Director Kolowski noted that this problem was not created by the District and pointed out that
this was a microcosm of the problems the area will be facing in the future if we don’t address flood control issues on a regional basis. Marlin Petermann also noted that Lamp Rynearson had looked at this option in their report and that while the perception maybe great, the actual impact of this fix will be minimal.

**TREASURER'S REPORT:**

.. **MOTION NO. 11:** It was moved by Director John Conley and seconded by Director Kolowski that the following resolution be adopted:

    BE IT RESOLVED that the Treasurer is authorized to expend general funds to pay: (l) claims listed in the October, 2006, financial report; and, (2) any claims made prior to the next Board meeting for (a) earned salaries of District employees, (b) withholding taxes, (c) social security payments, (d) retirement program contributions, (e) utilities, (f) registration fees and expenses for upcoming meetings and conferences, (g) certified completed CAP and Special Project Area applications, (h) invoices which offer a credit or discount for payment made prior to the next Board meeting, (i) postage, and, (j) building and grounds contract expenses.

    BE IT FURTHER RESOLVED that the Treasurer is authorized to pay, from the respective operating accounts of the Dakota County, Thurston County and Washington County #1 and Washington County #2 rural water supply projects, the Elkhorn River Bank Stabilization Project, the Elkhorn Breakout Project, the Elk/Pigeon Creek Drainage Project, and the Western Sarpy/Clear Creek Project, the project bills listed on the October, 2006, financial report, and future claims for project utilities.
