**RESOLUTION**

WHEREAS, on its own motion, the Papio-Missouri River Natural Resources District ("the DISTRICT") has undertaken a project ("the PROJECT") to rehabilitate the works and improvements comprising the DISTRICT’S Public Law-566 Dam Site W-3; and,

WHEREAS, the PROJECT is a plan, facility, work and program within the contemplation of Section 3-3229, R.R.S., 1997; and,

WHEREAS, the DISTRICT previously obtained from GRANTORS by eminent domain the following easements ("the EASEMENTS”):

  1. A permanent easement ("the “PERMANENT EASEMENT”) granting to the DISTRICT, its officers, agents, employees and contractors, the permanent and exclusive rights to construct, reconstruct, operate, maintain, repair, manage and regulate the PL 566 Project Site W-3 grade stabilization structure (hereinafter
referred to as the “DAM”) and the reservoir thereby impounded (hereinafter referred to as the “RESERVOIR”) in, on, under, over and across the tracts of land in Washington County, Nebraska, referred to collectively as the “PERMANENT EASEMENT” tracts in the page(s) of legal descriptions and diagrams attached hereto and reflected in the DISTRICT’S files as Exhibits “A”, “B” and “C” and incorporated herein by reference;

2. A temporary construction easement (“the TEMPORARY CONSTRUCTION EASEMENT”) granting to the DISTRICT, its officers, agents, employees and contractors, the temporary and exclusive right to use the tract of land in Washington County, Nebraska, referred to in the legal description and diagram attached hereto and reflected in the DISTRICT’S files as Exhibit “D” and incorporated herein by reference, for vehicular maneuvering, parking and servicing, equipment storage and other lawful purposes during the period of time between the commencement and the completion of the DISTRICT’S construction of the rehabilitated DAM and RESERVOIR in the PERMANENT EASEMENT tracts; provided, however, such period of time shall not exceed one year beginning with commencement of such construction; and,

3. A temporary ingress and egress easement (“the TEMPORARY INGRESS AND EGRESS EASEMENT”) granting to the DISTRICT, its officers, agents, employees and contractors, the temporary and non-exclusive right to use the tract of land in Washington County, Nebraska, described in the legal description and diagram attached hereto and reflected in the DISTRICT’S files as Exhibit “E” and incorporated herein by reference, for vehicular, equipment and pedestrian ingress and egress between the PERMANENT EASEMENT tracts and the public roads rights-of-way during the period of time between the commencement and completion of the DISTRICT’S construction of the rehabilitated DAM and RESERVOIR in the PERMANENT EASEMENT tracts, provided, however, such period of time shall not exceed one year beginning with commencement of such construction; and,

WHEREAS, the said EASEMENTS are subject to additional conditions, not all of which are recited herein, including, without limitation the following, to-wit:

a) The EASEMENTS are intended as supplementary and additional to the easement grants to the DISTRICT for the original PL 566 Project Site W-3 dam and reservoir that were made by James L. Christensen & Mildred J. Christensen in the instrument dated April 26,
WHEREAS, the DISTRICT requires that the terms of the above-described temporary easements be extended until completion of construction of the rehabilitated DAM and RESERVOIR in the PERMANENT EASEMENT AREA, or until November 17, 2011, whichever shall first occur (the “TEMPORARY EASEMENT EXTENSIONS”), in order to permit the DISTRICT to complete and finish construction of the DAM;

WHEREAS, the Board of Directors of the DISTRICT does hereby find and determine as follows, to-wit:

A. In eminent domain petitions for appointment of appraisers, heretofore filed in the Washington County Court, the DISTRICT previously acquired the EASEMENTS from JOHN CAMDEN AND MARY CAMDEN, HUSBAND AND WIFE, AS JOINT TENANTS (“CONDEMNEES”); and,

B. The DISTRICT has negotiated in good faith with CONDEMNEES for the TEMPORARY EASEMENT EXTENSIONS in that the DISTRICT retained a licensed real estate appraiser to appraise the damages from the DISTRICT’S acquisition of the TEMPORARY EASEMENT EXTENSIONS; the DISTRICT offered to CONDEMNEES an amount of money equal to the full fair market value of the damages thus appraised that will be sustained by CONDEMNEES as a result of the DISTRICT’S acquisition of the TEMPORARY EASEMENT EXTENSIONS; and, the DISTRICT’S representatives made reasonable efforts to induce CONDEMNEES to accept the DISTRICT’S offer, but all such offers and efforts have been ignored and refused, such negotiations therefore have failed, and the parties therefore are at an impasse;

C. Economic and physical feasibility necessitate that the PROJECT be constructed utilizing the TEMPORARY EASEMENT EXTENSIONS;
D. Approvals by other agencies are not required; and,
E. It is necessary that the DISTRICT exercise the right of eminent domain, granted to it by Section 2-3234, Neb. Rev. Stat., in order to acquire the TEMPORARY EASEMENT EXTENSIONS necessary for completion of the PROJECT.

NOW, THEREFORE, BE IT RESOLVED by the Board of Directors of the DISTRICT that the foregoing findings and determinations are hereby adopted; and that, in the absence of a voluntary grant of the TEMPORARY EASEMENT EXTENSIONS to the DISTRICT in accordance with the DISTRICT’S aforesaid offers, the DISTRICT’S Legal Counsel should be, and is hereby, authorized and directed to initiate the filing of a petition in the County Court of Washington County, Nebraska, on behalf of the DISTRICT, for the appointment of appraisers, to ascertain, determine and report the damages sustained by CONDEMNNEES from the DISTRICT’S taking of the afore-described TEMPORARY EASEMENT EXTENSIONS, pursuant to the procedures governing eminent domain, as provided by Section 76-701, et seq., Neb. Rev. Stat.
