneficiary elected by Participant.** In the event no valid designation of Beneficiary exists with respect to all or a portion of the death benefit, or if the Beneficiary of such death benefit is not alive at the time of the Participant's death and no contingent Beneficiary has been designated, then to the extent that such death benefit is not automatically payable to the surviving Spouse in accordance with the other provisions of this Section, such death benefit will be paid to the Participant's estate.

If the Beneficiary does not predecease the Participant, but dies prior to distribution of the death benefit, the death benefit will be paid to the Beneficiary's designated Beneficiary (or there is no designated Beneficiary, to the Beneficiary's estate).

(f) **Death Benefits for Qualified Military Service.** In the case of a death occurring on or after January 1, 2007, if a Participant dies while performing Qualified Military Service, the Participant's Beneficiary is entitled to any additional benefits (including any ancillary life insurance or other survivor benefits that would have been provided under the Plan) as if the Participant had resumed employment and then terminated employment on account of death. Moreover, the Plan will credit the Participant's Qualified Military Service as service for vesting purposes as though the Participant had resumed employment under USERRA immediately prior to the Participant's death.

(g) **Simultaneous Death of Participant and Beneficiary.** If a Participant and his or her Beneficiary should die simultaneously, or under circumstances that render it difficult or impossible to determine who predeceased the other, then unless the Participant's Beneficiary designation otherwise specifies, the Administrator will presume conclusively that the Beneficiary predeceased the Participant.

(h) **Slayer statute.** The Administrator may apply slayer statutes, or similar rules which prohibit inheritance by a person whom he or she stands to inherit, under applicable state laws without regard to federal pre-emption of such state laws.

6.3 **DISABILITY RETIREMENT BENEFITS**

(a) **100% Vesting upon Disability.** In the event of a Participant's Disability prior to the Participant's Retirement Date or other termination of employment, all amounts credited to such Participant's Account shall become fully Vested.

(b) **Payment of Disability Benefits.** In the event of a Participant's Disability, the Participant's entire interest in the Plan will be distributable and may be distributed in accordance with the provisions of Sections 6.5 and 6.7.

6.4 **DETERMINATION OF BENEFITS UPON TERMINATION**

(a) **Payment on termination of employment.** If a Participant's employment with the Employer is terminated for any reason other than death, Disability or attainment of the Participant's Retirement Date, then such Participant shall be entitled to such benefits as are provided hereinafter pursuant to this Section 6.4.

Distribution of the funds due to a Terminated Participant shall be made on the occurrence of an event which would result in a distributable event had the Terminated Participant remained in the employ of the Employer (upon the Participant's death, Disability, Early or Normal Retirement). However, at the election of the Participant, the Administrator shall direct the distribution of the entire Vested portion of the Terminated Participant's Account be payable to such Terminated Participant as soon as administratively feasible after termination of employment. Any distribution under this paragraph shall be made in a manner which is consistent with and satisfies the provisions of Section 6.5, including, but not limited to, all notice and consent requirements of Code §§417 and 411(o)(11) and the Regulations thereunder.

For purposes of this Section 6.4, if the value of a Terminated Participant's Vested benefit is zero, the Terminated Participant shall be deemed to have received a distribution of such Vested benefit.

(b) **Full Vesting.** A Participant shall be fully Vested in the following Accounts regardless of a Participant's number of whole year Periods of Service.

(c) **Vesting schedule.** The Vested portion of the Account of any Participant attributable to Employer Contributions shall be a percentage of the total amount credited to the Participant's Accounts determined on the basis of the Participant's number of whole year Periods of Service.
(1) Effective for Plan Years beginning after December 31, 2006, the Vested portion of the Participant's Account shall be determined in accordance with the following vesting schedule:

<table>
<thead>
<tr>
<th>Periods of Service</th>
<th>Percentage</th>
</tr>
</thead>
<tbody>
<tr>
<td>1</td>
<td>20%</td>
</tr>
<tr>
<td>2</td>
<td>40%</td>
</tr>
<tr>
<td>3</td>
<td>60%</td>
</tr>
<tr>
<td>4</td>
<td>80%</td>
</tr>
<tr>
<td>5</td>
<td>100%</td>
</tr>
</tbody>
</table>

(d) **Time of application of vesting schedule liberalization.** In the absence of any provision to the contrary, any direct or indirect increase to a Participant's Vested percentage (at any point on a vesting schedule) will not apply to a Participant unless and until such Participant completes an Hour of Service after the effective date of such increase.

(e) **100% Vesting on partial or full Plan termination.** Notwithstanding any provision in this Plan to the contrary, upon any full or partial termination of the Plan, all amounts then credited to the account of any affected Participant shall become 100% Vested and shall not thereafter be subject to Forfeiture.

(f) **Vesting of employer contributions upon amendment.** The computation of a Participant's nonforfeitable percentage of the Participant's Account attributable to Employer contributions shall not be reduced as the result of any direct or indirect amendment to this Plan (including this restatement of the Plan).

In the event that the Plan is amended to change the vesting schedule of the Participant's Account (or any portion of such Account), or if the Plan is amended in any way that directly or indirectly affects the computation of the Participant's nonforfeitable percentage of the Participant's Account (or any portion of such Account), then each Participant shall vest in accordance with the greater of the vested percentage (based on the Participant's service credit at the time of such determination) determined under the pre-amendment schedule or the vested percentage (for the same duration of service) determined under the post-amendment schedule.

### 6.5 DISTRIBUTION OF BENEFITS

(a) The Administrator, pursuant to the election of the Participant, shall direct the Trustee to distribute to a Participant or such Participant's Beneficiary the amount (if any) to which the Participant or Beneficiary has become entitled under the Plan in accordance with this Section.

(1) Unless the Participant elects otherwise as provided below, a Participant who is married on the Annuity Starting Date and who does not die before the Annuity Starting Date shall receive the value of all such Participant's benefits in the form of a joint and survivor annuity. The joint and survivor annuity is an annuity that commences immediately and shall be equal in value to a single life annuity. Such joint and survivor benefits following the Participant's death shall continue to the Spouse during the Spouse's lifetime at a rate equal to fifty percent (50%) of the rate at which such benefits were payable to the Participant. This joint and fifty percent (50%) survivor annuity shall be considered the designated qualified joint and survivor annuity and automatic form of payment for the purposes of this Plan. Notwithstanding any provision of the Plan to the contrary, effective for Plan Years beginning on or after January 1, 2007, the Participant may, without spousal consent, elect to receive a smaller annuity benefit with continuation of payments to the Spouse at a rate of seventy-five percent (75%) (which annuity shall be the qualified optional joint and survivor annuity) or one-hundred percent (100%) of the rate payable to a Participant during the Participant's lifetime, which alternative joint and survivor annuities shall be equal in value to, and available at the same time as, the automatic joint and fifty percent (50%) survivor annuity described in the previous sentence. Whenever a Participant has elected the qualified optional joint and survivor annuity described in the previous sentence, then any reference in this Plan to the qualified joint and survivor annuity shall also be a reference to the qualified optional joint and survivor annuity. An unmarried Participant shall receive the value of such Participant's benefit in the form of a life annuity. Such unmarried Participant, however, may elect in writing to waive the life annuity. The election must comply with the provisions of this Section as if it were an election to waive the joint and survivor annuity by a married Participant, but without the spousal consent requirement. The Participant may elect to have any annuity provided for in this Section distributed upon the attainment of the earliest date on which, under the Plan, the Participant could elect to receive retirement benefits.

(2) Any election to waive the joint and survivor annuity must be made by the Participant in writing (or in such other form as permitted by the Internal Revenue Service) during the election period and be consented to in writing (or in such other form as permitted by the Internal Revenue Service) by the Participant's Spouse. If the Spouse is legally incompetent to give consent, the Spouse's legal guardian, even if such guardian is the Participant, may give consent. Such election shall designate a Beneficiary (or a form of benefits) that may not be changed without spousal consent (unless the consent of the Spouse expressly permits designations by the Participant without the requirement of further consent by the Spouse). Such Spouse's consent shall be irrevocable and must acknowledge the effect of such election and be witnessed by a Plan representative or a notary public. Such consent shall not be required if it is established to the satisfaction of the Administrator that the required consent cannot be obtained because there is no Spouse, the Spouse cannot be located, or other circumstances that may be prescribed by Regulations. The election made by the Participant and consented to by such Participant's Spouse may be revoked by the Participant in writing (or in such other form as permitted by the Internal Revenue Service) without the consent of the Spouse at any time during the election period. A revocation of a
prior election shall cause the Participant’s benefits to be distributed as a joint and survivor annuity. The number of revocations shall not be limited. Any new election must comply with the requirements of this paragraph. A former Spouse’s waiver shall not be binding on a new Spouse.

(3) The election period to waive the joint and survivor annuity shall be the 180 day period (90 day period for Plan Years beginning before January 1, 2007) ending on the Annuity Starting Date.

(4) For purposes of this Section, Spouse or surviving Spouse means the Spouse or surviving Spouse of the Participant, provided that a former Spouse will be treated as the Spouse or surviving Spouse and a current Spouse will not be treated as the Spouse or surviving Spouse to the extent provided under a qualified domestic relations order as described in Code §414(p).

(5) With regard to the election, the Administrator shall, in compliance with Regulation §1.417(a)(3)-1, provide to the Participant no less than thirty (30) days and no more than 180 days (90 days for Plan Years beginning before January 1, 2007) before the Annuity Starting Date a written (or in such other form as permitted by the Internal Revenue Service) explanation of:

(i) the terms and conditions of the qualified joint and survivor annuity and, effective for Plan Years beginning on or after January 1, 2007 the qualified optional joint and survivor annuity that is payable in lieu of the qualified joint and survivor annuity,

(ii) the Participant’s right to make, and the effect of, an election to waive the joint and survivor annuity,

(iii) the right of the Participant’s Spouse to consent to any election to waive the joint and survivor annuity, and

(iv) the right of the Participant to revoke such election, and the effect of such revocation.

(6) Notwithstanding the above, if the Participant elects (with spousal consent, if applicable) to waive the requirement that the explanation be provided at least thirty (30) days before the Annuity Starting Date, the election period shall be extended to the thirtieth (30th) day after the date on which such explanation is provided to the Participant, unless the thirty (30) day period is waived pursuant to the following provisions.

Any distribution provided for in this Section 6.5 may commence less than thirty (30) days after the notice required by Code §417(a)(3) is given provided the following requirements are satisfied:

(i) the Administrator clearly informs the Participant that the Participant has a right to a period of thirty (30) days after receiving the notice to consider whether to waive the joint and survivor annuity and to elect (with spousal consent) to a form of distribution other than a joint and survivor annuity;

(ii) the Participant is permitted to revoke an affirmative distribution election at least until the Annuity Starting Date, or, if later, at any time prior to the expiration of the seven (7) day period that begins the day after the explanation of the joint and survivor annuity is provided to the Participant;

(iii) the Annuity Starting Date is after the date that the explanation of the joint and survivor annuity is provided to the Participant. However, the Annuity Starting Date may be before the date that any affirmative distribution election is made by the Participant and before the date that the distribution is permitted to commence under (iv) below; and

(iv) distribution in accordance with the affirmative distribution election does not commence before the expiration of the seven (7) day period that begins the day after the explanation of the joint and survivor annuity is provided to the Participant.

(7) Effective for Plan Years beginning on or after January 1, 2007, all the requirements described by this Section 6.5 that apply to the qualified joint and survivor annuity shall also apply to the qualified optional joint and survivor annuity (as described in Section 6.5(a)(1)).

(b) In the event a married Participant duly elects pursuant to Section 6.5(a)(1) above not to receive benefits in the form of a joint and survivor annuity, or if such Participant is not married, in the form of a life annuity, the Administrator, pursuant to the election of the Participant, shall direct the distribution of such benefits to a Participant or Beneficiary in one or more of the following methods:

(1) One lump-sum payment in cash.

(2) Payments over a period certain in monthly, quarterly, semiannual, or annual cash installments. In order to provide such installment payments, the Administrator may (A) aggregate the aggregate amount thereof in a separate, federally insured savings account, certificate of deposit in a bank or savings and loan association, money market certificate or other liquid short-term security or (B) purchase a nontransferable annuity Contract for a term certain (with no life contingencies) providing for such payment. The period over which such payment is to be made shall not extend beyond the Participant’s life expectancy (or the life expectancy of the Participant and the Participant’s designated Beneficiary). Once payments have begun, a Participant may elect to accelerate the payments (reduce the term and increase payments).

(3) Partial withdrawals.
(c) Any distribution to a Participant who has a Total Vested Benefit which exceeds $5,000 shall require such Participant's written consent (or in such other form as permitted by the Internal Revenue Service) if such distribution commences during the time the benefit is "immediately distributable." In addition, the Spouse of a Participant must consent in writing (or in such other form as permitted by the Internal Revenue Service) to a distribution if the value of the Participant's Account exceeds $5,000. A benefit is "immediately distributable" if any part of the benefit could be distributed to the Participant (or surviving Spouse) before the Participant attains (or would have attained if not deceased) the later of the Participant's Normal Retirement Age or age 62. Any consent required by this paragraph must be obtained not more than 180 days (90 days for Plan Years beginning before January 1, 2007) before commencement of the distribution.

If the value of the Participant's Total Vested Benefit does not exceed $5,000, then distribution may only be paid as a lump-sum payment. This distribution does not require the Participant's and the Participant's Spouse's written consent. In the case of a Participant who has commenced receiving benefits in the form of periodic payments, no distribution may be made under the preceding sentence after the Annuity Starting Date unless the Participant and the Participant's Spouse consent in writing (or in such form as permitted by the Internal Revenue Service) to such distribution.

(d) The following rules will apply to the consent requirements set forth in this Section:

(1) No consent shall be valid unless the Participant has received a general description of the material features and an explanation of the relative values of the optional forms of benefit available under the Plan that would satisfy the notice requirements of Code §417 and Regulation §1.417(a)(3)-1 with respect to the Participant's Pre-Retirement Survivor Annuity Account.

(2) The Participant must be informed of the right to defer receipt of the distribution, and for Plan Years beginning on or after January 1, 2007, a description of the consequences of failing to defer any distribution. If a Participant fails to consent, it shall be deemed an election to defer the commencement of payment of any benefit. However, any election to defer the receipt of benefits shall not apply with respect to distributions which are required under Section 6.8.

(3) Notice of the rights specified under this paragraph shall be provided no less than thirty (30) days and no more than 180 days (90 days for Plan Years beginning before January 1, 2007) before the Annuity Starting Date. Notwithstanding the above, the Annuity Starting Date may be a date prior to the date the explanation is provided to the Participant if the distribution does not commence until at least thirty (30) days after such explanation is provided, subject to the waiver of the thirty (30) day period as provided for in Section 6.5(a)(6).

(4) Written consent (or such other form as permitted by the Internal Revenue Service) of the Participant to the distribution must not be made before the Participant receives the notice and must not be made more than 180 days (90 days for Plan Years beginning before January 1, 2007) before the Annuity Starting Date.

(5) No consent shall be valid if a significant detriment is imposed under the Plan on any Participant who does not consent to the distribution.

Any such distribution may be made less than thirty (30) days, subject to Section 6.5(a)(6), after the notice required under Regulation §1.411(a)-11(c) is given, provided that: (1) the Administrator clearly informs the Participant that the Participant has a right to a period of at least thirty (30) days after receiving the notice to consider the decision of whether or not to elect a distribution (and, if applicable, a particular distribution option), and (2) the Participant, after receiving the notice, affirmatively elects a distribution.

(e) If a mandatory distribution greater than $1,000 is made in accordance with the provisions of the Plan providing for an automatic distribution to a Participant without the Participant's consent, and the Participant does not elect to have such distribution paid directly to an eligible retirement plan specified by the Participant in a direct rollover (in accordance with the direct rollover provisions of the Plan) or to receive the distribution directly, then the Administrator shall direct that the distribution be made in a direct rollover to an Individual Retirement Account described in Code §408(a) or an Individual Retirement Annuity described in Code §408(b), as designated by the Administrator. The Administrator may operationally implement this provision with respect to distributions that are $1,000 or less. For purposes of determining whether the $1,000 threshold set forth in this paragraph is met, the mandatory distribution includes amounts in a Participant's Rollover Account.

(f) All annuity Contracts under this Plan shall be non-transferable when distributed. Furthermore, the terms of any annuity Contract purchased and distributed to a Participant or Spouse shall comply with all of the requirements of the Plan.

(g) If a distribution is made to a Participant who has not severed employment and who is not fully Vested in the Participant's Account and the Participant may increase the Vested percentage in such account, then, at any relevant time the Participant's Vested portion of the account will be equal to an amount ("X") determined by the formula:

\[ X = P(AB + D) - D \]

For purposes of applying the formula: P is the Vested percentage at the relevant time, AB is the account balance at the relevant time, and D is the amount of distribution, and the relevant time is the time at which, under the Plan, the Vested percentage in the account cannot increase.
6.6 DISTRIBUTION OF BENEFITS UPON DEATH

(a) Unless otherwise elected as provided below, a Vested Participant who dies before the Annuity Starting Date and who has a surviving Spouse shall have the Pre-Retirement Survivor Annuity paid to the surviving Spouse. The Participant’s Spouse may direct that payment of the Pre-Retirement Survivor Annuity commence within a reasonable period after the Participant’s death. If the Spouse does not so direct, payment of such benefit will commence at the time the Participant would have attained the later of Normal Retirement Age or age 62. However, the Spouse may elect a later commencement date. Any distribution to the Participant’s Spouse shall be subject to the rules specified in Section 6.8.

(b) Any election to waive the Pre-Retirement Survivor Annuity before the Participant’s death must be made by the Participant in writing (or in such other form as permitted by the Internal Revenue Service) during the election period and shall require the Spouse’s irrevocable consent in the same manner provided for in Section 6.5(a)(2). Further, the Spouse’s consent must acknowledge the specific non-Spouse Beneficiary. Notwithstanding the foregoing, the non-Spouse Beneficiary need not be acknowledged, provided the consent of the Spouse acknowledges that the Spouse has the right to limit consent only to a specific Beneficiary and that the Spouse voluntarily elects to relinquish such right. If the Participant does not waive the Pre-Retirement Survivor Annuity before the Participant’s death in accordance with the provisions of this paragraph, then the Participant’s surviving Spouse may do so after the Participant’s death.

(c) The election period to waive the Pre-Retirement Survivor Annuity shall begin on the first day of the Plan Year in which the Participant attains age thirty-five (35) and end on the date of the Participant’s death. An earlier waiver (with spousal consent) may be made provided a written (or in such other form as permitted by the Internal Revenue Service) explanation of the Pre-Retirement Survivor Annuity is given to the Participant and such waiver becomes invalid at the beginning of the Plan Year in which the Participant turns age thirty-five (35). In the event a Vested Participant separates from service prior to the beginning of the election period, the election period shall begin on the date of such separation from service.

(d) With regard to the election, the Administrator shall provide each Participant within the applicable period, with respect to such Participant (and consistent with Regulations), a written (or in such other form as permitted by the Internal Revenue Service) explanation of the Pre-Retirement Survivor Annuity containing comparable information to that required pursuant to Section 6.5(a)(5). For the purposes of this paragraph, the term “applicable period” means, with respect to a Participant, whichever of the following periods ends last:

1. The period beginning with the first day of the Plan Year in which the Participant attains age thirty-two (32) and ending with the close of the Plan Year preceding the Plan Year in which the Participant attains age thirty-five (35);

2. A reasonable period after the individual becomes a Participant;

3. A reasonable period ending after the Plan no longer fully subsidizes the cost of the Pre-Retirement Survivor Annuity with respect to the Participant;

4. A reasonable period ending after Code §401(a)(11) applies to the Participant; or

5. A reasonable period after separation from service in the case of a Participant who separates before attaining age thirty-five (35). For this purpose, the Administrator must provide the explanation beginning one (1) year before the separation from service and ending one (1) year after such separation. If such a Participant thereafter returns to employment with the Employer, the applicable period for such Participant shall be redetermined.

For purposes of applying this Section 6.6(d), a reasonable period ending after the enumerated events described in paragraphs (2), (3) and (4) is the end of the two (2) year period beginning one (1) year prior to the date the applicable event occurs, and ending one (1) year after that date.

(e) If the present value of the Pre-Retirement Survivor Annuity Account derived from Employer and Employee contributions does not exceed $5,000, the Administrator shall direct the immediate lump-sum distribution of such amount to the Participant’s Spouse as soon as practicable. No distribution may be made under the preceding sentence after periodic payments have commenced unless the Spouse consents in writing (or in such other form as permitted by the Internal Revenue Service) to such distribution. If the value of the Pre-Retirement Survivor Annuity Account exceeds $5,000, then an immediate distribution of such amount may be made to the surviving Spouse, provided such surviving Spouse consents in writing (or in such other form as permitted by the Internal Revenue Service) to such distribution. Any consent required under this paragraph must be obtained not more than 180 days (90 days for Plan Years beginning before January 1, 2007) before commencement of the distribution and shall be made in a manner consistent with Section 6.5(a)(2).
(f) To the extent the death benefit is not paid in the form of a Pre-Retirement Survivor Annuity, it shall be paid to the Participant's Beneficiary by any of the following methods, as elected by the Participant (or if no election has been made prior to the Participant's death, by the Participant's Beneficiary), subject to the rules specified in Section 6.8:

(1) One lump-sum payment in cash.

(2) Payment in monthly, quarterly, semi-annual, or annual cash installments over a period to be determined by the Participant or the Participant's Beneficiary. After periodic installments commence, the Beneficiary shall have the right to direct the Trustee to reduce the period over which such periodic installments shall be made, and the Trustee shall adjust the cash amount of such periodic installments accordingly. Once payments have begun, a Participant may elect to accelerate the payments (reduce the term and increase payments).

(3) Partial withdrawals.

In the event the death benefit payable pursuant to Section 6.2 is payable in installments, then, upon the death of the Participant, the Administrator may direct the Trustee to segregate the death benefit into a separate account, and the Trustee shall invest such segregated account separately, and the funds accumulated in such account shall be used for the payment of the installments.

(g) Notwithstanding any provision in the Plan to the contrary, distributions upon the death of a Participant shall comply with the requirements of Section 6.8.

6.7 LATEST TIME OF DISTRIBUTION

Except as limited by Section 6.8, whenever a distribution is to be made, or a series of payments are to commence, the distribution or series of payments may be made or begun as soon as practicable. Notwithstanding anything in the Plan to the contrary, unless a Participant otherwise elects, payments of benefits under the Plan will begin not later than the sixtieth (60th) day after the close of the Plan Year in which the latest of the following events occurs: (a) the date on which the Participant attains the earlier of age 65 or the Normal Retirement Age specified herein; (b) the tenth (10th) anniversary of the year in which the Participant commenced participation in the Plan; or (c) the date the Participant terminates service with the Employer. The failure of a Participant and, if applicable, the Participant's Spouse, to request a distribution shall be deemed to be an election to defer the commencement of payment of any benefit until the time otherwise permitted under the Plan.

Notwithstanding the foregoing, the failure of a Participant and, if applicable, the Participant's Spouse to consent to a distribution that is immediately distributable (within the meaning of Section 6.5), shall be deemed to be an election to defer the commencement of payment of any benefit sufficient to satisfy this Section.

6.8 REQUIRED MINIMUM DISTRIBUTIONS

(a) General Rules

(1) Precedence. Subject to the joint and survivor annuity requirements set forth in Plan Section 6.5, the requirements of this Section shall apply to any distribution of a Participant's interest in the Plan and take precedence over any inconsistent provisions of the Plan.

(2) Requirements of Treasury Regulations Incorporated. All distributions required under this Section will be determined and made in accordance with the Regulations under Code §401(a)(9) and the minimum distribution incidental benefit requirement of Code §401(a)(9)(G).

(b) Time and manner of distribution

(1) Required beginning date. The Participant's entire interest will be distributed, or begin to be distributed, to the Participant no later than the Participant's required beginning date.

(2) Death of Participant before distributions begin. If the Participant dies before distributions begin, the Participant's entire death benefit will be distributed, or begin to be distributed, as follows:

(i) If the Participant or Beneficiary elects, distributions to the designated beneficiary will begin by December 31 of the calendar year immediately following the calendar year in which the Participant died, or, if the Participant's surviving Spouse is the Participant's designated beneficiary, by December 31 of the calendar year in which the Participant would have attained age 70 1/2, if later. Alternatively, the Participant or Beneficiary may elect to have distribution of the Participant's death benefit be completed by the December 31 of the calendar year containing the fifth anniversary of the Participant's death. In the absence of any election (including the failure to commence required minimum distributions described by this Section by the December 31 of the calendar year immediately following the calendar year in which the Participant died), distribution of the Participant's death benefit shall be completed by December 31 of the calendar year containing the fifth anniversary of the Participant's death.
(ii) If there is no beneficiary as of September 30 of the year following the year of the Participant's death, the distribution of the Participant's death benefit will be completed by December 31 of the calendar year containing the fifth anniversary of the Participant's death.

(iii) If the Participant's surviving Spouse is the Participant's sole designated beneficiary and the surviving Spouse dies after the Participant but before distributions to the surviving Spouse begin, this Section 6.8(b), other than this paragraph, will apply as if the surviving Spouse were the Participant. Thus, in all such cases, the time at which distributions must commence (or be completed by) shall be determined solely by reference to the year that the Participant died, and not the year in which the Participant would have attained age 70 1/2.

For purposes of this Section 6.8(b), unless a surviving Spouse is electing to commence benefits based upon the date that the Participant would have attained age 70 1/2, distributions are considered to begin on the Participant's required beginning date. If the surviving Spouse election applies, distributions are considered to begin on the date distributions are required to begin to the surviving Spouse under Section 6.8(b). If distributions under an annuity purchased from an insurance company irrevocably commence to the Participant before the Participant's required beginning date (or to the Participant's surviving Spouse before the date distributions are required to begin to the surviving Spouse under Section 6.8(b)), the date distributions are considered to begin is the date distributions actually commence.

(3) **Forms of distribution.** Unless the Participant's interest is distributed in the form of an annuity purchased from an insurance company or in a single sum or or before the required beginning date, as of the first distribution calendar year distributions will be made in accordance with Sections 6.8(c) and 6.8(d). If the Participant's interest is distributed in the form of an annuity purchased from an insurance company, distributions thereunder will be made in accordance with the requirements of Code §401(a)(9) and the Regulations thereunder. All distributions under this Section shall be made in a manner which is consistent with and satisfies the provisions of Sections 6.5 and 6.6, including, but not limited to, all notice and consent requirements of Code §§417 and 411(d)(11) and the Regulations thereunder.

(c) **Required minimum distributions during Participant's lifetime**

(1) **Amount of required minimum distribution for each distribution calendar year.** During the Participant's lifetime, the minimum amount that will be distributed for each distribution calendar year is the lesser of:

(i) the quotient obtained by dividing the Participant's Account balance by the distribution period in the Uniform Lifetime Table set forth in Regulation §1.401(a)(9)-9, using the Participant's age as of the Participant's birthday in the distribution calendar year; or

(ii) if the Participant's sole designated beneficiary for the distribution calendar year is the Participant's Spouse and the Spouse is more than 10 years younger than the Participant, the quotient obtained by dividing the Participant's Account balance by the number in the Joint and Last Survivor Table set forth in Regulation §1.401(a)(9)-9, using the Participant's and Spouse's attained ages as of the Participant's and Spouse's birthdays in the distribution calendar year.

(2) **Lifetime required minimum distributions continue through year of Participant's death.** Required minimum distributions will be determined under this Section 6.8(c) beginning with the first distribution calendar year and up to and including the distribution calendar year that includes the Participant's date of death.

(d) **Required minimum distributions after Participant's death**

(1) **Death on or after date distributions begin.**

(i) **Participant survived by designated beneficiary.** If the Participant dies on or after the date distributions begin and there is a designated beneficiary, the minimum amount that will be distributed for each distribution calendar year after the year of the Participant's death is the quotient obtained by dividing the Participant's Account balance by the longer of the remaining life expectancy of the Participant or the remaining life expectancy of the Participant's designated beneficiary, determined as follows:

(A) The Participant's remaining life expectancy is calculated using the age of the Participant in the year of death, reduced by one for each subsequent year.

(B) If the Participant's surviving Spouse is the Participant's sole designated beneficiary, the remaining life expectancy of the surviving Spouse is calculated for each distribution calendar year after the year of the Participant's death using the surviving Spouse's age as of the Spouse's birthday in that year. For distribution calendar years after the year of the surviving Spouse's death, the remaining life expectancy of the surviving Spouse is calculated using the age of the surviving Spouse as of the Spouse's birthday in the calendar year of the Spouse's death, reduced by one for each subsequent calendar year.
(C) If the Participant's surviving Spouse is not the Participant's sole designated beneficiary, the designated beneficiary's remaining life expectancy is calculated using the age of the beneficiary in the year following the year of the Participant's death, reduced by one for each subsequent year.

(ii) No designated beneficiary. If the Participant dies on or after the date distributions begin and there is no designated beneficiary as of September 30 of the year after the year of the Participant's death, the minimum amount that will be distributed for each distribution calendar year after the year of the Participant's death is the quotient obtained by dividing the Participant's Account balance by the Participant's remaining life expectancy calculated using the age of the Participant in the year of death, reduced by one for each subsequent year.

(2) Death before date distributions begin.

(i) Participant survived by designated beneficiary. Except as provided in Section 6.8(b)(3), if the Participant dies before the date distributions begin and there is a designated beneficiary, the minimum amount that will be distributed for each distribution calendar year after the year of the Participant's death is the quotient obtained by dividing the Participant's Account balance by the remaining life expectancy of the Participant's designated beneficiary, determined as provided in Section 6.8(d)(1).

(ii) No designated beneficiary. If the Participant dies before the date distributions begin and there is no designated beneficiary as of September 30 of the year following the year of the Participant's death, distribution of the Participant's entire interest will be completed by December 31 of the calendar year containing the fifth anniversary of the Participant's death.

(iii) Death of surviving Spouse before distributions to surviving Spouse are required to begin. If the Participant dies before the date distributions begin, the Participant's surviving Spouse is the Participant's sole designated beneficiary, and the surviving Spouse dies before distributions are required to begin to the surviving Spouse under Section 6.8(b)(2), this Section 6.8(d)(2) will apply as if the surviving Spouse were the Participant.

(e) Definitions. For purposes of this Section, the following definitions apply:

(1) "Designated beneficiary" means the individual who is designated as the Beneficiary under the Plan and is the designated beneficiary under Code §401(a)(9) and Regulation §1.401(a)(9)-4, Q&A-4.

(2) "Distribution calendar year" means a calendar year for which a minimum distribution is required. For distributions beginning before the Participant's death, the first distribution calendar year is the calendar year immediately preceding the calendar year which contains the Participant's "required beginning date." For distributions beginning after the Participant's death, the first distribution calendar year is the calendar year in which distributions are required to begin under Section 6.8(b). The required minimum distribution for the Participant's first distribution calendar year will be made on or before the Participant's "required beginning date." The required minimum distribution for other distribution calendar years, including the required minimum distribution for the distribution calendar year in which the Participant's "required beginning date" occurs, will be made on or before December 31 of that distribution calendar year.

(3) "Life expectancy" means the life expectancy as computed by use of the Single Life Table in Regulation §1.401(a)(9)-9, Q&A-1.

(4) "Participant's account balance" means the "Participant's account balance" as of the last Valuation Date in the calendar year immediately preceding the Distribution calendar year (valuation calendar year) increased by the amount of any contributions made and allocated or forfeitures allocated to the account balance as of dates in the valuation calendar year after the Valuation Date and decreased by distributions made in the valuation calendar year after the Valuation Date. For this purpose, the Administrator may exclude contributions that are allocated to the account balance as of dates in the valuation calendar year after the Valuation Date, but that are not actually made during the valuation calendar year. The account balance for the valuation calendar year includes any amounts rolled over or transferred to the Plan either in the valuation calendar year or in the Distribution calendar year if distributed or transferred in the valuation calendar year.

(5) "Required beginning date" means, with respect to any Participant, April 1 of the calendar year following the later of the calendar year in which the Participant attains age 70 1/2 or the calendar year in which the Participant retires, except that benefit distributions to a 5-percent owner must commence by April 1 of the calendar year following the calendar year in which the Participant attains age 70 1/2.

(6) "5-percent owner" means a Participant who is a 5-percent owner as defined in Code §416 at any time during the Plan Year ending with or within the calendar year in which such owner attains age 70 1/2. Once distributions have begun to a 5-percent owner under this Section they must continue to be distributed, even if the Participant ceases to be a 5-percent owner in a subsequent year.
(f) Transition rules

(1) Waiver of 2009 Required Distributions. Notwithstanding the preceding provisions of this Section 6.8, the following provisions shall apply for 2009:

(i) Continuation of RMDs unless otherwise elected by Participant. A Participant or Beneficiary who would have been required to receive required minimum distributions for 2009 but for the enactment of Code §401(a)(9)(H) ("2009 RMDs"), and who would have satisfied that requirement by receiving distributions that are equal to the 2009 RMDs will receive those distributions for 2009 unless the Participant or Beneficiary chooses not to receive such distributions. Participants and Beneficiaries described in the preceding sentence will be given the opportunity to elect to stop receiving the distributions described in the preceding sentence.

(2) Rules for plans in existence before 1997. Any required minimum distribution rights conferred on Participants in order to comply with (or as a means of complying with) the changes to Code §401(a)(9) made by the Small Business Jobs Protection Act of 1996 that were still in effect immediately prior to this restatement shall be preserved.

(g) Statutory (TEFRA) Transition Rules

(1) Notwithstanding the other provisions of this Section, other than the Spouse's right of consent afforded under the Plan, distributions may be made on behalf of any Participant, including a five percent (5%) owner, who has made a designation in accordance with Section 242(b)(2) of the Tax Equity and Fiscal Responsibility Act (TEFRA) and in accordance with all of the following requirements (regardless of when such distribution commences):

(i) The distribution by the Plan is one which would not have disqualified such plan under Code §401(a)(9) as in effect prior to amendment by the Deficit Reduction Act of 1984.

(ii) The distribution is in accordance with a method of distribution designated by the Participant whose interest in the Plan is being distributed or, if the Participant is deceased, by a Beneficiary of such Participant.

(iii) Such designation was in writing, was signed by the Participant or the Beneficiary, and was made before January 1, 1984.

(iv) The Participant had accrued a benefit under the Plan as of December 31, 1983.

(v) The method of distribution designated by the Participant or the Beneficiary specifies the time at which distribution will commence, the period over which distributions will be made, and in the case of any distribution upon the Participant's death, the Beneficiaries of the Participant listed in order of priority.

(2) A distribution upon death will not be covered by the transitional rule of this subsection unless the information in the designation contains the required information described above with respect to the distributions to be made upon the death of the Participant.

(3) For any distribution which commences before January 1, 1984, but continues after December 31, 1983, the Participant, or the Beneficiary, to whom such distribution is being made, will be presumed to have designated the method of distribution under which the distribution is being made if the method of distribution was specified in writing and the distribution satisfies the requirements in (1)(i) and (1)(v) of this subsection.

(4) If a designation is revoked, any subsequent distribution must satisfy the requirements of Code §401(a)(9) and the Regulations thereunder. If a designation is revoked subsequent to the date distributions are required to begin, the Plan must distribute by the end of the calendar year following the calendar year in which the revocation occurs the total amount not yet distributed which would have been required to have been distributed to satisfy Code §401(a)(9) and the Regulations thereunder, but for the Section 242(b)(2) election. For calendar years beginning after December 31, 1988, such distributions must meet the minimum distribution incidental benefit requirements. Any changes in the designation will be considered to be a revocation of the designation. However, the mere substitution or addition of another Beneficiary (one not named in the designation) under the designation will not be considered to be a revocation of the designation, so long as such substitution or addition does not alter the period over which distributions are to be made under the designation, directly or indirectly (for example, by altering the relevant measuring life).

(5) In the case in which an amount is transferred or rolled over from one plan to another plan, the rules in Regulation §1.401(a)(9)-8, Q&A-14 and Q&A-15, shall apply.

6.9 DISTRIBUTION FOR MINOR OR INCOMPETENT INDIVIDUAL

If, in the opinion of the Administrator, a Participant or Beneficiary entitled to a distribution is not able to care for his or her affairs because of a mental condition, a physical condition, or by reason of age, then the Administrator shall direct the distribution to the Participant's or Beneficiary's guardian, conservator, trustee, custodian (including under a Uniform Transfers or Gifts to Minors Act) or to his or her attorney-in-fact or to other legal representative, upon furnishing evidence of such status satisfactory to the Administrator. The Administrator and
the Trustee do not have any liability with respect to payments so made and neither the Administrator nor the Trustee (or Insurer) has any duty to make inquiry as to the competence of any person entitled to receive payments under the Plan.

6.10 LOCATION OF PARTICIPANT OR BENEFICIARY UNKNOWN

In the event that all, or any portion, of the distribution payable to a Participant or Beneficiary hereunder shall, at the later of the Participant's attainment of age 62 or Normal Retirement Age, remain unpaid solely by reason of the inability of the Administrator to ascertain the whereabouts of such Participant or Beneficiary, the amount so distributable may, in the sole discretion of the Administrator, either be treated as a Forfeiture pursuant to the Plan or be paid directly to an individual retirement account described in Code §408(a) or an individual retirement annuity described in Code §408(b). In addition, if the Plan provides for mandatory distributions and the amount to be distributed to a Participant or Beneficiary does not exceed $1,000, then the amount distributable may, in the sole discretion of the Administrator, either be treated as a Forfeiture, or be paid directly to an individual retirement account described in Code §408(a) or an individual retirement annuity described in Code §408(b) at the time it is determined that the whereabouts of the Participant or the Participant's Beneficiary cannot be ascertained. In the event a Participant or Beneficiary is located subsequent to the Forfeiture, such benefit shall be restored, first from Forfeitures, if any, and then from an additional Employer contribution if necessary. Upon Plan termination, the portion of the distributable amount that is an eligible rollover distribution as defined in Plan Section 6.13 may be paid directly to an individual retirement account described in Code §408(a) or an individual retirement annuity described in Code §408(b) (consistent with the requirements of Section 8.2). However, regardless of the preceding, a benefit that is lost by reason of escheat under applicable state law is not treated as a Forfeiture for purposes of this Section nor as an impermissible forfeiture under the Code.

6.11 PRE-RETIREMENT DISTRIBUTION OF EMPLOYER CONTRIBUTIONS

At such time as a Participant shall have attained age 59 1/2, the Administrator, at the election of the Participant who has not severed employment with the Employer, shall direct the Trustee to distribute all or a portion of the amount then credited to all accounts maintained on behalf of the Participant.

In the event that the Administrator makes such a distribution, the Participant shall continue to be eligible to participate in the Plan on the same basis as any other Employee. Any distribution made pursuant to this Section shall be made in a manner consistent with Section 6.5, including, but not limited to, all notice and consent requirements of Code Section 411(a)(11) and the Regulations thereunder.

For purposes of this Section, a Participant shall also mean an Employee or Former Employee with an Account Balance under the Plan.

Notwithstanding anything in this Section to the contrary, pre-retirement distributions from an Employee Contribution Account shall not be permitted prior to the Participant attaining age 59 1/2 or one of the other events described in Section 4.2(d).

The following provision(s) also apply:

(a) The minimum amount of a pre-retirement distribution is $1,000.

(b) No such distribution shall be made from an Account until such Account has become fully Vested.

6.12 QUALIFIED DOMESTIC RELATIONS ORDER DISTRIBUTION

All benefits provided to a Participant in this Plan shall be subject to the rights afforded to any Alternate Payee under a qualified domestic relations order. Furthermore, a distribution to an Alternate Payee shall be permitted if such distribution is authorized by a qualified domestic relations order, even if the affected Participant has not separated from service and has not reached the earliest retirement age. For the purposes of this Section, the terms "qualified domestic relations order" and "earliest retirement age" shall have the meaning set forth under Code §414(p).

Effective April 6, 2007, a domestic relations order that otherwise satisfies the requirements for a qualified domestic relations order ("QDRO") will not fail to be a QDRO: (i) solely because the order is issued after, or revises, another domestic relations order or QDRO; or (ii) solely because the order is issued after the Annuity Starting Date or after the Participant's death.

6.13 DIRECT ROLLOVER

(a) Right to direct rollover. Notwithstanding any provision of the Plan to the contrary that would otherwise limit a distributee's election under this Section, a distributee may elect, at the time and in the manner prescribed by the Administrator, to have all or only a portion of an eligible rollover distribution paid directly to an eligible retirement plan specified by the distributee in a direct rollover. However, if less than the entire amount of an eligible rollover distribution is paid directly to an eligible retirement plan, the minimum partial rollover must equal at least $500.

(b) Definitions. For purposes of this Section the following definitions shall apply:

(1) Eligible rollover distribution. An "eligible rollover distribution" means any distribution described in Code §402(c)(4) and generally includes any distribution of all or any portion of the balance to the credit of the distributee, except that an eligible rollover distribution does not include: any distribution that is one of a series of substantially equal periodic payments (not less frequently than annually) made for the life (or life expectancy) of the distributee or the joint lives (or joint life expectancies) of
the distributee and the distributee's Designated Beneficiary, or for a specified period of ten (10) years or more; any distribution to the extent such distribution is required under Code §401(a)(9); the portion of any other distribution(s) that is not includible in gross income (determined without regard to the exclusion for net unrealized appreciation with respect to employer securities); and any other distribution reasonably expected to total less than $200 during a year.

Notwithstanding the above, the following distributions, if made in 2009, will also be treated as eligible rollover distributions for 2009 only:

(i) the amount of any required minimum distribution as determined in accordance with Section 6.8.

(2) Eligible retirement plan. An "eligible retirement plan" is an individual retirement account described in Code §408(a), an individual retirement annuity described in Code §408(b), (other than an endowment contract), a qualified trust (an employees' trust) described in Code §401(a) which is exempt from tax under Code §501(a) and which agrees to separately account for amounts transferred into such plan from this Plan, an annuity plan described in Code §403(a), an eligible deferred compensation plan described in Code §457(b) which is maintained by a state, political subdivision of a state, or any agency or instrumentality thereof which agrees to separately account for amounts transferred into such plan from this Plan, and an annuity contract described in Code §403(b) that accepts the distributee's eligible rollover distribution. The definition of eligible retirement plan shall also apply in the case of a distribution to a surviving Spouse, or to a Spouse or former Spouse who is an Alternate Payee. Effective for distributions after December 31, 2006, in the case of a "distributee" who is a non-Spouse designated beneficiary, (1) the direct rollover may be made only to a traditional or Roth individual retirement account that is established on behalf of the designated non-Spouse beneficiary for the purpose of receiving that distribution and that will be treated as an inherited IRA pursuant to the provisions of Code §402(e)(11), and (2) the determination of any required minimum distribution required under Code §401(a)(9) that is ineligible for rollover shall be made in accordance with IRS Notice 2007-7, Q&A 17 and 18.

Roth IRA rollover. For distributions made after December 31, 2007, a Participant may elect to roll over directly an eligible rollover distribution to a Roth IRA described in Code §408A(b).

(3) Distributee. A "distributee" includes an Employee or Former Employee. In addition, the Employee's or Former Employee's surviving Spouse and the Employee's or Former Employee's Spouse or former Spouse who is an Alternate Payee, are distributees with regard to the interest of the Spouse or former Spouse.

(4) Direct rollover. A "direct rollover" is a payment by the Plan to the "eligible retirement plan" specified by the distributee.

(c) Non-Spouse Beneficiary Rollover. For distributions after December 31, 2006, a non-Spouse Beneficiary who is a "designated beneficiary" under Code §401(a)(9)(E) and the Regulations thereunder, by a direct trustee-to-trustee transfer ("direct rollover"), may roll over all or any portion of his or her distribution to an individual retirement account the beneficiary establishes for purposes of receiving the distribution. In order to be able to roll over the distribution, the distribution otherwise must be an "eligible rollover distribution."

(1) Certain requirements not applicable. Any distribution made prior to January 1, 2010 is not subject to the "direct rollover" requirements of Code §401(a)(31) (including Code §401(a)(31)(B)), the notice requirements of Code §402(f) or the mandatory withholding requirements of Code §3405(f).

(2) Trust Beneficiary. If the Participant's named Beneficiary is a trust, the Plan may make a direct rollover to an IRA on behalf of the trust, provided the trust satisfies the requirements to be a "designated Beneficiary."

(d) Participant Notice. A Participant entitled to an eligible rollover distribution must receive a written explanation of his/her right to a direct rollover, the tax consequences of not making a direct rollover, and, if applicable, any available special income tax elections. The notice must be provided no less than thirty (30) days and no more than 180 days (90 days for Plan Years beginning before January 1, 2007) before such distribution. The direct rollover notice must be provided to all Participants, unless the total amount the Participant will receive as a distribution during the calendar year is expected to be less than $200.

6.14 CORRECTIVE DISTRIBUTIONS

Nothing in this Article shall preclude the Administrator from making a distribution to a Participant, to the extent such distribution is made to correct a qualification defect in accordance with Section 9.12.

ARTICLE VII
TRUSTEE

7.1 BASIC RESPONSIBILITIES OF THE TRUSTEE

(a) The Trustee shall have the following categories of responsibilities:

(1) Subject to the provisions of Section 7.2, and consistent with the funding policy and method determined by the Employer, to invest, manage, and control the Plan assets subject, however, to the direction of a Participant with respect to Participant Directed Accounts, the Employer, an Investment Manager or other agent appointed by the Employer,
(2) At the direction of the Administrator, to pay benefits required under the Plan to be paid to Participants, or, in the event of their death, to their Beneficiaries; and

(3) To maintain records of receipts and disbursements and furnish to the Employer and/or Administrator for each Plan Year a written annual report pursuant to Section 7.8.

(b) In the event that the Trustee shall be directed by a Participant (pursuant to the Participant Direction Procedures), the Employer, an Investment Manager or other agent appointed by the Employer with respect to the investment of any or all Plan assets, the Trustee shall have no liability with respect to the investment of such assets, but shall be responsible only to execute such investment instructions as so directed.

(1) The Trustee shall be entitled to rely fully on the written (or other form acceptable to the Administrator and the Trustee, including, but not limited to, voice recorded) instructions of a Participant (pursuant to the Participant Direction Procedures), the Employer, or any Fiduciary or nonfiduciary agent of the Employer, in the discharge of such duties, and shall not be liable for any loss or other liability, resulting from such direction (or lack of direction) of the investment of any part of the Plan assets.

(2) The Trustee may delegate the duty of executing such instructions to any nonfiduciary agent, which may be an affiliate of the Trustee or any Plan representative.

(3) The Trustee may refuse to comply with any direction from the Participant in the event the Trustee, in its sole and absolute discretion, deems such directions improper by virtue of applicable law. The Trustee shall not be responsible or liable for any loss or expense which may result from the Trustee's refusal or failure to comply with any directions from the Participant.

(4) Any costs and expenses related to compliance with the Participant's directions shall be borne by the Participant's Directed Account, unless paid by the Employer.

(5) Notwithstanding anything hereinabove to the contrary, the Trustee shall not invest any portion of a Participant's Directed Account in collectibles within the meaning of that term as employed in Code §408(m).

(c) The Trustee is accountable to the Employer for the funds contributed to the Plan by the Employer, but a Nondiscretionary Trustee (as described in the next Section 7.2) does not have any duty to see that the contributions received comply with or are deposited in accordance with the provisions of the Plan. Further, the Employer represents and warrants that it either (1) has responsibility as a "named Fiduciary" (as defined in Rev. Rul. 86-309, 1986-2 C.B. 178) for determining the correctness, amount and timing of contributions and for the collection of contributions, or (2) has properly delegated the responsibility for determining the correctness, amount and timing of contributions and for the collection of contributions to a Plan Fiduciary.

(d) The Trustee will credit and distribute the Trust Fund as directed by the Administrator. The Trustee is not obligated to inquire as to whether any payee or distributee is entitled to any payment or whether the distribution is proper or within the terms of the Plan, or whether the manner of making any payment or distribution is proper. The Trustee is accountable only to the Administrator for any payment or distribution made by it in good faith on the order or direction of the Administrator.

(e) The Trustee may employ a bank or trust company pursuant to the terms of its usual and customary bank agency agreement, under which the duties of such bank or trust company shall be of a custodial, clerical and record-keeping nature.

(f) The Trustee may employ and pay from the Trust Fund reasonable compensation to agents, attorneys, accountants and other persons to advise the Trustee as in its opinion may be necessary. The Trustee may delegate to any agent, attorney, accountant or other person selected by it any non-Trustee power or duty vested in it by the Plan, and the Trustee may act or refrain from acting on the advice or opinion of any such person.

7.2 INVESTMENT POWERS AND DUTIES OF THE TRUSTEE

(a) Discretionary Trustee. In the case of any individual Trustee, or if, in the case of a corporate Trustee, the Employer and Trustee did not limit such corporate Trustee's duties to only nondiscretionary functions, then the Trustee shall invest and reinvest the Trust Fund to keep the Trust Fund invested without distinction between principal and income and in such securities or property, real or personal, wherever situated, as the Trustee shall deem advisable, including, but not limited to, stocks, common or preferred, open-end or closed-end mutual funds, bonds and other evidences of indebtedness or ownership, and real estate or any interest therein. The Trustee shall at all times in making investments of the Trust Fund consider, among other factors, the short and long-term financial needs of the Plan on the basis of information furnished by the Employer. In making such investments, the Trustee shall not be restricted to securities or other property of the character expressly authorized by the applicable law for trust investments; however, the Trustee shall give due regard to any limitations imposed by the Code so that at all times the Plan may qualify as a qualified plan pursuant to Code §401(a). The Trustee shall discharge its duties with respect to the Plan solely in the interest of the Participants and Beneficiaries and with the care, skill, prudence, and diligence under the circumstances then prevailing that a prudent person acting in a like capacity and familiar with such matters would use in the conduct of an enterprise of a like character and with like aims.

(b) Nondiscretionary Trustee (or "Directed" Trustee). In the case of a corporate trustee, if the Employer or Trustee limited such Trustee's duties to only nondiscretionary functions, then such corporate Trustee shall have no discretionary authority to invest, manage, exercise voting rights or control those Plan assets, but must act solely as a directed Trustee of those Plan assets. A
nondiscretionary Trustee, as directed Trustee of the Plan funds it holds, is authorized and empowered, by way of limitation, with the powers, rights and duties set forth herein, each of which the nondiscretionary Trustee exercises solely as directed Trustee in accordance with the direction of the party which has the authority to manage and control the investment of the Plan assets. If no directions are provided to the Trustee, the Employer will provide necessary direction. Furthermore, the Employer and the nondiscretionary Trustee may, in writing, limit the powers of the nondiscretionary Trustee to any combination of powers set forth in this Plan.

(c) **Common Trust.** The Trustee may transfer to a common, collective, pooled trust fund or money market fund maintained by any corporate Trustee or affiliate thereof hereunder, all or such part of the Trust Fund as the Trustee may deem advisable, and such part or all of the Trust Fund so transferred shall be subject to all the terms and provisions of the common, collective, pooled trust fund or money market fund which contemplate the commingling for investment purposes of such trust assets with trust assets of other trusts. The Trustee may transfer any part of the Trust Fund intended for temporary investment of cash balances to a money market fund maintained by any corporate trustee or affiliate thereof. The Trustee may withdraw from such common, collective, pooled trust fund or money market fund all or such part of the Trust Fund as the Trustee may deem advisable.

7.3 **OTHER POWERS OF THE TRUSTEE**

The Trustee, in addition to all powers and authorities under common law, statutory authority and other provisions of the Plan, shall have the following powers and authorities:

(a) To purchase, or subscribe for, any securities or other property and to retain the same. In conjunction with the purchase of securities, margin accounts may be opened and maintained;

(b) To sell, exchange, convey, transfer, grant options to purchase, or otherwise dispose of any securities or other property held by the Trustee, by private contract or at public auction. No person dealing with the Trustee shall be bound to see to the application of the purchase money or to inquire into the validity, expediency, or propriety of any such sale or other disposition, with or without advertisement;

(c) At the direction of the party which has the authority or discretion, to vote upon any stocks, bonds, or other securities; to give general or special proxies or powers of attorney with or without power of substitution; to exercise any conversion privileges, subscription rights or other options, and to make any payments incidental thereto; to oppose, or to consent to, or otherwise participate in, corporate reorganizations or other changes affecting corporate securities, and to pay any assessments or charges in connection therewith; and generally to exercise any of the powers of an owner with respect to stocks, bonds, securities, or other property. However, the Trustee shall not vote proxies relating to securities for which it has not been assigned full investment management responsibilities. In those cases where another party has such investment authority or discretion, the Trustee will deliver all proxies to said party, who will then have full responsibility for voting those proxies;

(d) To cause any securities or other property to be registered in the name of the Trust, and the books and records of the Trustee shall at all times show that all such investments are part of the Trust Fund, or to cause any securities or other property to be registered in the Trustee's own name or in the name of a nominee or in a street name, provided such securities or other property are held on behalf of the Plan by (i) a bank or trust company, (ii) a broker or dealer registered under the Securities Exchange Act of 1934, or a nominee of such broker or dealer, or (iii) a clearing agency as defined in Section 3(a)(23) of the Securities Exchange Act of 1934;

(e) To borrow or raise money for the purposes of the Plan in such amount, and upon such terms and conditions, as the Trustee shall deem advisable; and for any sum so borrowed, to issue a promissory note as Trustee, and to secure the repayment thereof by pledging all, or any part, of the Trust Fund; and no person lending money to the Trustee shall be bound to see to the application of the money lent or to inquire into the validity, expediency, or propriety of any borrowing;

(f) To keep such portion of the Trust Fund in cash or cash balances as the Trustee may, from time to time, deem to be in the best interests of the Plan, without liability for interest thereon;

(g) To accept and retain for such time as the Trustee may deem advisable any securities or other property received or acquired as Trustee hereunder, whether or not such securities or other property would normally be purchased as investments hereunder;

(h) To make, execute, acknowledge, and deliver any and all documents of transfer and conveyance and any and all other instruments that may be necessary or appropriate to carry out the powers herein granted;

(i) To settle, compromise, or submit to arbitration any claims, debts, or damages due or owing to or from the Plan (provided such arbitration does not apply to Participants or Beneficiaries), to commence or defend suits or legal or administrative proceedings, and to represent the Plan in all suits and legal and administrative proceedings;

(j) To employ suitable agents and counsel and to pay their reasonable expenses and compensation, and such agent or counsel may also be agent or counsel for the Employer;

(k) To apply for and procure from responsible insurance companies, to be selected by the Administrator, as an investment of the Trust Fund such annuity, or other Contracts (on the life of any Participant, or on the life of any person in whom a Participant has an insurable interest, or on the joint lives of a Participant and any person in whom the Participant has an insurable interest) as the
Administrator shall deem proper; to exercise, at the direction of the person with the authority to do so, whatever rights and privileges may be granted under such annuity or other Contracts; to collect, receive, and settle for the proceeds of all such annuity or other Contracts as and when entitled to do so under the provisions thereof;

(l) To invest funds of the Trust in time deposits or savings accounts bearing a reasonable rate of interest or in cash or cash balances without liability for interest thereon;

(m) To invest in Treasury Bills and other forms of United States government obligations;

(n) To invest in shares of investment companies registered under the Investment Company Act of 1940, including any money market fund advised by or offered through any corporate trustee or affiliate thereof;

(o) To sell, purchase and acquire put or call options if the options are traded on and purchased through a national securities exchange registered under the Securities Exchange Act of 1934, as amended, or, if the options are not traded on a national securities exchange, are guaranteed by a member firm of the New York Stock Exchange regardless of whether such options are covered;

(p) To deposit monies in federally insured savings accounts or certificates of deposit in banks or savings and loan associations including the specific authority to make deposit into any savings accounts or certificates of deposit of any corporate trustee or affiliate thereof;

(q) To pool all or any of the Trust Fund, from time to time, with assets belonging to any other qualified employee pension benefit trust created by the Employer or any Affiliated Employer, and to commingle such assets and make joint or common investments and carry joint accounts on behalf of this Plan and Trust and such other trust or trusts, allocating undivided shares or interests in such investments or accounts or any pooled assets of the two or more trusts in accordance with their respective interests;

(r) Unless the Trustee has no discretionary authority, to appoint, unless the Employer prohibits such action in a written instruction delivered to and acknowledged in writing by the Trustee, an Investment Manager (qualified under the Investment Company Act of 1940 as amended), investment adviser, or other agent to provide direction to the Trustee with respect to any or all of the Plan assets. Such appointment shall be given by the Trustee in writing in a form acceptable to the Investment Manager and shall specifically identify the Plan assets with respect to which the Investment Manager or other agent shall have authority to direct the investment and

(s) Unless the Trustee has no discretionary authority, to do all such acts and exercise all such rights and privileges, although not specifically mentioned herein, as the Trustee may deem necessary to carry out the purposes of the Plan.

7.4 POWERS OF THE CUSTODIAN

The Employer may appoint a Custodian of the Plan assets. A Custodian has the same powers, rights and duties as a nondiscretionary Trustee. Any reference in the Plan to a Trustee also is a reference to a Custodian unless the context of the Plan indicates otherwise. A limitation of the Trustee's liability by Plan provision also acts as a limitation of the Custodian's liability. The Custodian will be protected from any liability with respect to actions taken pursuant to the direction of the Trustee, Administrator, the Employer, an Investment Manager, a Named Fiduciary or other third party with authority to provide direction to the Custodian. The resignation or removal of the Custodian shall be made in accordance with Section 7.9 as though the Custodian were a Trustee.

7.5 ALLOCATION AND DELEGATION OF RESPONSIBILITIES

If more than one person is appointed as Trustee, the responsibilities of each Trustee may be specified by the Employer and accepted in writing by each Trustee. In the event that no such delegation is made by the Employer, the Trustees may allocate the responsibilities among themselves in a written document signed by all Trustees, in which event the Trustees shall notify the Employer and the Administrator in writing of such action and specify the responsibilities of each Trustee. The Administrator thereafter shall accept and rely upon any documents executed by the appropriate Trustee until such time as the Employer or the Trustees file with the Administrator a written revocation of such designation. If the Employer has appointed one or more Trustees to hold specific Plan assets, then each Trustee shall be the Trustee only with respect to those Plan assets specifically deposited by the Employer in the Trust Fund for which such Trustee is the trustee. References in the Plan to the responsibilities, power or duties of the Trustee and any other provisions in the Plan relating to the Trustee shall be interpreted as applying to each Trustee only with respect to the assets of the Trust Fund for which such Trustee is the Trustee. Each Trustee shall have no responsibility for, or liability with respect to, any of the Plan assets other than the assets for which it serves as Trustee.

7.6 MAJORITY ACTION

Except where there has been an allocation and delegation of powers, if there shall be more than one Trustee, they shall act by a majority of their number, but may authorize one or more of them to sign papers on their behalf.

7.7 TRUSTEE'S COMPENSATION AND EXPENSES AND TAXES

The Trustee shall be paid such reasonable compensation as set forth in the Trustee's fee schedule (if the Trustee has such a schedule) or as agreed upon in writing by the Employer and the Trustee. However, an individual serving as Trustee who already receives full-time pay from the Employer shall not receive compensation from the Plan. In addition, the Trustee shall be reimbursed for any reasonable
expenses, including reasonable counsel fees incurred by it as Trustee. Such compensation and expenses shall be paid from the Trust Fund unless paid or advanced by the Employer. All taxes of any kind whatsoever that may be levied or assessed under existing or future laws upon, or in respect of, the Trust Fund or the income thereof, shall be paid from the Trust Fund.

7.8 ANNUAL REPORT OF THE TRUSTEE

(a) Annual report. Within a reasonable period of time after the later of the Anniversary Date or receipt of the Employer contribution for each Plan Year, the Trustee, or its agent, shall furnish to the Employer and Administrator a written statement of account with respect to the Plan Year for which such contribution was made setting forth:

(1) the net income, or loss, of the Trust Fund;
(2) the gains, or losses, realized by the Trust Fund upon sales or other disposition of the assets;
(3) the increase, or decrease, in the value of the Trust Fund;
(4) all payments and distributions made from the Trust Fund; and
(5) such further information as the Trustee and/or Administrator deems appropriate.

(b) Employer approval of report. The Employer, promptly upon its receipt of each such statement of account, shall acknowledge receipt thereof in writing and advise the Trustee and/or Administrator of its approval or disapproval thereof. Failure by the Employer to disapprove any such statement of account within thirty (30) days after its receipt thereof shall be deemed an approval thereof. The approval by the Employer of any statement of account shall be binding on the Employer and the Trustee as to all matters contained in the statement to the same extent as if the account of the Trustee had been settled by judgment or decree in an action for a judicial settlement of its account in a court of competent jurisdiction in which the Trustee, the Employer and all persons having or claiming an interest in the Plan were parties. However, nothing contained in this Section shall deprive the Trustee of its right to have its accounts judicially settled if the Trustee so desires.

7.9 RESIGNATION, REMOVAL AND SUCCESSION OF TRUSTEE

(a) Trustee resignation. Unless otherwise agreed to by both the Trustee and the Employer, a Trustee may resign at any time by delivering to the Employer, at least thirty (30) days before its effective date, a written notice of resignation.

(b) Trustee removal. Unless otherwise agreed to by both the Trustee and the Employer, the Employer may remove a Trustee at any time by delivering to the Trustee, at least thirty (30) days before its effective date, a written notice of such Trustee's removal.

(c) Appointment of successor. Upon the death, resignation, incapacity, or removal of any Trustee, a successor may be appointed by the Employer; and such successor, upon accepting such appointment in writing and delivering same to the Employer, shall, without further act, become vested with all the powers and responsibilities of the predecessor as if such successor had been originally named as a Trustee herein. Until such a successor is appointed, the remaining Trustee or Trustees shall have full authority to act under the terms of the Plan.

(d) Appointment of successor prior to removal of predecessor. The Employer may designate one or more successors prior to the death, resignation, incapacity, or removal of a Trustee. In the event a successor is so designated by the Employer and accepts such designation, the successor shall, without further act, become vested with all the powers and responsibilities of the predecessor as if such successor had been originally named as Trustee herein immediately upon the death, resignation, incapacity, or removal of the predecessor.

(e) Trustee's statement upon cessation of being Trustee. Whenever any Trustee hereunder ceases to serve as such, the Trustee shall furnish to the Employer and Administrator a written statement of account with respect to the portion of the Plan Year during which the individual or entity served as Trustee. This statement shall be either (i) included as part of the annual statement of account for the Plan Year required under Section 7.8 or (ii) set forth in a special statement. Any such special statement of account should be rendered to the Employer no later than the due date of the annual statement of account for the Plan Year. The procedures set forth in Section 7.8 for the approval by the Employer of annual statements of account shall apply to any special statement of account rendered hereunder and approval by the Employer of any such special statement in the manner provided in Section 7.8 shall have the same effect upon the statement as the Employer's approval of an annual statement of account. No successor to the Trustee shall have any duty or responsibility to investigate the acts or transactions of any predecessor who has rendered all statements of account required by Section 7.8 and this subsection.

7.10 TRANSFER OF ACCOUNTS

Notwithstanding any other provision contained in this Plan, the Trustee at the direction of the Administrator shall transfer all or any portion of the Participant's Account in another trust forming part of a pension, profit sharing or stock bonus plan, provided that the trust to which such transfers are made permits the transfer to be made.
7.11 TRUSTEE INDEMNIFICATION

To the extent permitted by the Code and the Act, the Employer agrees to indemnify and hold harmless the Trustee against any and all claims, losses, damages, expenses and liabilities the Trustee may incur in the exercise and performance of the Trustee's power and duties hereunder, unless the same are determined to be due to gross negligence or willful misconduct.

ARTICLE VIII
AMENDMENT, TERMINATION AND Mergers

8.1 AMENDMENT

(a) General rule on Employer amendment. The Employer shall have the right at any time to amend this Plan, subject to the limitations of this Section. However, any amendment which affects the rights, duties or responsibilities of the Trustee or Administrator may only be made with the Trustee's or Administrator's written consent. Any such amendment shall become effective as provided therein upon its execution. The Trustee shall not be required to execute any such amendment unless the amendment affects the duties of the Trustee hereunder.

(b) Permissible amendments without affecting reliance. The Employer may make the modifications described below without affecting reliance on the terms of the Plan. An Employer that amends the Plan for any other reason may not rely on the advisory letter that the terms of the Plan meet the qualification requirements of the Code. Permitted changes include: adding options permitted by the Plan; adding or deleting provisions that are optional under the volume submittal specimen plan; changing effective dates within the parameters of the volume submittal specimen plan; adding a list of benefits that must be preserved as protected benefits within the meaning of Code §411(d)(6) and the Regulations thereunder; amending provisions dealing with the administration of the Trust; a change to the name of the Plan, Employer, Trustee, Custodian, Administrator or any other fiduciary; the Plan Year; the Limitation Year (subject to the provisions of Section 1.35); amendments to conform to the requirements of Act Section 402(a) (relating to named fiduciaries), Act Section 503 (relating to claims procedures), or DOL Field Assistance Bulletin 2008-01 (relating to the duty to collect delinquent contributions); amendments to adjust the limitations under Code §§ 415, 402(g), 401(a)(17) and 414(q)(1)(B) to reflect annual cost-of-living increases; and any sample or model amendment published by the IRS (or other required good-faith amendments) which specifically provide that their adoption will not cause the plan to be treated as an individually designed plan.

(c) Sponsoring practitioner amendments. The Employer (and every Participating Employer) expressly delegates authority to the sponsoring organization of this Volume Submitter Plan (i.e., the "volume submittor practitioner") the right to amend the Plan by submitting a copy of the amendment to each Employer (and Participating Employer) who has adopted this Volume Submitter Plan, after first having received a ruling or favorable determination from the Internal Revenue Service that the Volume Submitter Plan as amended qualifies under Code §401(a) (unless a ruling or determination is not required by the IRS). However, the volume submitter practitioner shall cease to have the authority to amend on behalf of an Employer that adopts an impermissible plan type or impermissible plan provision (as described in Section 24.03 of IRS Revenue Procedure 2011-49 and any subsequent guidance). The volume submitter practitioner will maintain a record of the Employers that have adopted the Plan, and the practitioner will make reasonable and diligent efforts to ensure that adopting Employers adopt new documents when necessary. This subsection supersedes other provisions of the Plan to the extent those other provisions are inconsistent with this subsection.

(d) Impermissible amendments. No amendment to the Plan shall be effective if it authorizes or permits any part of the Trust Fund (other than such part as is required to pay taxes and administration expenses) to be used for or diverted to any purpose other than for the exclusive benefit of the Participants or their Beneficiaries or estates, or causes any reduction in the amount credited to the account of any Participant, or causes or permits any portion of the Trust Fund to revert to or become property of the Employer.

(e) Anti-cutback restrictions. Except as permitted by Regulations (including Regulations §§1.411(d)-3 and 1.411(d)-4) or other IRS guidance, no Plan amendment (including this Restatement) or transaction having the effect of a Plan amendment (such as a merger, plan transfer or similar transaction) shall be effective if it eliminates or reduces any Section 411(d)(6) protected benefit or adds or modifies conditions relating to Section 411(d)(6) protected benefits which results in a further restriction on such benefits unless such "Section 411(d)(6) protected benefits" are preserved in operation with respect to benefits accrued as of the later of the adoption date or effective date of the amendment. The term "Section 411(d)(6) protected benefits" means benefits described in Code §411(d)(6)(A), early retirement benefits and retirement-type subsidies, and optional forms of benefit. The preceding sentence applies even if the amendment adds a restriction or condition that is permitted under the vesting rules of Code §411(a)(3) through §411(a)(11). Notwithstanding the preceding provisions of this paragraph, a Participant's Account Balance may be reduced to the extent permitted under Code §412(d)(2) or to the extent permitted under Regulation §§1.411(d)-3 and 1.411(d)-4. An amendment which has the effect of decreasing a Participant's Account balance with respect to benefits attributable to service before the amendment shall be treated as reducing an accrued benefit. The preceding shall not apply to a Plan amendment that eliminates or restricts the ability of a Participant to receive payment of his or her Account under a particular optional form of benefit if the amendment provides a single-sum distribution form that is otherwise identical to the optional form of benefit being eliminated or restricted. For this purpose, a single-sum distribution form is otherwise identical only if the single-sum distribution form is identical in all respects to the eliminated or restricted optional form of benefit (or would be identical except that it provides greater rights to the Participant) except with respect to the timing of payments after commencement.
8.2 TERMINATION

(a) **Termination of Plan.** The Employer shall have the right at any time to terminate the Plan by delivering to the Trustee and Administrator written notice of such termination. Upon any full or partial termination, all amounts credited to the affected Participants’ Accounts shall become 100% vested as provided in Section 6.4 and shall not thereafter be subject to forfeiture.

(b) **Distribution of assets.** Upon the full termination of the Plan, the Employer shall direct the distribution of the assets of the Plan to Participants in a manner which is consistent with the provisions of Section 6.5 except that no Participant or Spousal consent is required. Distributions to a Participant shall be made in cash or through the purchase of irrevocable nontransferable deferred commitments from an insurer. Except as permitted by Regulations, the termination of the Plan shall not result in the reduction of Section 411(d)(6) protected benefits in accordance with Section 8.1(c).

(c) **Abandoned plan.** If the Employer, in accordance with DOL guidance, abandons the Plan, then the Trustee or other party permitted to take action as a qualified terminal administrator, may terminate the Plan in accordance with applicable IRS regulations and other guidance.

8.3 MERGER, CONSOLIDATION OR TRANSFER OF ASSETS

This Plan may be merged or consolidated with, or its assets and/or liabilities may be transferred to any other plan and trust, only if the benefits which would be received by a Participant of this Plan, in the event of a termination of the Plan immediately after such transfer, merger or consolidation, are at least equal to the benefits the Participant would have received if the Plan had terminated immediately before the transfer, merger or consolidation, and such transfer, merger or consolidation does not otherwise result in the elimination or reduction of any Section 411(d)(6) protected benefits in accordance with Section 8.1(e).

ARTICLE IX

MISCELLANEOUS

9.1 PARTICIPANT’S RIGHTS

This Plan shall not be deemed to constitute a contract between the Employer and any Participant or to be a consideration or an inducement for the employment of any Participant or Employee. Nothing contained in this Plan shall be deemed to give any Participant or Employee the right to be retained in the service of the Employer or to interfere with the right of the Employer to discharge any Participant or Employee at any time regardless of the effect which such discharge shall have upon the Employee as a Participant of this Plan.

9.2 ALIENATION OF BENEFITS

(a) **General rule.** Subject to the exceptions provided below, and as otherwise permitted by the Code, no benefit which shall be payable to any person (including a Participant or the Participant’s Beneficiary) shall be subject in any manner to anticipation, alienation, sale, transfer, assignment, pledge, encumbrance, or charge, and any attempt to anticipate, alienate, sell, transfer, assign, pledge, encumber, or charge the same shall be void; and no such benefit shall in any manner be liable for, or subject to, the debts, contracts, liabilities, engagements, or torts of any such person, nor shall it be subject to attachment or legal process for or against such person, and the same shall not be recognized, except to such extent as may be required by law.

(b) **Exception for QDRO.** Subsection (a) shall not apply to a qualified domestic relations order defined in Code §414(p), and those other domestic relations orders permitted to be so treated by the Administrator under the provisions of the Retirement Equity Act of 1984. The Administrator shall establish a written procedure to determine the qualified status of domestic relations orders and to administer distributions under such qualified orders. Further, to the extent provided under a qualified domestic relations order, a former Spouse of a Participant shall be treated as the Spouse or surviving Spouse for all purposes under the Plan.

(c) **Exception for certain debts to Plan.** Subsection (a) shall not apply to an offset to a Participant’s accrued benefit against an amount that the Participant is ordered or required to pay the Plan with respect to a judgment, order, or decree issued, or a settlement entered into in accordance with Code §§401(a)(13)(C) and (D).

With respect to distributions from the Participant’s Pre-Retirement Survivor Annuity Account, if the Participant has a Spouse at the time at which the offset is to be made:

1. either such Spouse has consented in writing to such offset and such consent is witnessed by a notary public or representative of the Plan (or it is established to the satisfaction of a Plan representative that such consent may not be obtained by reason of circumstances described in Code §417(a)(2)(B)), or an election to waive the right of the Spouse to either a qualified joint and survivor annuity or a qualified Pre-Retirement Survivor Annuity is in effect in accordance with the requirements of Code §417(a),

2. such Spouse is ordered or required in such judgment, order, decree or settlement to pay an amount to the Plan in connection with a violation of fiduciary duties, or
(3) in such judgment, order, decree or settlement, such Spouse retains the right to receive the survivor annuity under a qualified joint and survivor annuity provided pursuant to Code $401(a)(11)(A)(i) and under a qualified Pre-Retirement Survivor Annuity provided pursuant to Code $401(a)(11)(A)(ii).

9.3 PLAN COMMUNICATIONS, INTERPRETATION AND CONSTRUCTION

(a) Applicable laws. This Plan and Trust shall be construed and enforced according to the Code and the laws of the State of Nebraska, other than its laws respecting choice of law, to the extent not preempted by federal law.

(b) Single subsections. This Plan and Trust may contain single subsections. The existence of such single subsections shall not constitute scrivener's errors.

(c) Separate Accounts. Unless otherwise specified by a particular provision, the term "separate account" does not require a separate fund, only a notional entry in a recordkeeping system.

(d) Headings. The headings and subheadings of this Plan have been inserted for convenience of reference and are to be ignored in any construction of the provisions hereof.

(e) Masculine and feminine. Wherever any words are used herein in the masculine, feminine or neuter gender, they shall be construed as though they were also used in another gender in all cases where they would so apply.

(f) Singular and plural. Wherever any words are used herein in the singular or plural form, they shall be construed as though they were also used in the other form in all cases where they would so apply.

(g) Tense. Whenever any words are used herein in the past or present tense, they shall be construed as though they were also used in the other form in all cases where they would so apply.

(h) Administrator's discretion. The Administrator has total and complete discretion to interpret and construe the Plan and to determine all questions arising in the administration, interpretation and application of the Plan. Any determination the Administrator makes under the Plan is final and binding upon any affected person. The Administrator must exercise all of its powers and discretion, and perform all of its duties in a uniform and nondiscriminatory manner.

(i) Communications. All Participant or Beneficiary notices, designations, elections, consents or waivers must be made in a form the Administrator (or, as applicable, the Trustee or Insurer) specifies or otherwise approves. Any person entitled to notice under the Plan may waive the notice or shorten the notice period unless such actions are contrary to applicable law.

(j) Evidence. Anyone, including the Employer, required to give data, statements or other information relevant under the terms of the Plan ("evidence") may do so by certificate, affidavit, document or other form which the person to act in reliance may consider pertinent, reliable and genuine, and to have been signed, made or presented by the proper party or parties. The Administrator, Trustee and Insurer are protected fully in acting and relying upon any evidence described under the immediately preceding sentence.

(k) Plan terms binding. The Plan is binding upon all parties, including but not limited to, the Employer, Trustee, Insurer, Administrator, Participants and Beneficiaries.

(l) Parties to litigation. Except as otherwise provided by applicable law, a Participant or a Beneficiary is not a necessary party or required to receive notice of process in any court proceeding involving the Plan, the Trust or any Fiduciary. Any final judgment (not subject to further appeal) entered in any such proceeding will be binding upon all parties, including the Employer, the Administrator, Trustee, Insurer, Participants and Beneficiaries.

(m) Fiduciaries not Insurers. The Trustee, Administrator and the Employer in no way guarantee the Plan assets from loss or deprivation. The Employer does not guarantee the payment of any money which may be or becomes due to any person from the Plan. The liability of the Employer, the Administrator and the Trustee to make any distribution from the Trust at any time and all times is limited to the then available assets of the Trust.

(n) Construction/severability. The Plan, the Trust and all other documents to which they refer, will be interpreted consistent with and to preserve tax qualification of the Plan under Code §401(a) and tax exemption of the Trust under Code §501(a) and also consistent with the Act and other applicable law. To the extent permissible under applicable law, any provision which a court (or other entity with binding authority to interpret the Plan) determines to be inconsistent with such construction and interpretation is deemed severed and is of no force or effect, and the remaining Plan terms will remain in full force and effect.

(o) Uniformity. All provisions of this Plan shall be interpreted and applied in a uniform, nondiscriminatory manner. In the event of any conflict between the terms of this Plan and any Contract purchased hereunder, the Plan provisions shall control.

9.4 LEGAL ACTION

In the event any claim, suit, or proceeding is brought regarding the Trust and/or Plan established hereunder to which the Trustee, the Employer or the Administrator may be a party, and such claim, suit, or proceeding is resolved in favor of the Trustee, the Employer or the
Administrator, they shall be entitled to be reimbursed from the Trust Fund for any and all costs, attorney's fees, and other expenses pertaining thereto incurred by them for which they shall have become liable.

9.5 PROHIBITION AGAINST DIVERSION OF FUNDS

(a) General rule. Except as provided below and otherwise specifically permitted by law, it shall be impossible by operation of the Plan or of the Trust, by termination of either, by power of revocation or amendment, by the happening of any contingency, by collateral arrangement or by any other means, for any part of the corpus or income of any Trust Fund maintained pursuant to the Plan or any funds contributed thereto to be used for, or diverted to, purposes other than the exclusive benefit of Participants or their Beneficiaries.

(b) Mistake of fact. In the event the Employer shall make an excessive contribution under a mistake of fact, the Employer may demand repayment of such excessive contribution at any time within one (1) year following the time of payment and the Trustee shall return such amount to the Employer within the one (1) year period. Earnings of the Plan attributable to the contributions may not be returned to the Employer but any losses attributable thereto must reduce the amount so returned.

9.6 EMPLOYER'S AND TRUSTEE'S PROTECTIVE CLAUSE

The Employer, Administrator and Trustee, and their successors, shall not be responsible for the validity of any Contract issued hereunder or for the failure on the part of any insurer to make payments provided by such Contract, or for the action of any person which may delay payment or render a Contract null and void or unenforceable in whole or in part.

9.7 INSURER’S PROTECTIVE CLAUSE

Except as otherwise agreed upon in writing between the Employer and the insurer, an insurer which issues any Contracts hereunder shall not have any responsibility for the validity of this Plan or for the tax or legal aspects of this Plan. The insurer shall be protected and held harmless in acting in accordance with any written direction of the Trustee, and shall have no duty to see to the application of any funds paid to the Trustee, nor be required to question any actions directed by the Trustee. Regardless of any provision of this Plan, the insurer shall not be required to take or permit any action or allow any benefit or privilege contrary to the terms of any Contract which it issues hereunder, or the rules of the insurer.

9.8 RECEIPT AND RELEASE FOR PAYMENTS

Any payment to any Participant, the Participant's legal representative, Beneficiary, or to any guardian or committee appointed for such Participant or Beneficiary in accordance with the provisions of the Plan, shall, to the extent thereof, be in full satisfaction of all claims hereunder against the Trustee and the Employer.

9.9 ACTION BY THE EMPLOYER

Whenever the Employer under the terms of the Plan is permitted or required to do or perform any act or matter or thing, it shall be done and performed by a person duly authorized by its legally constituted authority.

9.10 APPROVAL BY INTERNAL REVENUE SERVICE

Notwithstanding anything herein to the contrary, if, pursuant to an application for qualification filed by or on behalf of the Plan by the time prescribed by law for filing the Employer's return for the taxable year in which the Plan is adopted, or such later date that the Secretary of the Treasury may prescribe, the Commissioner of Internal Revenue Service or the Commissioner's delegate should determine that the Plan does not initially qualify as a tax-exempt plan under Code §§401 and 501, such determination is not contested, or if contested, is finally upheld, then if the Plan is a new plan, it shall be void ab initio and all amounts contributed to the Plan by the Employer, less expenses paid, shall be returned within one (1) year after the date the initial qualification is denied, and the Plan shall terminate, and the Trustee shall be discharged from all further obligations. If the disqualification relates to an amended plan, then the Plan shall operate as if it had not been amended.

9.11 ELECTRONIC MEDIA

The Administrator may use any electronic medium to give or receive any Plan notice, communicate any Plan policy, conduct any written Plan communication, satisfy any Plan filing or other compliance requirement and conduct any other Plan transaction to the extent permissible under applicable law. A Participant or a Participant's Spouse, to the extent authorized by the Administrator, may use any electronic medium to make or provide any Beneficiary designation, election, notice, consent or waiver under the Plan, to the extent permissible under applicable law. Any reference in this Plan to a "form," a "notice," an "election," a "consent," a "waiver," a "designation," a "policy" or to any other Plan-related communication includes an electronic version thereof as permitted under applicable law. Notwithstanding the foregoing, any Participant or Beneficiary notices and consent that are required pursuant to the Code must satisfy Regulation §1.401(a)-21.
9.12 PLAN CORRECTION

The Administrator in conjunction with the Employer may undertake such correction of Plan errors as the Administrator deems necessary, including correction to preserve tax qualification of the Plan under Code §401(a) to correct a fiduciary breach. Without limiting the Administrator's authority under the prior sentence, the Administrator, as it determines to be reasonable and appropriate, may undertake correction of Plan document, operational, demographic and employer eligibility failures under a method described in the Plan or under the IRS Employee Plans Compliance Resolution System ("EPCRS") or any successor program to EPCRS. The Administrator, as it determines to be reasonable and appropriate, also may undertake or assist the appropriate Fiduciary or Plan official in undertaking correction of a fiduciary breach.

9.13 WAIVER OF FUNDING

(a) In the event that the minimum funding requirement for a particular Plan Year has been waived in whole or in part, then, an Adjusted Account Balance shall be established for each Participant which shall reflect the Account balance the Participant would have had, had the waived amount been contributed. The Adjusted Account Balance shall remain in effect until such time as the value of the Participant's Account equals the value of the Participant's Adjusted Account Balance:

(1) The excess of the value of each Participant's Adjusted Account Balance over the value of the Participant's Account balance will be credited with earnings equal to the greater of (i) 150 percent of the Federal mid-term rate (as in effect under Code §1274 for the first month of such Plan Year), or (ii) the rate of interest used under the Plan in determining costs (including adjustments under Code §§12(b)(5)(B)).

(2) The waiver payment to be made by the Employer in the year after the waiver is granted shall at least equal the amount necessary to amortize over 5 years, at the appropriate interest rate, the excess of the sum of the Adjusted Account Balances over the total value of the Trust Fund attributable to Employer contributions. In the next year, the excess for such subsequent year, if any, is amortized over 4 years. In each succeeding year the amortization period is reduced by one year. The Employer may, however, make such larger payments at any time as the Employer shall deem appropriate.

(3) An unallocated Waiver Suspense Account shall be created, to which shall be made all payments designed to reduce the waived deficiency. If at the time of a distribution, the nonforfeitable portion of a Participant's Adjusted Account Balance exceeds that Participant's actual Account balance, that Participant will receive the larger amount to the extent that there are then funds in the unallocated Waiver Suspense Account to cover the excess. If at any time, a Participant may not be able to receive a total distribution of the entire nonforfeitable portion of the Participant's Adjusted Account Balance, such Participant would receive subsequent distributions derived from future waiver payments.

(b) When the total value of the Trust Fund equals the sum of the Adjusted Account Balances, the Waiver Suspense Account shall be allocated to the affected Participants so that each Participant's actual Account balance equals that Participant's Adjusted Account Balance.

ARTICLE X

PARTICIPATING EMPLOYERS

10.1 ADOPTION BY OTHER EMPLOYERS

Notwithstanding anything herein to the contrary, with the consent of the Employer and Trustee, any other corporation or entity, whether an Affiliated Employer or not, may adopt this Plan and all of the provisions hereof, and participate herein and be known as a Participating Employer, by a properly executed document evidencing said intent and will of such Participating Employer (e.g., a participation agreement signed by the Participating Employer). Except as specifically provided otherwise, the provisions of this Article shall apply to each Participating Employer, whether or not the Participating Employer is an Affiliated Employer.

10.2 REQUIREMENTS OF PARTICIPATING EMPLOYERS

(a) Same provisions applicable to all Participating Employers. Each such Participating Employer shall be required to use the same Trustee as provided in this Plan, and each Participating Employer agrees to be bound by the terms of the Plan and Trust as adopted and maintained by the Employer that is the signatory to this Plan document. Any requirement set forth in the Plan that refers to the exclusive benefit rule shall be applied as if all Participating Employers (whether or not an Affiliated Employers) were one employer.

(b) Holding and investing assets. The Trustee may, but shall not be required to, commingle, hold and invest as one Trust Fund all contributions made by Participating Employers, as well as all increments thereof.

(c) Payment of expenses. Unless the Employer otherwise directs, any expenses of the Plan which are to be paid by the Employer or borne by the Trust Fund shall be paid by each Participating Employer in the same proportion that the total amount standing to the credit of all Participants employed by such Employer bears to the total standing to the credit of all Participants.
10.3 DESIGNATION OF AGENT

Each Participating Employer shall be deemed to be a party to this Plan; provided, however, that with respect to all of its relations with the Trustee and Administrator for the purpose of this Plan, each Participating Employer shall be deemed to have designated irrevocably the Employer as its agent. Unless the context of the Plan clearly indicates the contrary, the word "Employer" shall be deemed to include each Participating Employer as related to its adoption of the Plan.

10.4 EMPLOYEE TRANSFERS

In the event an Employee is transferred between Participating Employers, accumulated service and eligibility shall be carried with the Employee involved. No such transfer shall effect a termination of employment hereunder, and the Participating Employer to which the Employee is transferred shall thereupon become obligated hereunder with respect to such Employee in the same manner as was the Participating Employer from whom the Employee was transferred.

10.5 PARTICIPATING EMPLOYER CONTRIBUTION AND FORFEITURES

Except as provided in the next paragraph, any contribution or Forfeiture subject to allocation shall be determined and allocated separately by each Participating Employer, and shall be allocated only among the Participants who are employed by the Employer or Participating Employer making the contribution or recognizing the Forfeiture. On the basis of the information furnished by the Administrator, the Trustee shall keep separate books and records concerning the affairs of each Participating Employer hereunder and as to the accounts and credits of the Employees of each Participating Employer. The Trustee may, but need not, register Contracts so as to evidence that a particular Participating Employer is the interested Employer hereunder, but in the event of an Employee transfer from one Participating Employer to another, the employing Participating Employer shall immediately notify the Trustee thereof.

Any contribution or Forfeiture subject to allocation shall be determined jointly among all Affiliated Employers, and shall be allocated among all Participants of all Participating Employers who are Affiliated Employers in accordance with the provisions of this Plan.

10.6 AMENDMENT

Any Participating Employer hereby authorizes the Employer to make amendments on its behalf, unless otherwise agreed among all affected parties.

10.7 DISCONTINUANCE OF PARTICIPATION

Any Participating Employer shall be permitted to discontinue or revoke its participation in the Plan at any time. At the time of any such discontinuance or revocation, satisfactory evidence thereof and of any applicable conditions imposed shall be delivered to the Trustee. The Employer shall have the right to discontinue or revoke the participation in the Plan of any Participating Employer by providing 45 days notice to such Participating Employer. The Trustee shall thereupon transfer, deliver and assign Contracts and other Trust Fund assets allocable to the Participants of such Participating Employer to such new Trustee as shall have been designated by such Participating Employer, in the event that it has established a separate qualified retirement plan for its employees provided, however, that no such transfer shall be made if the result is the elimination or reduction of any Section 411(d)(6) protected benefits as described in Section 8.1(c). If a separate plan has not been established, the Trustee shall retain such assets for the Employees of said Participating Employer pursuant to the provisions of Article VII hereof. In no such event shall any part of the corpus or income of the Trust Fund as it relates to such Participating Employer be used for or diverted for purposes other than for the exclusive benefit of the Employees of such Participating Employer.

10.8 ADMINISTRATOR'S AUTHORITY

The Administrator shall have authority to make any and all necessary rules or regulations, binding upon all Participating Employers and all Participants, to effectuate the purpose of this Article.
